Student Signature

Date

Disbursement for Tulsa students only enrolled in weekend, 8-week courses or courses that do not span the entire semester, usually will not occur until 10 days prior to the first course provided that Satisfactory Academic Progress (SAP) requirements have been met. The standard disbursement period applies to students enrolled in a 16 week course provided SAP requirements are met.

Failure to maintain Satisfactory Academic Progress will cause you to be suspended from financial aid. Academic Progress Standards are strictly enforced and apply equally to traditional and non-traditional students. If you have any questions regarding your program, please contact our office.

Cancellation of any enrollments after aid has been disbursed will impact your financial aid eligibility and may cause a repayment of all or part of your disbursement. Please enroll in courses before the add/drop date. Financial aid will usually not cover 16 week courses enrolled after the add/drop date.
