WHO PARTICIPATES?
Current fellows, residents, or students at OU-Tulsa or TU are welcome to submit abstracts to the forum.

GENERAL GUIDELINES
Limited to 400 words and must be submitted as a pdf at link.ou.edu/tulsaresearchforum by Friday, March 3, 2017, 5:00 CST.

The deadline is final and late submissions will not be accepted.

The committee will not edit or revise abstracts and incomplete submissions will not be considered.

POSTER CATEGORIES

BIOMEDICAL
Basic and clinical science in the broad field of biomedicine.

EDUCATION
Development or outcomes of novel curricula, innovative educational methods, broad education topics.

ENGINEERING AND APPLIED RESEARCH
Engineering or bioscience that is applied to a real-life setting.

SOCIAL/BEHAVIORAL AND COMMUNITY SERVICE

AUTHORSHIP

"Primary Author" is defined as the leading author of the abstract and is responsible for providing the required information for all authors.

A primary author may submit only one abstract; however, they may be an additional author on other abstracts. It is the responsibility of the primary author to ensure that all co-authors are aware of the contents of the abstract and the submission is their own work in collaboration with the other authors listed. Incomplete author information may cause the abstract to be rejected.

CONFLICT OF INTEREST DISCLOSURE

All authors and co-authors are required to disclose any financial or other significant commercial relationships that may have a direct or indirect interest in the subject matter of the presentation. This does not apply to non-profit health systems unless you are working for a commercial entity within the non-profit. A “Potential Conflict of Interest” declaration is a component of the submission process.
