Oklahoma Transition Institute 2017
October 3-5, 2017
NCED Conference Center & Hotel
2801 East State Highway 9, Norman, OK 73071

The 12th Oklahoma Transition Institute, otherwise known as OTI, will be held this October at the NCED Conference Center and Hotel in Norman. With the interest in the OTI continuing to gain in popularity, we’ve found this location offers the space our Institute requires.

With fabulous keynotes, many break-out sessions, time to plan with your transition team, and networking opportunities, you don’t want to miss out this year! Save the date – it’s gonna be great!

23 Oklahoma High school Juniors and Seniors spent 5 days on the USAO campus in Chickasha at the Oklahoma Youth Leadership Forum. Find out more at http://www.okddc.ok.gov/youth_leadership_forum.html.
Welcome to 2017!

We hope that each of you had a great holiday filled with family and friends.

Tech-Now has been busy with the annual button design contest, preparing for a February training with our instructors, securing support and donations for the annual state competition, and working on a presentation for the upcoming Council for Exceptional Children’s 2017 Conference. We added a third high school in Lawton to the Tech-Now family, and are also looking ahead to the possibility of additional STEM Camps this summer throughout the state. The year is proving to be full of a lot of great things for our Tech-Now students! We had over one hundred button contest entries this year. The contest is a venue to showcase the students’ design skills by creating buttons that highlight dropout prevention, anti-bullying, and something positive about their school. We are always surprised at the work the students put into the designs. Everyone gets their design made into a button and those that win receive twenty dollars for their hard work.

We are happy to announce that Tech-Now Inc. has been selected by the Modified Dolls of Oklahoma to be their Charity of the Month! All through the month of February the Modified Dolls will be raising funds to help Tech-Now provide scholarships, t-shirts, prizes, and cash awards to our students for their winning entrees. The Tech-Now State Competition will be held May fourth, from 10:00 am until 2:00 pm in the Norman North High School Gymnasium. We are looking for volunteers to help setup the night before as well as volunteers to help out during the competition. If you have ever wondered what Tech-Now is about there is no better way than to be a part of the competition as a volunteer or just to spectate.

STEM Camp – Last year, through a partnership with the Oklahoma Department of Rehabilitation Services (DRS), Tech-Now provided two STEM Camps. This year we hope to provide additional camps in areas of the state that Tech-Now programs do not exist as well as a few in areas that do have Tech-Now programs. During the camp students will learn to use Windows® based computers and related technologies to design, build, and race, multiple HT Gravity Racers. The students received a USB Drive containing the design, and video production software used during the engineering camp, they received completed racers and extra materials to allow for the construction of additional racers, they designed and created camp T-shirts, and lots of other stuff! If you want a STEM Camp in your area, now is the time to get things in motion! Contact Kimberly Osmani KOsmani@okdrs.gov from DRS to start the discussion. A huge thank you to our partners The Oklahoma Department of Rehabilitation Services, The Oklahoma Department of Career and Technology Education, our school sites, the public/private financial supporters, and all our volunteers.

I hope to see you at the competition!

– Rick

If you would like more information about Tech-Now please email us at tech-now@hotmail.com.
As of 5:00 pm on January 9, 2017, the Oklahoma Department of Rehabilitation Services (DRS) instituted the closure of Priority Groups 2 and 3. This action has been taken not because DRS is “out of money,” but because we are managing the funding we do have, as well as anticipated appropriations.

What this means is that anyone who was not in eligibility status as of 5:00 PM on January 9, 2017, and who will not fall into Priority Group 1 (those with the most significant disabilities), will be placed in “delayed” status, or on a waiting list.

For consumers who were determined eligible prior to 5:00 PM on January 9, 2017, in any status, their cases will continue to proceed toward receiving services. For anyone who already had an active plan for employment with DRS at 5:00 on January 9, 2017, nothing will change. DRS Counselors will continue to work with these individuals towards their plan goals.

Be assured that DRS monitors its budget and the delayed status list regularly so DRS will be able to periodically release some of the participants from the various lists as funding becomes available.

At this time, new applicants who fall into Priority Group 1 are NOT affected and may have a plan for employment developed and services provided.

Please, continue to refer transition aged youth at the age of 15 ½ and help them submit applications for services. Individuals are removed from delayed status based on a) date of application and b) eligibility in Priority Group. Remember that DRS must always accept an application—even when we have groups closed. This assures there is always a steady flow of applicants and individuals who are able to get served.

If you have any questions or concerns, please contact Kim Osmani, Statewide Transition Coordinator, at kosmani@okdrs.gov or at (405) 635-2768, or reach out to your local DRS counselor.

WORKSHOP OPPORTUNITY!
Saturday, February 11, 2017
4-6pm
Register online:
http://tinyurl.com/DSACODating101
or call 405.600.9981

Dating 101: Romantic Relationships for Self-Advocates
(for teens/adults with developmental disabilities)
What: This workshop is designed as an introduction to dating and starting a romantic relationship for teens and young adults with cognitive disabilities who are interested in, or have had some experience dating. Participants will learn important steps in the dating process as well as how to evaluate whether a dating relationship is healthy or unhealthy.
When: Saturday, February 11th, 2017, 4-6 p.m.
Where: COHBA Event Center, 420 N. Britton, Regal Room
Who: Teens/Adults with developmental disabilities ages 13 and older
Cost: FREE with RSVP - space is limited!
Sign-up: http://tinyurl.com/DSACODating101

Who: Terri Conwenhoven, M.S., is an AASECT certified sexuality educator who specializes in working with people who have intellectual disabilities, their families, and the professionals who support them. She has published several books, is the Clinic Coordinator for the Down Syndrome Clinic of Wisconsin and has a daughter who has Down syndrome.
DRS Offers Work Experience Opportunities for Transition Age Youth & Young Adults

Project SEARCH sites are currently seeking applications for the 2017-2018 school year!

What is Project SEARCH?

Project SEARCH is a partnership that focuses on assisting individuals with disabilities to find and maintain competitive integrated employment. Nationally, the unemployment rate for adults with disabilities is nearly 70% and the majority of these individuals want to work.

Project SEARCH provides a framework for an unpaid internship program for young adults with disabilities at a host employer, building upon the success of the national Project SEARCH, which originated at Cincinnati Children’s Hospital Medical Center. There are six Project SEARCH sites in Oklahoma:

Integris Bass Baptist Health Center in Enid
Renaissance Hotel in Oklahoma City
Mercy Hospital in Oklahoma City
Integris Baptist Medical Center in Oklahoma City
Integris Canadian Valley Hospital in Yukon
Embassy Suites Norman

Candidates must submit a completed application, be eligible for vocational rehabilitation services through DRS, and must want to and be able to work independently in the community upon completion of the program. Applications are reviewed for completion, relevance, eligibility, and experience. Candidates are then interviewed by a panel of partners along with a skills assessment and a parent interview.

For more information about criteria for applicants and how to apply, call:

Judi Goldston 405.325.0448, Larry Hartzell 405.635.2759, or Kim Osmani 405.635.2768.
DRS Offers Work Experience Opportunities for Transition Age Youth & Young Adults

Summer Work Experience with iJobs

iJobs is a summer work training and experience program for high school students with disabilities. Now is the time for interested students to apply!

iJobs begins with classroom instruction typically the first week of June. Students receive training that includes: employability instruction, independent living skills, and practicing navigating public transportation. The remainder of the months of June and July, students work up to 25 hours per week at part-time jobs in their communities, while spending one-half day one day each week obtaining additional instruction, volunteering, or accessing resources in the community.

The goals of iJobs are to: increase job skills, career awareness, confidence, social skills, and independent living skills, promote inclusion in community, maintain employment throughout the whole summer, and to develop resumes and cover letters.

Current iJobs sites and their partners include:
- Norman Public Schools, Moore-Norman Technology Center, DRS, Dale Rogers Training Center, and the GALT Foundation
- Francis Tuttle Technology Center (includes all schools that feed into FTTC), DRS, and GALT
- Owasso Public Schools, Collinsville Public Schools, DRS, and GALT

To obtain more information and to receive an application, ask your DRS counselor or email:
- Norman-Terrisha Osborn at tosborn@okdrs.gov
- Francis Tuttle-Bonnie Allen at BAllen@okdrs.gov
- Owasso-Esther Watkins at EWatkins@okdrs.gov
DRS Offers Work Experience Opportunities for Transition Age Youth & Young Adults

Summer Work Experience with WOW!

Working on the Wichitas! (WOW!) is a summer camp and work experience opportunity for high school students and young adults who have an open case with the Oklahoma Department of Rehabilitation Services (DRS) or is an active participant with the Central Oklahoma Workforce Investment Board (COWIB). The camp runs Sunday through Friday at the Wichita Mountains Wildlife Refuge in Indiahoma, Oklahoma.

WOW! offers students and young adults with disabilities the opportunity to learn job skills, have a paid work experience in the Wichitas, camp overnight, and enjoy recreational activities. There will be two weeks of WOW! this year. **Applications for either week are due March 1.**

**Week 1** will be June 4-9, 2017. Eligible applicants for the first week are those high school students with disabilities who are clients of DRS, between the ages of 16 and 21, and who are returning to high school August 2017 and/or youth who are still in high school and participating in the P3 partnership program through DHS and COWIB.

For information on the Week 1 program, eligibility, and an application, contact: 
Loni LeForce lleforce@elginps.net, or James Gottman jgottman@okdrs.gov

**Week 2** will be June 11-16, 2017. Eligible applicants for the second week are those young adults ages 18-24 that are out of high school, enrolled in the COWIB youth program, and reside within these nine counties: Lincoln, Canadian, Cleveland, Logan, Oklahoma, Okfuskee, Pottawatomie, Hughes, and Seminole. Applicants may also be clients of DRS and out of high school up to the age of 24.

For information on the Week 2 program, eligibility, and an application, contact: 
Yolanda Alexander yolandaalexander@cowib.org, Loni LeForce lleforce@elginps.net, or James Gottman, jgottman@okdrs.gov
Every child should have an opportunity to go to a summer camp.

Camp Benedictine’s Overnight Camp for persons with or without disabilities (Shawnee). Camps are held monthly, call for dates - Camp Benedictine: located in Shawnee, OK. Camps accept persons with or without disabilities, ages 8-80. Three-day camps held monthly provide an opportunity for individuals with developmental delays to engage in recreational, educational, and pre-vocational activities along with other community members. Offered are swimming, basketball, aerobics, volleyball, bingo, drama, arts and crafts, cultural activities, and concept building activities. Call or check website for camp dates, fees, and application information. For information, call 405-878-5289 or email nidd@nidd.org.

Camp Barnabas is for kids and teens, ages 7 to 17. It offers acceptance and love to more than 1,500 campers with special needs and chronic diseases. Through adaptive activities, people with physical, intellectual, and/or medical challenges become participants, not observers, in the world around them. They leave Camp Barnabas knowing they are uniquely created to live lives of ability.

http://www.campbarnabas.org/

- Barnabas Prep is designed to help young adults move closer to reaching their full potential and to guide each student toward a meaningful life of independence and spiritual growth. In the beautiful setting of our Branson, MO campus, students have the opportunity to learn and grow spiritually with Christ, individually through life and career skills, and relationally in a community living environment. Barnabas Fellows live and work alongside each student to assist them in their daily living and learning needs. http://barnabasprep.com

Camp Cavett invites any child between the ages of 10-18 that has been diagnosed with a life-threatening or chronic illness to enjoy the free camp each July at Lake Texoma. Though they may have many different illnesses-cancer, heart disease, kidney disease, GI disorders, sickle cell, and lung disease among the most common-together they learn coping skills due to the education process entwined in camp activities. Camp Cavett is a place where these children can come together and have fun while learning crucial life lessons from one another. www.CavettKidsFoundation.org

- Heart Camp is held in June in the beautiful mountains of northern New Mexico. Each year, 15-20 campers who either have a congenital heart disease or are the recipient of a heart transplant travel to Angel Fire, New Mexico to stay in two gorgeous cabins. http://www.cavettkids.org/camp-heart/ or call 405.271.2271 x2
- Kamp Courage is a camp for children who have spina bifida, PKU, and kidney disabilities. Kamp Courage takes place northeast of Tulsa and gives each child the opportunity to meet others who share the problems of diet and fluid restriction and other aspects of these disabilities. http://www.cavettkids.org/kampcourage/
• **Leadership Camp** has a slightly different focus than the other camps. During Leadership Camp, campers learn how they can use their disease or illness as a positive tool in their lives. Communication and public speaking skills are emphasized because we feel that it is imperative that campers feel comfortable with sharing their amazing stories.  [http://www.cavettkids.org/camp-leadership/](http://www.cavettkids.org/camp-leadership/) or call 405.271.2271 x2

**Camp ClapHans** is a residential summer camp for children with disabilities in Norman. Along with 2 cabins, it has an activity center and an 11-acre lake. There are weekly sessions throughout the summer for children ages 8-16 with a disability. Applications are due March 11. The cost for camp is $325. You can see their catalog of events online: [http://jdmc.org/events.shtml](http://jdmc.org/events.shtml) or call Camp Director Paxton Stieber (405.307.2814 or email pstieber@jdmc.org).

**Camp DaKaNi** is a life-changing experience for all children. Camp DaKaNi is open to boys and girls (K-6) and teen and adult volunteers regardless of race, gender, creed, religion, national origin, disabilities, or economic status.  [http://www.campfireusa-ok.org/index.php?option=com_content&view=article&id=95&Itemid=211](http://www.campfireusa-ok.org/index.php?option=com_content&view=article&id=95&Itemid=211)

**Loving Hands Ranch** has camps for children and teens who have a hearing impairment. For more information, email lovinghandsranch@yahoo.com or visit our website [www.lovinghandsranch.com](http://www.lovinghandsranch.com).

**Camps Endres and Nohilo** are summer camps for children and teens with diabetes. Both camps offer fun activities such as swimming, horseback riding, archery, boating, hiking, fishing, climbing The Wall, and Capture the Flag to name a few.  [www.dsok.net](http://www.dsok.net)

**Make Promises Happen** is a year-round camping program dedicated to providing recreational experiences for children ages 6 and older with disabilities and who are at risk.  [http://www.centralchristiancamp.org/promises.html](http://www.centralchristiancamp.org/promises.html)

**The Oklahoma School for the Blind (OSB)** has a summer camp for students who attend public schools during the regular school year. OSB is the resource center for students who are blind or visually impaired in Oklahoma. This camp is offered at no cost to the parent. Specific instruction and activities will be based on the ages and needs of the students who are enrolled. Students will gain new experiences, learn and apply social skills, meet other students with visual impairments, and even practice their Braille and/or abacus skills. Phone the school at: 918-781-8200 or Toll Free 1-877-229-7136

**Oklahomans without Limitations** has free camps for individuals ages 8-18 who have a visual impairment. Contact 405.232.4644 or visit our website for more information.  [www.newviewoklahoma.org](http://www.newviewoklahoma.org)

**Camp Perfect Wings** is a camp for children and adults with disabilities. For more information, call 405.942.3800 ext. 463 or visit our website [http://www.bgco.org/ministries/special-needs](http://www.bgco.org/ministries/special-needs).
Camp Tumbleweed is a top quality summer day camp for teenagers and young adults with disabilities in the Oklahoma City area. The camp is located at the Dale Rogers Training Center, Inc.'s main campus in Oklahoma City and has an outside camp area nestled in the trees complete with teepee and a mock campfire! For an application or more information, contact John Goodwin at 405-946-4489 ext. 1504 or email camptumbleweed@drtc.org

OR

KidsCamps.org http://www.kidscamps.com/summer_camps/oklahoma-summer-camps.html

* Don’t forget to check out the Girl Scouts, Boy Scouts, Camp Fire, YWCA, YMCA, colleges, libraries, Boys & Girls Clubs, etc. for summer opportunities!

Become A Leader This Summer At YLF!

The Youth Leadership Forum (YLF) wants to help our young adults prepare for life after high school. At the YLF, students will spend five days on a college campus making friends, exploring career options, improving advocacy and leadership skills, meeting with State Legislators, creating a plan to reach their good life, and so much more!

This year’s YLF will be June 13-17. Applications are due March 1.

Check out our webpage http://www.okddc.ok.gov/youth_leadership_forum.html for more information as well as our video https://www.youtube.com/watch?v=2um_cX04EKE.

Call or email Jen for more information or for an application, 405.521.4964 or YLF@okddc.ok.gov.
ABLE Tech Transition Resources: AEM for Lifetime Reading

Some students have difficulty reading and accessing printed or electronic materials such as textbooks and supplementary resources, and may better comprehend digital text on a desktop, laptop or tablet computer and having the text read aloud with a computer voice.

BOOKSHARE provides accessible digital text to qualified individuals of all ages. Public school students receive these materials at no cost through school organizational memberships, and transitioning students with Bookshare individual memberships can continue their benefits for free after high school if they are enrolling in college or technical school. Students who don’t intend to pursue higher education can keep their individual membership going with a $50 annual fee.

Livescribe ECHO Smart Pen, $150 – Try it out from ABLE Tech: http://at.okstate.edu/detail.php?item_id=2361
The Livescribe Echo is a ballpoint pen and voice recorder combination that preserves digital copies of your notes and recordings, which can be replayed, saved to your computer, and shared with others. A computer in a pen.

Professional quality sound and high-level functionality are what distinguish the ICD-MX20 Memory Stick Pro Duo Digital Voice Recorder from competitors. Sony has designed a powerful, sleek recorder with a seamless aluminum body. The slim-style design is only one-half inch thick, with "record" and "pause" controls located on the side of the unit for easy operation. This tiny device fits neatly into a shirt pocket.

Notability App, $9.99 (apple only): http://gingerlabs.com/
Record lectures and synchronize with class PowerPoints and handouts. Share documents through Dropbox or other cloud storage. Sketch, write, type, record, and listen to lectures synchronized with your notes. Easy to use.

Evernote, Free: https://evernote.com/
Let Evernote change the way you organize your personal and professional projects. Dive in: take notes, create to-do lists, and save things you find online. Evernote automatically syncs with your phone, tablet, and computer.

StudyBlue, Free Trial: https://www.studyblue.com/notes/n/switches/deck/18589008
Did you run out of time to study before class? This app can help! Evernote’s StudyBlue transforms the study materials you’ve organized in Evernote into digital flashcards and practice quizzes.

Penultimate allows you to write notes conveniently on your tablet and supports any form of handwriting and even drawings. Ideal for keeping formulas for math, physics or chemistry-related subjects. Compatible with Evernote and can transform notes into PDF for further collaboration with your classmates.

Do you need help finding AT solutions for a transition-aged youth? Request an AT Consultation: https://www.ok.gov/abletech/Programs_for_Children_and_Youth/Assistive_Technology_&_Information_Services_Program/AT_Consultations.html OR call 800.257.1705 for assistance.
At Easter Seals Oklahoma, we believe our community is stronger when we build on the abilities of all of our neighbors. Founded in 1925, Easter Seals Oklahoma is a statewide organization serving children and adults with varying disabilities. Our mission is to enhance the quality of life for children and adults so they may live with equality, dignity, and independence. Since inception, we have carried out many programs benefiting thousands of people, all while focusing on the need in the community.

Easter Seals Oklahoma is located on the OU Health Science Center campus, 701 NE 13th Street, Oklahoma City, OK 73104.

For more information about the services or questions, call 405-239-2525 or visit www.eastersealsook.org.

The Office of Special Education and Rehabilitative Services (OSERS) recently published A Transition Guide to Postsecondary Education and Employment for Students and Youth with Disabilities. This guide was issued by OSERS, the Rehabilitation Services Administration, and the Office of Special Education Programs to advance their efforts in ensuring that all students and youth with disabilities are equipped with the skills and knowledge to be engaged in the 21st century workforce. Download the guide @ http://bit.ly/2j9tM4H

This transition guide addresses the following topics to facilitate a seamless transition from school to post-school activities:

- Transition planning: opportunities and programs;
- Transition services and requirements, as authorized by the Individuals with Disabilities Education Act and the Rehabilitation Act;
- Education and employment options for students and youth with disabilities after leaving secondary school; and
- Supporting decisions made by students and youth with disabilities.

If you have questions about transition services in Oklahoma, contact our office at 800-226-5883 V/TTY.
