

2023-2024 ENGAGE CALENDAR

WEITZENHOFFER FAMILY
COLLEGE OF FINE ARTS

CELEBRATING
100
YEARS

1924 - 2024

WELCOME TO YOUR WEITZENHOFFER FAMILY COLLEGE OF FINE ARTS' ENGAGE CALENDAR FOR THE 2023-2024 ACADEMIC YEAR!

Even a quick glance will prove that the calendar is bursting with a wealth of activities, arts events, and special occasions ready to engage you for the coming academic year. You will find over 400 of them sure to delight, entertain, intrigue, and enliven your experience in the College of Fine Arts and the central Oklahoma community.

While every new academic year brings exciting opportunities to enjoy drama, dance, music, the visual arts, and musical theatre, each experience is unique for its creativity and interpretation. Just as no two performances or exhibitions are the same, no two seasons are the same in the emotions and reactions they evoke. "Surprise" rather than "routine" is the constant once you enter the exhibition, performance, or concert hall even as we approach the centennial year of the Weitzenhoffer Family College of Fine Arts—or perhaps especially as we approach that fabulous anniversary and technology meets tradition, enhancing the many ways the arts are presented and experienced!

We hope you will take a few minutes to pore over this calendar, marking some of your favorite events and adding others, ordering tickets, and inviting friends to join you in joining us. Be Swept Away to new experiences, adventures, and discoveries, many of which are the result of 100 years of the fine arts at OU. Those 100 years are now enriched by new eyes, imaginations, experiments, and sensibilities.

Be our guest as our centennial is about to begin and we celebrate music, the visual arts, dance, musical theatre, and drama. We are waiting to welcome you and thank you for sharing the myriad experiences of the 2023-2024 season with us!

With all best wishes,

Professor Mary Margaret Holt
Dean, Weitzenhoffer Family College of Fine Arts
Nichols' Chair, Regents' Professor, and Presidential Professor

AN INVITATION TO SUPPORT THE ARTS

As we welcome yet another exciting season, I am thrilled to have you experience what I know will be a riveting season of dazzling theater, beautiful dance, harmonious music, and thoughtful art.

A major part of our performance experience includes you. Our donors, patrons, and community supporters are an integral part of what makes the Weitzenhoffer Family College of Fine Arts so excellent. As we welcome you throughout the year, I encourage you to take a moment to explore the many artistic experiences we take pleasure in offering you. Our students' thoughtful approaches to creativity and innovation are now more exciting and technical than ever and I encourage you to partake in those experiences frequently and fully. Being a season subscriber, a member of our Dean's Circle, or various other engaging support guilds directly contributes to continuing these unique theater experiences for our students and audiences alike.

Your dedication and support allow us to continue the excellence in fine arts you have come to know at our university. I look forward to seeing you soon and have no doubt that you will be amazed by the continued talents of our fantastic students. We are humbled by the care and love you show from your seat or the gallery halls, and I am so incredibly excited for you to see what your unwavering support allows us to accomplish.

With gratitude,

David Barocio

Senior Director of Development
University of Oklahoma Foundation

"Clocktower"
 March 2023
 85" x 27.5" x 12" (H x W x D)
 Materials: ceramics, latex paint, pigment,
 metal, wood, cement, epoxy, plastic

ABOUT THE ARTIST:

CJ Carter discovered clay after obtaining a 3D Digital Graphics BFA in 2011 at the Rochester Institute of Technology and is currently pursuing a studio arts MFA at the University of Oklahoma. Their work can be found across the United States and internationally, most recently at the Fred Jones Jr. Museum of Art, DAAP Gallery at the University of Cincinnati, and the San Angelo Museum of Fine Arts. Among other awards, they have most notably received the annual Graduate Fellowship award from the National Council on the Education of Ceramics and the University of Oklahoma's Robberson & Wethington Research Scholarship.

With a focus on figurative sculpture, CJ explores genders outside the binary using the metaphor of architecture and nature. As a continued analysis of gender, CJ wants their viewers to reconsider societal expectations of both power and beauty. If viewers see strength that is simultaneously masculine and feminine, impressive yet relatable, delicate yet enduring, then CJ will have been successful.

Nerdy, queer, and a genuine Pacific Northwesterner, when CJ isn't sculpting, they also enjoy teaching, exercise, complex board games, and spending time outdoors. They are a personal trainer and group fitness coach, and prior to graduate school, taught continuing education ceramics classes at North Seattle Community College.
