MAIR Graduation Candidates--
If you plan to participate in the Convocation Graduation Ceremony in Norman at OU, please read!

MAIR students may participate in the College of International Studies Convocation Ceremony on Norman Campus. At Convocation, graduation candidates’ names are announced as they walk across the stage and are hooded by a faculty member.

**In order to participate in the ceremony, you must register with me** by March 20 for the spring (May) ceremony, or October 20 for the fall (December) ceremony. You must register with me (online registration is not sufficient) in order to participate, be included in the program, and receive tickets for your guests to attend. You may not participate or watch the ceremony without registering, as tickets are required to attend convocation, and seating is limited. If you will be a summer graduate, you are welcome to participate in the spring ceremony.

I will provide specific information about this semester’s ceremony and registration forms to you through your site director, or you may contact Jennifer or me starting February 15 for the spring ceremony or September 15 for the fall ceremony.

Graduates may also participate in the May University-wide Commencement Ceremony, held only in May. Commencement is a large, formal ceremony, but does not individually recognize graduates. For more information about the Commencement ceremony, please ask me when you register for Convocation.

If you are a dual degree student with Communication, Economics or Human Relations you are eligible to walk with both programs. You will need to check with your other program regarding the time of the College of Arts & Sciences convocation.

Please contact me if you have any questions or to register to participate. Thank you!
