

The responsibility for meeting all graduation requirements lies with the student.

HOW DO I ENROLL?

Students in the Weitzenhoffer Family College of Fine Arts are required to meet with a faculty advisor each semester on the school's designated **Advising Day(s)**. These days are announced in class and are posted in the various buildings before enrollment begins. In addition, the information is emailed to each student's OU email address in the monthly college eNewsletter, **Artifacts**, and in an individual message.

Currently enrolled fine arts majors (with grades in 24 or more hours and 2.5 combined retention gpa/ 2.75 combined retention gpa for Bachelor of Music Education majors) should proceed to their assigned faculty advisor for advisement. Students with less than 24 earned hours should be advised in University College, Wagner Hall, Rm 100, 325-3521.

Things to do before you are advised:

- ◆ Review your Degree Sheet and the suggested semester by semester plan of study on the back of the sheet.
- ◆ Develop a list of the classes you wish to take by checking the class schedule at ozone.ou.edu.

During the Advising Session:

- ◆ Bring your Graduation Planner notebook with copies of previous advising forms inside for reference.
- ◆ Talk with your advisor about your plans and schedule for the next semester, plus any issues or concerns.
- ◆ Your faculty advisor will complete an advising form with recommended classes. Some faculty advisors will enter Course Overrides (special permissions) that allow you to enroll in major only classes.
- ◆ The faculty advisor will give you the white copy of the advising form. (You need to make sure the yellow copy of the form goes to the Fine Arts Dean's Office in Fred Jones Center, Suite 122, so your advising flag can be removed).

After the Advising Session:

- ◆ Log onto ozone.ou.edu to see if you have any enrollment stops. These stops can be from several different offices; Bursar Stops, Admissions Stops, Student Affairs, etc. You must clear up any stops before you can enroll.
- ◆ Enroll in your courses when your window opens. Faculty and staff do not enroll you in classes, they only enter Course Overrides.
- ◆ *Not enrolling in courses in which you have been advised can possibly delay sequential course enrollment and graduation.*
- ◆ Call the Academic Counselors in the Fine Arts Dean's Office if you have questions.

TRANSFER STUDENTS

ENROLLMENT TIPS

- ◆ Be familiar with your degree sheet, especially the fine print.
- ◆ All students must complete 1 upper division (3-4000 level) general education course outside their major.
- ◆ Use “Attribute Type” in the Ozone Class Schedule Search to find general education approved classes.
- ◆ ClassNav is another class scheduling tool to assist in finding courses and general education approved classes. classnav.ou.edu
- ◆ Take at least one general education course each semester until they are completed.
- ◆ Keep track of all your advising forms and information in your Graduation Planner.

You must be advised for intercession, fall, spring, and summer semesters.

Why do I have a Faculty Advisor & an Academic Counselor?

Faculty Advisor: You *must* be advised by your faculty advisor each semester. Your faculty advisor monitors your degree progress and makes enrollment recommendations.

Academic Counselor: You *must* meet with your Academic Counselor the semester before you plan to graduate.

Your Academic Counselor will assist in answering questions about transfer work, general education courses, and *is responsible for clearing you for graduation...so it's a good idea for you to touch base with them when you have ANY questions.*
