OU School of Visual Arts

All art students are initially admitted to the Bachelor of Arts in Art degree program to complete Art CORE classes.

Students seeking admission to the Bachelor of Fine Arts in Visual Communication and Bachelor of Fine Arts in Art (Art, Technology and Culture program) will apply during the spring semester of their freshman year, while completing their second semester of CORE classes.

Students seeking admission to the Bachelor of Fine Arts in Art (Studio Art program) will apply during the spring semester of their sophomore year, after they have completed the CORE classes and twelve hours of beginning/introductory level art classes.

Students may also choose to continue with the Bachelor of Arts in Art degree program without further application.

Students seeking a Bachelor of Arts in Art History degree are admitted directly to that degree program. They are not required to complete the Art Core classes or the application process.

Academic Probation

Students who do not meet the minimum GPA (OU retention and combined retention) required by the College of Fine Arts may be admitted under an Academic Performance/Probation Contract. Students who do not fulfill the requirements of their Academic Performance/Probation Contract will be dismissed from the College of Fine Arts. Students who have been dismissed from the College of Fine Arts are not allowed to enroll in Fine Arts classes designed and/or designated for majors only.
Artifacts – College of Fine Arts Academic Newsletter

The Academic Counselors in the Fine Arts Dean’s Office maintain a course in Canvas titled “Artifacts: College of Fine Arts Academic News.” This pseudo course contains information regarding upcoming dates/deadline, policies, procedures, scholarships/award opportunities, and events. This is the primary way information will be distributed to students. Students must accept their invitation in Canvas to view Artifacts. A course invitation is distributed to students via OU Email.

Weitzenhoffer Family College of Fine Arts Orientation

Undergraduate fine art students are required to complete an online orientation session after they have earned 24 hours and are in their first semester in the College of Fine Arts. The session covers college policies and procedures, the advisement and enrollment process within the college, and graduation issues. Instructions for completing the online new student orientation are sent to students via OU email.

Student Advisement

Although there are several offices on campus to help you understand your degree requirements, the ultimate responsibility is yours! Make sure you are familiar with your degree checksheet and all of its requirements. [http://checksheets.ou.edu](http://checksheets.ou.edu)

Degree Navigator ([http://degree.ou.edu](http://degree.ou.edu)) is an online program that allows students to access their degree progress online, 24 hours a day. The program shows students what requirements they have completed and what requirements remain.

University College ([http://uc.ou.edu](http://uc.ou.edu))
All freshmen Fine Arts students with fewer than 24 hours of college credit are advised in University College located in Wagner Hall, Rm. 100, 405-325-3521. Appointments can be scheduled online at [http://iadvise.ou.edu](http://iadvise.ou.edu). University College will remove the student’s advising hold during freshman year.

OU Scholars Program ([http://www.ou.edu/scholars.html](http://www.ou.edu/scholars.html))
Students in the OU Scholars Program need to be advised by the Scholars office. The Scholars office will remove the student’s advising flag. The OU Scholars Program is located in Cate 1, Rm 125. Appointments can be scheduled online at [http://iadvise.ou.edu](http://iadvise.ou.edu).
WEITZENHOFFER FAMILY COLLEGE OF FINE ARTS ADVISING DAY(S)
Once students have earned 24 hours of college credit their records are automatically forwarded to the college of their major. Students in the Weitzenhoffer Family College of Fine Arts are required to meet with a faculty advisor each semester on the school's designated Advising Day(s). These days are announced in class and are posted in the various buildings. In addition, the information is emailed to each student’s OU email address and posted on the Artifacts page in Canvas. School of Music majors must meet with Alyssa Lewis for advisement. Music majors may schedule an appointment with Ms. Lewis anytime during the semester at http://iadvise.ou.edu.

Currently enrolled Fine Arts students should proceed to their assigned faculty advisor for advisement on the designated advising day(s). School of Music majors will meet with Alyssa Lewis.

Newly admitted students declaring a major in Dance, Drama, Music, or MTHR must audition or submit a portfolio and be accepted into a specific degree plan prior to advisement and enrollment.

Newly admitted transfer students and readmitted students should proceed to individual school offices to be assigned to a faculty advisor. School of Music majors must meet with Alyssa Lewis.

At the Advising Session:
• Students should come prepared with a proposed schedule and a degree plan for graduation to discuss with their faculty advisor.
• The faculty advisor should complete an advising form with a preferred list of classes for enrollment and some alternative classes in case of schedule conflicts or closures.
• The faculty advisor, or the School office, should provide “overrides/permissions” appropriate for enrollment.
• The faculty advisor will give the student a white and a yellow copy of the advisement form.
• Although college and faculty advisors are available to help students plan their programs of study, the individual student has a responsibility to know the degree requirements for their declared major and the college policies which impact their degree and graduation as listed in the university catalog.

Enrollment:
• After advisement, the student must take the advisement form to the Fine Arts Dean’s Office (Fred Jones Center, Suite 122).
• The Dean’s Office receptionist will keep the yellow copy of the advisement form and remove the student’s electronic advising flag in ONE. Students with a college stop will receive further instructions which must be resolved before they can enroll.
• Students may have other types of registration holds/stops that will keep them from being able to enroll (Bursar, Admissions, Student Affairs, Student Conduct, Legal Counsel, Registrar, etc.). The student must contact the appropriate office and resolve those issues before enrollment can take place.
• Students may then proceed to enroll for the semester through the online web enrollment system at one.ou.edu. Instructions for enrolling online are available on the website.
• Use “Advanced Search” -> “Attribute” -> scroll down to General Education Categories to find General Education course options.
Students can also search for classes at http://classnav.ou.edu. Although students cannot enroll through this website, some find it more user friendly when searching for courses – especially general education approved courses.

**Changing Degrees, Majors, or Minors**

**MAJOR OR DEGREE CHANGE WITHIN THE WEITZENHOFFER FAMILY COLLEGE OF FINE ARTS**

Students who have been accepted into a new major/degree plan within the College of Fine Arts and wish to change their major or degree must go to the Fine Arts Dean’s office (Fred Jones Center, Suite 122) and complete the appropriate form. The student will then be instructed as to whom they should see for advising for the new major/degree.

**CHANGE OF COLLEGE**

Students wishing to change colleges should go to the college that houses the degree they would like to be admitted to and complete a Change of College request form. Once admitted to the new college, the student’s records will be requested from the previous college.

**MINORS**

Students wishing to declare a minor must go to the advising office of the college in which the minor is housed and complete the appropriate form. The college that houses the minor will then enter the minor into the student record system. The Weitzenhoffer Family College of Fine Arts offers minors in Art, Art History, Dance History, and Music.

**Flat Rate Tuition**

“In an effort to save students money throughout their OU career, a flat rate program for full-time undergraduates was implemented in fall 2013. The rate is based on OU’s current 15-credit hour rate of tuition and hourly mandatory fees. Students registered in fewer than 12 hours will continue to pay on a per credit hour basis.”

For more details and FAQs visit www.ou.edu/bursar/flat-rate-tuition.html (Retrieved 5/31/17)

**Parental Access to Student Academic Records**

Parents of a dependent student may have access to grades and other confidential academic information under the guidelines provided in the Family Educational Rights and Privacy Act (https://www.ou.edu/content/provost/ferpa.html) of 1974, also known as the Buckley Amendment. Access to this information is limited to parents who claim their student as an exemption on their federal income tax return. Requests for specific grade or other academic information can be addressed to the Office of Academic Records: (http://www.ou.edu/content/recordsandtranscripts/release_of_information.html).

Each request must include a copy of the top portion of the parents’ most recent tax return, showing the student’s name and social security number listed as a dependent. Academic information can also be obtained by providing the Office of Academic Records with written consent of the student. If you have any questions concerning this policy, please contact the Office of Academic Records at the above address or by calling 405-325-4147.
**Math Policy:**
The Weitzenhoffer Family College of Fine Arts requires that all declared fine arts students complete their college level math course within the first four semesters of enrollment at OU. Transfer students or newly declared fine arts majors who have not completed their college level math requirement will have two semesters in which to complete the requirement. Students who fail to meet this requirement will be restricted from upper division fine arts courses except by permission of their Director and the Dean.

**Math Deficient from High School:**
Students who are math deficient from high school must, by State Regents policy, be enrolled in a developmental math course every semester until the deficiency has been remediated. Successful completion of DMAT 0123 will remove the deficiency. The student must still complete a college level math course after DMAT 0123.

**Advisement:**
If a student has not completed the math placement exam, “Math-determined by placement exam” should be listed on the advisement form.

**Math Placement Assessment:**
To enroll in math at OU, students must first take the math placement assessment. At OU, students thrive in a math course that is challenging, but not beyond a student's current abilities. The Math Placement Assessment (ALEKS) helps OU students find the correct math placement, which gives them the greatest chance of success. Students can improve their math placement by completing the learning modules after the assessment. The Assessment Center will give the student override permissions for the highest level of math the student can place into, as well everything below it. This means the student does not need to take MATH 1523 (Elementary Functions) or MATH 1823 (Calculus and Analytical Geometry I) if that is where they place. The student should be told to consult with their academic advisor to discuss the math course requirement(s) for their degree.

**Math Placement Assessment Continued**
- Students have three attempts to take the assessment.
- At the end of the assessment, the student will receive their score as well as a detailed description of their math strengths and areas to improve within the ALEKS learning module.
- If you decide to retest, you must study in the learning module for at least five hours before re-assessing.
- All placement test results will expire 12 months from the day the student takes the first attempt.
- More information and FAQs can be found at the Assessment Center website: [http://www.ou.edu/univcoll/newssooner/enrollment-requirements/ALEKS.html](http://www.ou.edu/univcoll/newssooner/enrollment-requirements/ALEKS.html).
- Students who need only one college level math course generally select one of the following courses, but can take a higher level course if they so choose:
  - MATH 1473 Math for Critical Thinking
  - PHIL 1113 Intro to Logic
  - PSY 2003 Understanding Statistics

**Assessment Center** - 270 Wagner Hall, 325-4336
**CORRESPONDENCE COURSE POLICY:**
Undergraduate Weitzenhoffer Family College of Fine Arts students within their last 30 hours are prohibited from enrolling in correspondence courses to satisfy degree requirements for their respective degrees.

Note: Students may petition their School for a waiver with regard to this policy. The waiver must be approved by both the Director and the Dean’s Office.

**RESIDENCY POLICY:**
Residency is defined as coursework taken through any University of Oklahoma campus, excluding correspondence courses.

- Candidates for an undergraduate degree must complete a minimum of 30 hours in residence at the University of Oklahoma and in the Weitzenhoffer Family College of Fine Arts.
- At least 24 hours of upper division major credit applied toward the degree must be earned in residence as a declared BA in Art, Dance, Drama, Music (15 hrs for BA in Music), Musical Theatre, or Art History major.
- A minimum of 30 hours of upper division major credit applied toward the degree must be earned in residence as a declared Studio Art major.
- A student must be listed as a Weitzenhoffer Family College of Fine Arts student at the time of graduation.
- Capstone courses must be taken in residence.

**REPEAT POLICY:**
“Undergraduate students may repeat up to four courses or 18 hours (whichever comes first) in which the original grade was a “D” or “F”. Only the second grade will be included in the calculation of the retention/graduation grade point average. The original grade will still appear on the student’s permanent records, but will not be calculated into the student’s retention/graduation grade point average or total hours earned.”

To file for Repeat Policy visit with one of the Academic Counselors in the Fine Arts Dean’s Office, Fred Jones Center 122. Music majors should contact Alyssa Lewis in the School of Music Office.

**ACADEMIC REPRIEVE:**
“The Reprieve Policy allows students to request that one or two semesters’ grades be excluded from the calculation of the combined retention/graduation grade point average. Grades from courses taken during the reprieved term(s) will remain on the student’s permanent record, but will only be calculated into the student’s cumulative grade point average.

A student may request an academic reprieve if the following criteria are met:

- The student must be currently enrolled as an undergraduate on the Norman campus;
- at least three years must have elapsed between the period in which the grades being requested to be reprieved were earned and the reprieve request; and
- prior to requesting the reprieve, the student must have earned at least a 2.00 grade point average with no grade lower than C in all regularly graded coursework (minimum of 12 semester credit hours), excluding activity and performance courses. This coursework may be completed at any accredited higher education institution.

The request must be for one semester/term or two consecutive semesters/terms. If the reprieve is awarded, all grades and hours during the enrollment period are excluded from the retention/graduation grade point average. Coursework with a passing grade included in a reprieved
semester may be used to demonstrate competency in the subject matter. However, the coursework may not be used to fulfill credit hour requirements. If the student’s request is for two consecutive semesters/terms, the institution may choose to reprieve only one semester.

The student may not receive more than one academic reprieve during his/her academic career. The student will not be eligible to receive a reprieve if a previous request was denied at the University of Oklahoma.”

The request form is available in Academic Records (Buchanan Hall, 230). Students should contact their college concerning the process for requesting a reprieve.
