MATERNAL & INFANT
HEALTH SOCIAL WORKERS

WE ARE HERE TO HELP YOU WITH YOUR PREGNANCY.

As OU Physicians Maternal Infant Health Social Workers, we have experience and training in working with pregnant patients and their families to deal with the stress and worry of everyday life.

Here's how we can help:

- ❖ Provide helpful support for your pregnancy
- ❖ Guide you in seeking financial assistance
- ❖ Help deal effectively with your stress and worries
- ❖ Have someone available for you to talk to
- ❖ Supply valuable parenting information
- ❖ Assist you with your transportation needs
- ❖ Make you aware of helpful community resources

Your insurance provider has made these services available for you at no cost to you.

Transportation is available through the SoonerRide program.

Two convenient locations are available to serve you.
