LOAN DISBURSEMENT AND ENROLLMENT LEVEL INFORMATION

ATTENTION!

Your federal student loan disbursement(s) for the Fall 2017 semester are determined on the assumption you will be enrolled full-time (in at least 12 credit hours). You currently appear to be enrolled in fewer than 12 credit hours. As a result, your disbursement(s) cannot be released without you taking action as described below.

If you intend to enroll in at least 12 hours you do not need to do anything with this form. Once you increase your hours, your disbursement(s) will be released to you within 1-2 working days. The first day of disbursement for Fall 2017 is August 11.

If you intend to enroll in 6 – 11 hours your loan eligibility must be recalculated and possibly reduced before it can be released to you. You should complete the section below and return this form as soon as possible. Financial Aid Services will determine your loan eligibility based on your part-time enrollment, adjust the amount(s) if required and then authorize the disbursement to your bursar account.

Note: Other federal aid such as the Pell Grant is subject to adjustment as well for part-time enrollment. Also, enrollment in at least 6 credit hours is required for any federal loan to be released.
