Dear Weitzenhoffer Family College of Fine Arts Students,

As this semester draws to a close, I’d like to take this opportunity to say how much I have enjoyed being your Dean the past few months. It has been an amazing pleasure to see your work on the theatrical, dance and concert stage as well as in exhibits in various venues and special events. Some of you have introduced yourselves, while I have worked with others from across the college in the Dean’s Student Advisory Council.

You are an impressive group of students. You are curious, passionate, and committed to developing your emerging skills as artists, researchers, technicians, designers and future educators. Observing your growth is inspiring on a daily basis. The world we share in the arts is one of seemingly endless possibilities, joy, challenge, and beauty.

Those who are graduating this spring will move toward new adventures, secure in the knowledge that you met the challenges of your degree programs and are ready to meet the challenges that lie ahead, enriched by your years at the University of Oklahoma in the Weitzenhoffer Family College of Fine Arts. Always remember we believe in you and look forward to hearing from you in the months and years ahead.

To those of you who are continuing in your degree programs, you have our renewed commitment to your very best possible artistic and intellectual experience. We wish each one of you success as you complete this semester, move forward and continue to create your future. You have our best wishes and support, always.
