Financial aid is available to self-supporting students who qualify. To apply for aid, you must complete the Free Application for Federal Student Aid (FAFSA), found at fafsa.gov. The EMBA in Energy program spans two academic years. Please be sure to submit a FAFSA for each academic year. Retroactive financial aid packaging is not possible, please submit FAFSAs in a timely manner.

Qualified applicants are eligible to receive two types of federal loans, 1) Unsubsidized Stafford loan and 2) Grad Plus loan (each loan type has a separate application). An awarded recipient must accept the Unsubsidized Student Loan Eligibility before a Grad PLUS loan can be processed.

*Requires completed FAFSA available at fafsa.gov.

**Requires completed FAFSA along with a separate loan application and credit check at studentloans.gov.

PLEASE NOTE: These loans are federally regulated and NOT the same as bank or private lender loans.

When you receive scholarship funding of any type, your Grad Plus Eligibility will decrease by that dollar amount. When a scholarship is more than Grad PLUS, the difference will be deducted from your Unsubsidized Stafford Eligibility.

For guidance, please contact Kevin Esadooah, EMBA liaison for Financial Aid Services. Call (405) 325-4618 or email kesadooah@ou.edu.
