

Recycling Tips

Accepted Materials by Location

indoor recycling units and desk-side recycling containers

- aluminum cans
- plastic #1 through #7
- all paper, including old files
- phonebooks (small quantities)

outdoor bins with blue, dual purpose lids

- aluminum cans
- plastic #1 through #7

If you would like additional containers for your office or department, we provide them at no cost to E&G buildings, as available.

E-mail recycling@ou.edu to coordinate.

Our Process For Materials

All recycled materials are taken to the University's recycling compound where the materials are then hand sorted by type. All paper, except for newspaper, goes through our high-powered shredder immediately to ensure your privacy.

Physical Plant
ou.edu/physicalplant

To coordinate recycling for large quantities of phonebooks, textbooks, old files and or metal, please e-mail recycling@ou.edu. For cardboard and battery recycling, please use the special recycling containers located in various locations across campus. Details available at ou.edu/physicalplant or by e-mailing recycling@ou.edu.
