This will open a new window with a blank 1098-T. Move your mouse to the bottom right of the form until you see these icons. Then click the Save icon:

Choose where you would like to save the file (i.e. Desktop). When it has finished downloading you will see this icon at the bottom left of the window:

Do not open the PDF by clicking on this icon. This will open the PDF in Chrome again, which doesn't populate the 1098-T fields. You must navigate to the file you saved on your computer and open it from there.

And your 1098-T will now be populated:
