AGENDA ITEM A

ISSUE: EXECUTIVE SESSION

ACTION PROPOSED:

Pursuant to the Oklahoma Open Meetings Act, the Board of Regents may enter into Executive Session under 25 O.S. § 307(B)(1) and (4) on the following matters, respectively:

- Periodic review of Presidents.
- University interaction with affiliated hospitals, as recommended by the General Counsel to the Board of Regents.
Agenda Items for ROGERS STATE UNIVERSITY
AGENDA ITEM 1

ISSUE: ROGERS STATE UNIVERSITY TELEVISION STATION FCC REPACKING – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents:

I. Approve proceeding with FCC repacking project;

II. Authorize President Rice or his designee to bid and execute contracts not to exceed a maximum project cost of $1,250,000;

III. Recognize and acknowledge that the University will fund the costs of the repacking project from its own funds prior to reimbursement from the FCC, and to the extent the University has expenditures over and above the approved FCC repacking funding, the University will utilize its own funds for said purposes; and

IV. Report back to the Board of Regents the action taken under the authority granted by the Board of Regents.

BACKGROUND AND/OR RATIONALE:

Rogers State University participated in the Federal Communication Commission (FCC) public incentive auction to sell the Rogers State University Television Station channel. The station’s channel was not purchased during the various stages of the incentive auction. In April 2017, the television station was notified by the FCC the station had been reassigned a new channel in the repacking process associated with the broadcast television spectrum incentive auction. The congressionally-mandated auction involves a repacking or reorganization of the television bands nationwide. As a result of RSU television station’s reassigned new post-auction channel, RSU television station is required to change its transmitter and antenna in order to accommodate the new assigned channel.

The RSU television station was instructed by the FCC on April 13, 2017 to immediately begin the process of applying for a construction permit for its post-auction facility and to develop an estimated construction cost. Both the construction permit and estimated construction cost had to be filed by July 12, 2017. The television station immediately began the process and complied with the filing deadline of July 12, 2017.

The institution developed an estimate of cost of $1,210,944 using the FCC detailed worksheet and their guidelines to arrive at an estimated cost. We are awaiting approval of the institution’s estimate or the amount the FCC will allow for the repacking. We expect to know the amount the FCC approved later this fall. The cost includes independent engineers’ studies, purchasing a new antenna and transmitter, removing the old equipment and installation of the new equipment. The transition phase established by the FCC to complete the change of the channel began on April 13, 2017 with a 39-month post auction period ending on July 13, 2020.

In addition to the FCC project cost, the television station recommended an upgrade when the new antenna is purchased with vertical polarization for approximately $35,000 which will allow migration to the next over the air broadcast standard (ATSC 3.0). ATSC 3.0 is the
next generation of over the air technology and will be the new over the air broadcast standard within five years. Broadcasters currently broadcast on ATSC 1.0 which has been the standard since TV moved to the digital age in 2005. This new technology will allow:

1. Broadcasters to broadcast 4K resolution;
2. TV’s to be internet connected, allowing for interactive viewing and a better end user experience;
3. Increased signal strength, allowing for deeper signal penetration into buildings; and
4. Support for mobile TV and 3D TV.

A potential savings of $350,000 is possible if the vertical polarization is purchased at the same time the new antenna is purchased.

The project will consist of various vendors and bids to purchase the antenna, transmitter, materials, inspections, installation and testing. The institution will pay the invoices and file for reimbursement from the FCC up to the approved funding. Items outside the scope of the repacking such as the upgrade to a vertical polarized antenna will be funded by University funds.
AGENDA ITEM 2

ISSUE: HEALTH RELATED EMPLOYMENT BENEFITS – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents approve the Rogers State University Health Related Employment Benefits for calendar year 2018 and authorize the President or his designee to secure and execute the necessary documents for health, dental, and vision insurance, COBRA administration, retiree premium billing, collection and remittance contracts, and other services for current and retired employees.

BACKGROUND AND/OR RATIONALE:

In response to the continued increase in the cost of providing health insurance benefits to employees and employees’ concerns about the cost of dependent health insurance premiums, Rogers State University seeks Board of Regents approval to secure health, dental and vision insurance, COBRA administration, retiree premium billing, collection and remittance contracts and other services through University of Oklahoma contracts.

The University of Oklahoma has negotiated rates for calendar year 2018 and is presenting those rates for approval. Pending final authorization, Rogers State University employees and retirees will be included as participants in the University of Oklahoma’s 2018 insurance plans and services.

Rogers State University’s current health insurance provider, Employee Group Insurance Division of the state of Oklahoma (EGID), recently announced calendar year 2018 premiums. As a result, Rogers State University’s cost would increase by 4.2%, or about $86,000 more in 2018 as compared to 2017. Respectively, the 2017 and 2018 rates are $571.04 and $594.90.

Alternatively, Rogers State University’s monthly premium cost through the University of Oklahoma would be $545.14, a decrease of 4.5%, as compared to the 2017 rate. The estimated savings from this decrease will be approximately $180,000 for calendar year 2018.

Rogers State University incurs no cost for health insurance for an employee’s spouse or dependents or for dental and vision insurance, as these are optional plans paid by the employee. Rogers State University also has no financial obligation for Medicare eligible retired employees’ health insurance.

Following Rogers State’s administrative review and analysis of these options, including input from the RSU President’s Budget Advisory Committee, President Rice’s recommendation is based upon the following:

Health Insurance: Both the University and the employees will pay lower premiums under the University of Oklahoma contracts. It is estimated Rogers State will pay approximately $180,000 less in calendar year 2018 under the University of Oklahoma contracts than with EGID. In most areas, the insurance coverage is comparable. Most employees will have comparable if not favorable coverage, with lower premiums, lower out-of-pocket maximums and lower deductibles.
Vision and Dental Insurance: Employees will have fewer provider choices under the University of Oklahoma contracts however, most employees who currently elect vision and/or dental insurance select the same providers as offered under the University of Oklahoma contracts.

COBRA administration and retiree premium billing, collection and remittance services: Will be managed internally by University staff, through the University of Oklahoma contracts, and through the Oklahoma Teachers’ Retirement System.
AGENDA ITEM 3

ISSUE: STAFF ADVISORY COUNCIL POLICY REVISION – RSU

ACTION PROPOSED:

President Rice recommends that the Board of Regents adopt the revised Rogers State University Staff Advisory Council Policy.

BACKGROUND AND/OR RATIONALE:

The Staff Advisory Council Policy was approved by the Board of Regents at the May 2013 meeting. The Council represents administrative, professional, classified and part-time employees of the University, communicate with staff and administration, share staff concerns, recommend changes to University practices and policies, and provide support to the University. The Council participates in an advisory and referral capacity to the President of the University in such University policy matters which directly affect the staff employees.

After operating under the current Staff Advisory Council Policy for several years, the Council suggested several revisions to the Policy. After discussions with members and officers of the Council, recommended changes have been incorporated into the attached Policy. The revised Policy has been endorsed by the members of the current council. The Policy was presented to the President’s cabinet and the cabinet recommended approval of the changes.

President Rice recommends the Board of Regents approved the attached revised Policy. The Rogers State University’s revised Staff Advisory Council Policy has been reviewed by legal counsel.

Mission

1.0 Whereas Rogers State University is an institution with a clear mission and solid core values, and at the heart of its educational mission is its students. Faculty, administrative and professional staff, and classified staff have the responsibility for the quality of education and services students receive;

Whereas the staff of Rogers State University has a sincere interest in and highest regard for the continuing goals, purposes, and functions of the university and seeks active representation and involvement in the affairs of the university;

Whereas a long-standing dedication to shared governance inspires all of the University’s decisions and is specifically mentioned in its planning documents, emphasizing teamwork, facilitating open and effective communication, and providing opportunities for active participation by all constituencies;

Hereby is created the Staff Advisory Council of Rogers State University, whose charge is to represent the administrative, professional, classified, and permanent part-time staff of the University and to submit University policy recommendations, communicate and share staff concerns, recommend changes to University practices, and provide administrative support to the University until such a time as the Council dissolves itself or the Constitution is revoked by the Board of Regents; or by the President.

Here follows the Constitution of the Staff Advisory Council.

Constitution

2.0 Function and Responsibility

The Rogers State University Staff Advisory Council is organized for the following functions:

- To serve as an advisory representative body for staff employees of the University.

- 2.2 To participate in an advisory and referral capacity to the President of the University in such university policy matters which directly affect the staff employees.

- 2.3 To cooperate with and to assist other constituencies within the University community in the attainment of the University’s general mission and stated goals.

- 2.4 To function for the welfare of the University and its Staff.

3.0 Composition - Article I: Membership

3.1 The Rogers State University Staff Advisory Council shall consist of representatives to be elected from the classified and administrative/professional staff of Rogers State University but excluding the President of the University, the Vice-Presidents of the University, members of the President’s Executive Committee, members of the faculty, and student employees.
The Staff Advisory Council shall consist of no less than 24 members and no more than 34 members any given year. Members will have equal voting power. The membership shall reflect, as much as possible, the full diversity of the staff. This diversity is defined by, but not limited to, distinctions of campus location, job classification, or functional area. The exact number of members from each EEO five classification shall be determined once per year with up-to-date statistics about the number of employees in each classification. The classifications are as follows:

- Administrative Support
- General Professional
- Management
- Service Occupations
- Technical and Skilled

There shall be one (1) member appointed by the Provost/Associate Vice President of the Rogers State University Bartlesville campus to serve as a representative of that campus’s staff. This representative shall be appointed annually and will have full voting power in the Council.

There shall be one (1) member appointed by the Director of the Rogers State University Pryor campus to serve as a representative of that campus’s staff. This representative shall be appointed annually and will have full voting power in the Council.

The Rogers State University Staff Advisory Council neither supplants nor supersedes any duly-constituted organization or any approved policy or procedure currently in effect, and there shall be nothing contained or implied in this Constitution that shall infringe on the rights and privileges of an individual employee, nor shall it deny any employee the pursuit of individual action that such employee may deem to be necessary for his or her personal welfare.

Classified, Administrative, and Professional representation on the Council shall conform to the composition criteria of this document. Changes in the apportionment numbers may be accomplished by attrition at the end of the term for which a member was elected.

Members voted into the Council shall be current Rogers State University employees who have been employed by the University on a permanent basis (50% or more) and shall have been employed by the University for at least one year in order to be eligible for election. Members shall be elected by classification, by the greatest number of the total votes cast.

The term of office for Council members shall be staggered and shall be for three (3) year terms. Staggering may be accomplished by electing members to new positions for one (1) or two (2) years. Members shall serve no more than two (2) consecutive terms of office. Members of the Council whose employment is terminated or otherwise leave the University shall be removed and a vacancy declared. Those who change employment status which affects membership classification shall retain their Council seat only until the next regular election if the change was an elective decision made by the member.
The Executive Vice-President for Administration and Finance will be an *ex-officio* advisor to the Staff Council, who will attend meetings but does not have voting power and does not sit on the Council.

There shall be no alternates for members of the Council. Whenever a vacancy occurs, the Chairperson of the Council shall request from the Council’s officers a list of names of persons to be placed in nomination to fill the vacancy for the specific classification group. After the names of the persons to be placed in nomination are received by the Chairperson, a new person will be appointed from that list to the vacant position on the Council by the Chairperson, subject to majority approval of the full Council membership. Under no circumstance may a member be appointed to serve an unexpired term on the Council unless that newly appointed member is from the same membership group from which the vacancy occurred.

Any member of the Council who is absent for four (4) regular meetings of the Council during a Council year (September through April) may have his or her seat on the Council declared vacant by the Chairperson of the Council. The council member so affected may be reinstated to his or her vacant seat by submitting a written request for reinstatement to Council, but such a request must be sustained by a three-fourths (3/4) vote of approval of the full Council at the next regularly scheduled Council meeting. If the affected Council member does not request reinstatement, the vacant seat will be filled in accordance with this Article.

### 4.0 Article II: Name

4.1 The name of the organization shall be the ROGERS STATE UNIVERSITY STAFF ADVISORY COUNCIL, sometimes hereinafter referred to as the Council.

### 5.0 Article III: Bylaws

5.1 The Staff Advisory Council shall prepare bylaws for the conduct of its business for approval by the President. If a disagreement arises between this Constitution and the Council By-laws, the Constitution will be the controlling instrument.

### 6.0 Article III: Membership

6.1 Classified, Administrative, and Professional representation on the Council shall conform to the composition criteria of this document. Changes in the apportionment numbers may be accomplished by attrition at the end of the term for which a member was elected.

6.2 Members voted into the Council shall be current Rogers State employees who have been employed by the University on a permanent basis (50% or more) and shall have been employed by the University for at least two years in order to be eligible for election. Members shall be elected by EEO classification, by the greatest number of the total votes cast.

6.3 The term of office for Council members shall be staggered and shall be for three (3) year terms. Staggering may be accomplished by electing members to new positions for one (1) or two (2) years. Members shall serve no more than two (2) consecutive terms of office. Members of the Council whose
employment is terminated or otherwise leave the University shall be removed and a vacancy declared. Those who change employment status which affects membership classification shall retain their Council seat only until the next regular election if the change was an elective decision made by the member.

6.4 The Executive Vice-President for Administration and Finance will be an ex-officio advisor to the Staff Council, who will attend meetings but does not have voting power and does not sit on the Council.

6.5 There shall be no alternates for members of the Council. Whenever a vacancy occurs, the Chairperson of the Council shall request from the Council’s officers a list of names of persons to be placed in nomination to fill the vacancy for that EEO group. After the names of the persons to be placed in nomination are received by the Chairperson, a new person will be appointed from that list to the vacant position on the Council by the Chairperson, subject to majority approval of the full Council membership. Under no circumstance may a member be appointed to serve an unexpired term on the Council unless that newly appointed member is from the same membership group from which the vacancy occurred.

6.6 Any member of the Council who is absent for four (4) regular meetings of the Council during a Council year (September through April) may have his or her seat on the Council declared vacant by the Chairperson of the Council. The council member so affected may be reinstated to his or her vacant seat by submitting a written request for reinstatement to Council, but such a request must be sustained by a three-fourths (3/4) vote of approval of the full Council at the next regularly scheduled Council meeting. If the affected Council member does not request reinstatement, the vacant seat will be filled in accordance with Section 5 of this Article.

7.0 Article IV: Nomination and Election

7.1 Nomination for election of Council members shall be made by those in each EEO specific classification to fill the correct number of seats as determined by the number of employees in each classification.

7.2 Nominations for candidates for election must be made in writing to the Secretary of the Council at least twenty-one (21) days prior to the date of the annual election. Only those persons employed on a permanent basis (50% time or more) may be elected to a seat on the Council. All nominations must have the consent of the nominee, and all nominations must be validated by the signature of the nominator and nominee. Those nominating themselves must still sign that they are a valid candidate.

7.3 Election of members to the Council shall be made annually by ballot prior to the regular meeting of the Council in March of each year. The results of the balloting shall be announced at that March meeting, with the installation of the new members and the organization of the Council to take place in April of each year.

8.0 Article V: Officers

8.1 The Officers of the Council shall be the Chairperson, the Chair-Elect, the Secretary, and, if necessary, the Chairperson Pro Tempore.

8.2 The Officers of the Council shall be elected from the membership of the Council at the regular April meeting of each year.
8.3 The terms of office for each elected Officer are as follows: The Secretary shall serve for one (1) year. The secretary may be elected to succeed him or herself in the same office for not more than one (1) additional term. The Chair and Chair-Elect may only serve one (1) year. The Chair-Elect shall serve as the chair following his or her initial term.

8.4 The Chairperson of the Council shall preside at all meetings of the Council and shall enforce the obligations imposed upon the Council by the Constitution and by-laws as they relate to the administration of the work of the Council. The Chairperson shall be a non-voting member of the Council except in instances in which a tie vote occurs, at which time the Chairperson shall cast the deciding vote.

8.5 The Chairperson of the Council shall appoint all members of any committees of the Council and shall designate a member thereof to serve as committee chairperson. The Chairperson of the Council shall serve as a non-voting ex-officio member of any committees of the Council.

8.6 The Chairperson shall conduct official correspondence relating to the business of the Council as authorized and directed by the Council, including submitting recommendations in writing to the President of the University.

8.7 The duties of the Chair-Elect of the Council shall be to assist the Chairperson as directed; and in the absence of the Chairperson, the Chair-Elect shall assume all the powers and prerogatives of the Office during the remainder of the absence. The Chair-Elect shall ensure that the Staff Council website is up-to-date and will be the webmaster’s point of contact when the website needs maintenance.

8.8 The duties of the Secretary of the Council shall be to record, maintain, and distribute all resolutions and proceedings of the meetings to all Council members. The Secretary of the Council shall keep roll of members of the Council and the attendance records of members at the meetings of the Council. The Secretary will certify that a quorum is present in order to conduct the official business of the Council.

8.9 The Secretary of the Council shall keep the minutes of the regular and special meetings of the Council and shall prepare normal correspondence of the council, excluding that correspondence that the Council directs the Chairperson to conduct. The Secretary shall issue notices of all meetings and shall perform other duties pertaining to the office of the Secretary as needed. The Secretary shall ensure that all minutes and other public notices are placed on the Staff Council website, either by submitting such items to the webmaster or by adding the items as needed. The Secretary shall, at the expiration of the term of Office, turn over to his or her successor all records and pertinent data of the Council held in his or her possession.

8.10 In the absence of the Chairperson and the Chair Elect from any official meeting of the Council, the members of the Council shall elect a Chairperson Pro Tempore to preside at such meeting.

9.0 Article VI: Permanent and Special Committees

9.1 All permanent and special committees shall be established by Council action. Each committee shall have a committee chairperson appointed by the Chairperson of the Council, and the committee members shall select a secretary for the committee from its membership. All permanent and special committees shall be subject to the call of their respective chairperson.
9.2 Members of all permanent and special committees are appointed for a term not to exceed one (1) year. Members of committees may succeed themselves upon reappointment by the Chairperson of the Council to a new term.

9.3 No committee shall supersede any decisions or recommendations made by the Staff Council.

10.0 Article VII: Meetings

10.1 Regular meetings of the Council will normally be held monthly. All agenda items should be submitted to the Chairperson of the Council, to be placed on the agenda for the next Council meeting. All such requests, to be placed on the agenda by subject, must be received by the Secretary at least five (5) working days prior to the Council meeting.

10.2 Special meetings of the Council may be called by the Chairperson of the Council or by any five (5) members of the Council. Special meetings may only be called when business requiring urgent attention by the Council that cannot wait until the next regular meeting.

10.3 All meetings of the Council shall be open to the public.

10.4 Any person who is not an elected or appointed member of the Council or one of the Council Committees shall be allowed to address the Council and to participate in the discussion of Council matters provided that the person submits a written request to the Chairperson of the Council to be placed on the agenda for the next Council meeting. All such requests, to be placed on the agenda by subject, must be received by the Secretary at least five (5) working days prior to the Council meeting.

10.5 Any person who is not an elected or appointed member of the Council or one of the Council Committees and who has not requested to be placed on the agenda shall be allowed to address the Council and to participate in the discussion of the Council upon a majority vote of the members of the Council who are present.

10.6 Non-members of the Council or of a Council’s committee who are allowed to address the Council shall be limited to five (5) minutes to present their views or state their position on any matter under the Council’s consideration. A request for an extension of time may be granted by a majority of the members of the Council who are present.

11.0 Article VIII: Quorum and Voting

11.1 A majority of the members of the Council shall constitute a quorum authorized to transact business at any regular or special meeting of the Council. A lack of quorum will require the meeting to be rescheduled for another day during the same month; if this is not possible, agenda items will roll over into the next regularly scheduled meeting during the next month.

11.2 Voting by Council membership shall be by voice except when voting by ballot is deemed necessary by the Chairperson of the Council.

11.3 A majority vote of the Council members present and voting shall carry a motion except to alter, amend, annul, or suspend the Constitution of the Council. In cases such as these, voting shall be in accordance with Article X of the Constitution.
12.0 Article IX: Rules of Order

12.1 To ensure proper, fair, and continued order, the general basic rules principles of parliamentary procedure, as laid down in Robert’s Rules of Order, shall govern all meetings of the Council and meetings of any permanent and special Council committees.

13.0 Article X: Amendments, Alterations, Annulments, and Suspension

13.1 Proposals of amendments, alteration, annulments or suspension of the Constitution of the Council shall be submitted in writing to the Secretary of the Council, who shall send copies of such proposal(s) to each member of the Council prior to the next regularly scheduled meeting. The Council, by a majority vote, shall determine if the proposal(s) will be submitted to the general membership of the Rogers State University Staff for action. This determination shall be made prior to the adjournment of the third consecutive regular meeting of the Council following the original presentation of the proposal(s) to the Council.

13.2 Proposal(s) for amendments, alteration, annulments, or suspension of the Constitution that have been approved by the majority of the full Council shall be submitted to the Staff for vote and to the President of the University for Approval. Passage or failure of such amendments, annulments or suspensions shall be determined by a majority of votes cast and Presidential approval.

The President, with approval of the Board of Regents, may amend, alter, annul, revoke, or suspend the Constitution as needed when deemed to be in the best interests of the University. In such cases, the President shall advise the Council of any such actions and the reasons for the same.

The Rogers State University Staff Advisory Council shall consist of representatives to be elected from the classified and administrative/professional staff of Rogers State University but excluding the President of the University, the Vice-Presidents of the University, members of the President’s Executive Committee, members of the faculty, and student employees.

The Staff Advisory Council shall consist of no less than 15 members and no more than 25 members any given year. Members will have equal voting power. The membership shall reflect, as much as possible, the full diversity of the staff. This diversity is defined by, but no limited to, distinctions of campus location, job classification, or functional area. The exact number of members from five classification shall be determined once per year with up-to-date statistics about the number of employees in each classification. The classifications are as follows:

- Administrative Support
- General Professional
- Management
- Service Occupations
- Technical and Skilled

There shall be one (1) member appointed by the Associate Vice President of the Rogers State University Bartlesville campus to serve as a representative of that campus’s staff. This representative shall be appointed annually and will have full voting power in the Council.

There shall be one (1) member appointed by the Director of the Rogers State University Pryor campus to serve as a representative of that campus’s staff. This representative shall be appointed annually and will have full voting power in the Council.

The Rogers State University Staff Advisory Council neither supplants nor supersedes any duly-constituted organization or any approved policy or procedure currently in effect, and there shall be nothing contained or implied in this Constitution that shall infringe on the rights and privileges of an individual employee, nor shall it deny any employee the pursuit of individual action that such employee may deem to be necessary for his or her personal welfare.

Classified, Administrative, and Professional representation on the Council shall conform to the composition criteria of this document. Changes in the apportionment numbers may be accomplished by attrition at the end of the term for which a member was elected.

Members voted into the Council shall be current Rogers State employees who have been employed by the University on a permanent basis (50% or more) and shall have been employed by the University for at least one year in order to be eligible for election. Members shall be elected by classification, by the greatest number of the total votes cast.

The term of office for Council members shall be staggered and shall be for three (3) year terms. Staggering may be accomplished by electing members to new positions for one (1) or two (2) years. Members shall serve no more than two (2) consecutive terms of office. Members of the Council whose employment is terminated or otherwise leave the University shall be removed and a vacancy declared.
Those who change employment status which affects membership classification shall retain their Council seat only until the next regular election if the change was an elective decision made by the member.

The Executive Vice-President for Administration and Finance will be an ex-officio advisor to the Staff Council, who will attend meetings but does not have voting power and does not sit on the Council.

There shall be no alternates for members of the Council. Whenever a vacancy occurs, the Chairperson of the Council shall request from the Council’s officers a list of names of persons to be placed in nomination to fill the vacancy for the specific classification group. After the names of the persons to be placed in nomination are received by the Chairperson, a new person will be appointed from that list to the vacant position on the Council by the Chairperson, subject to majority approval of the full Council membership. Under no circumstance may a member be appointed to serve an unexpired term on the Council unless that newly appointed member is from the same membership group from which the vacancy occurred.

Any member of the Council who is absent for four (4) regular meetings of the Council during a Council year (September through April) may have his or her seat on the Council declared vacant by the Chairperson of the Council. The council member so affected may be reinstated to his or her vacant seat by submitting a written request for reinstatement to Council, but such a request must be sustained by a three-fourths (3/4) vote of approval of the full Council at the next regularly scheduled Council meeting. If the affected Council member does not request reinstatement, the vacant seat will be filled in accordance with this Article.

**Article II: Name**

The name of the organization shall be the ROGERS STATE UNIVERSITY STAFF ADVISORY COUNCIL, sometimes hereinafter referred to as the Council.

**Article III: Bylaws**

The Staff Advisory Council shall prepare bylaws for the conduct of its business for approval by the President. If a disagreement arises between this Constitution and the Council By-laws, the Constitution will be the controlling instrument.

**Article IV: Nomination and Election**

Nomination for election of Council members shall be made by those in each specific classification to fill the correct number of seats as determined by the number of employees in each classification.

Nominations for candidates for election must be made in writing to the Secretary of the Council at least twenty-one (21) days prior to the date of the annual election. Only those persons employed on a permanent basis (50% time or more) may be elected to a seat on the Council. All nominations must have the consent of the nominee, and all nominations must be validated by the signature of the nominator and nominee. Those nominating themselves must still sign that they are a valid candidate.
Election of members to the Council shall be made annually by ballot prior to the regular meeting of the Council in March of each year. The results of the balloting shall be announced at that March meeting, with the installation of the new members and the organization of the Council to take place in April of each year.

**Article V: Officers**

The Officers of the Council shall be the Chairperson, the Chair-Elect, the Secretary, and, if necessary, the Chairperson Pro Tempore.

The Officers of the Council shall be elected from the membership of the Council at the regular April meeting of each year.

The terms of office for each elected Officer are as follows: The Secretary shall serve for one (1) year. The secretary may be elected to succeed him or herself in the same office for not more than one (1) additional term. The Chair and Chair-Elect may only serve one (1) year. The Chair-Elect shall serve as the chair following his or her initial term.

The Chairperson of the Council shall preside at all meetings of the Council and shall enforce the obligations imposed upon the Council by the Constitution and by-laws as they relate to the administration of the work of the Council. The Chairperson shall be a non-voting member of the Council except in instances in which a tie vote occurs, at which time the Chairperson shall cast the deciding vote.

The Chairperson of the Council shall appoint all members of any committees of the Council and shall designate a member thereof to serve as committee chairperson. The Chairperson of the Council shall serve as a non-voting ex-officio member of any committees of the Council.

The Chairperson shall conduct official correspondence relating to the business of the Council as authorized and directed by the Council, including submitting recommendations in writing to the President of the University.

The duties of the Chair-Elect of the Council shall be to assist the Chairperson as directed; and in the absence of the Chairperson, the Chair-Elect shall assume all the powers and prerogatives of the Office during the remainder of the absence. The Chair-Elect shall ensure that the Staff Council website is up-to-date and will be the webmaster’s point of contact when the website needs maintenance.

The duties of the Secretary of the Council shall be to record, maintain, and distribute all resolutions and proceedings of the meetings to all Council members. The Secretary of the Council shall keep roll of members of the Council and the attendance records of members at the meetings of the Council. The Secretary will certify that a quorum is present in order to conduct the official business of the Council.
The Secretary of the Council shall keep the minutes of the regular and special meetings of the Council and shall prepare normal correspondence of the council, excluding that correspondence that the Council directs the Chairperson to conduct. The Secretary shall issue notices of all meetings and shall perform other duties pertaining to the office of the Secretary as needed. The Secretary shall ensure that all minutes and other public notices are placed on the Staff Council website, either by submitting such items to the webmaster or by adding the items as needed. The Secretary shall, at the expiration of the term of Office, turn over to his or her successor all records and pertinent data of the Council held in his or her possession.

In the absence of the Chairperson and the Chair Elect from any official meeting of the Council, the members of the Council shall elect a Chairperson Pro Tempore to preside at such meeting.

**Article VI: Permanent and Special Committees**

All permanent and special committees shall be established by Council action. Each committee shall have a committee chairperson appointed by the Chairperson of the Council, and the committee members shall select a secretary for the committee from its membership. All permanent and special committees shall be subject to the call of their respective chairperson. Members of all permanent and special committees are appointed for a term not to exceed one (1) year. Members of committees may succeed themselves upon reappointment by the Chairperson of the Council to a new term.

No committee shall supersede any decisions or recommendations made by the Staff Council.

**Article VII: Meetings**

Regular meetings of the Council will normally be held monthly. All agenda items should be submitted to the Chairperson of the Council, to be placed on the agenda for the next Council meeting. All such requests, to be placed on the agenda by subject, must be received by the Secretary at least five (5) working days prior to the Council meeting.

Special meetings of the Council may be called by the Chairperson of the Council or by any five (5) members of the Council. Special meetings may only be called when business requiring urgent attention by the Council that cannot wait until the next regular meeting.

All meetings of the Council shall be open to the public.

Any person who is not an elected or appointed member of the Council or one of the Council Committees shall be allowed to address the Council and to participate in the discussion of Council matters provided that the person submits a written request to the Chairperson of the Council to be placed on the agenda for the next Council meeting. All such requests, to be placed on the agenda by subject, must be received by the Secretary at least five (5) working days prior to the Council meeting.

Any person who is not an elected or appointed member of the Council or one of the Council Committees and who has not requested to be placed on the agenda shall be allowed to address the Council and to participate in the discussion of the Council upon a majority vote of the members of the Council who are present.
Non-members of the Council or of a Council’s committee who are allowed to address the Council shall be limited to five (5) minutes to present their views or state their position on any matter under the Council’s consideration. A request for an extension of time may be granted by a majority of the members of the Council who are present.

**Article VIII: Quorum and Voting**

A majority of the members of the Council shall constitute a quorum authorized to transact business at any regular or special meeting of the Council. A lack of quorum will require the meeting to be rescheduled for another day during the same month; if this is not possible, agenda items will roll over into the next regularly scheduled meeting during the next month.

Voting by Council membership shall be by voice except when voting by ballot is deemed necessary by the Chairperson of the Council.

A majority vote of the Council members present and voting shall carry a motion except to alter, amend, annul, or suspend the Constitution of the Council. In cases such as these, voting shall be in accordance with Article X of the Constitution.

**Article IX: Rules of Order**

To ensure proper, fair, and continued order, basic principles of parliamentary procedure shall govern all meetings of the Council and meetings of any permanent and special Council committees.

**Article X: Amendments, Alterations, Annulments, and Suspension**

Proposals of amendments, alteration, annulments or suspension of the Constitution of the Council shall be submitted in writing to the Secretary of the Council, who shall send copies of such proposal(s) to each member of the Council prior to the next regularly scheduled meeting. The Council, by a majority vote, shall determine if the proposal(s) will be submitted to the general membership of the Rogers State University Staff for action. This determination shall be made prior to the adjournment of the third consecutive regular meeting of the Council following the original presentation of the proposal(s) to the Council.

Proposal(s) for amendments, alternation, annulments, or suspension of the Constitution that have been approved by the majority of the full Council shall be submitted to the Staff for vote and to the President of the University for Approval. Passage or failure of such amendments, annulments or suspensions shall be determined by a majority of votes cast and Presidential approval.

The President, with approval of the Board of Regents, may amend, alter, annul, revoke, or suspend the Constitution as needed when deemed to be in the best interests of the University. In such cases, the President shall advise the Council of any such actions and the reasons for the same.

AGENDA ITEM 4

ISSUE: SUBSTANTIVE PROGRAM CHANGES – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents approve the proposed change in the Rogers State University academic program.

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education require that all substantive changes in degree programs be presented to the institution’s governing board for approval before being forwarded to the State Regents for consideration. The changes in the academic programs presented below have been approved by the appropriate faculty, academic unit and dean, the Curriculum Committee, the Academic Council, and the Vice President for Academic Affairs. The change is being submitted to the Board of Regents for approval prior to submission to the State Regents.

1. PROGRAM: Department of History and Political Science
   Bachelor of Arts in Social Entrepreneurship (125)

   PROPOSED CHANGE: Delete Bachelor of Arts in Social Entrepreneurship
   No students enrolled in degree program
   Minor will not be deleted

   COMMENTS: Students interested in entrepreneurship were drawn to existing programs in the School of Business, and students interested in public entrepreneurship were more likely to be recruited in the public affairs degree. As a result, the degree has not attracted sufficient students to warrant its continuance.
AGENDA ITEM 5

ISSUE:  FISCAL YEAR 2016-2017 EXTERNAL AUDITS – RSU

ACTION PROPOSED:

President Rice recommends the Board of Regents accept:

I. The fiscal year 2016-2017 external auditor’s reports and audited financial statements for Rogers State University; and

II. The fiscal year 2016-2017 external auditor’s reports on compliance and schedules of expenditures of federally funded awards for Rogers State University.

BACKGROUND AND/OR RATIONALE:

For fiscal year 2016-2017, these audits were conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the Office of Management and Budget’s Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.
Agenda Items for INFORMATION ONLY RSU
Agenda items number 6 and 7 have been identified, by the administration, as “For Information Only.” Although no action is required, does anyone have any questions or comments about these items or would anyone like to discuss or consider these items? If not, that completes the Rogers State portion of the agenda.

AGENDA ITEM 1

ISSUE: REVISIONS TO THE CAMERON UNIVERSITY FACULTY HANDBOOK – CU

ACTION PROPOSED:

President McArthur recommends amending the Cameron University Faculty Handbook to include faculty-recommended changes.

BACKGROUND AND/OR RATIONALE:

On December 2, 2016, Cameron University’s Faculty Senate recommended changes to Section 5.6 Assignment Policy in the Faculty Handbook. Proposed changes allow flexibility in load distribution when approved by the Chair and Dean. The recommended revisions have been reviewed and approved by the President, upon recommendation of the Vice President of Academic Affairs. The proposed revisions are set forth below.

5.6 ASSIGNMENT POLICY

Faculty assignments include four general components: (a) teaching, (b) research and creative/scholarly activity; (c) and professional and University service and public outreach, and (d) performance of non-teaching/administrative duties/assignments, if applicable. The portion of the total assignment allocated to each component may vary significantly among the faculty of a department or school; however, Deans and department chairs are charged with the responsibility for establishing equitable total assignments. Assignments are based on the following guidelines:

1. A full-time faculty member should generally carry a teaching load of twenty-four hours per academic year twelve hours per semester. A uniform distribution of load between the fall and spring semesters is typical but other load distributions are allowable. An individual faculty member may make requests for an alternative load distribution to the Chair. Any alternative load distribution must be approved by the Chair and Dean.

2. At the discretion of the chair in consultation with the Dean, a full-time non-tenure track regular faculty member may carry a teaching load of fifteen hours per regular semester.

3. Graduate courses shall have a teaching load computed at a ratio of three graduate load hours as equivalent to four undergraduate load hours.

4. Faculty members teaching twelve or more undergraduate hours may be allowed to teach one overload class per semester.

5. Faculty members may accept an additional overload assignment of up to three load hours per semester for either research and creative/scholarly activity; and professional and University service and public outreach. Off-campus Educational Outreach courses may be considered service assignments when taught as overload assignments.
6. Department chairs will be allowed to teach one overload class per year with the permission of the appropriate Dean. Department chairs are allowed to accept one additional overload assignment per year for research and creative/scholarly activity; and professional and University service and public outreach.

ISSUE: FISCAL YEAR 2016-2017 EXTERNAL AUDITS – CU

ACTION PROPOSED:

President McArthur recommends the Board of Regents accept:

I. The fiscal year 2016-2017 external auditor’s reports and audited financial statements for Cameron University; and

II. The fiscal year 2016-2017 external auditor’s reports on compliance and schedules of expenditures of federally funded awards for Cameron University.

BACKGROUND AND/OR RATIONALE:

For fiscal year 2016-2017, these audits were conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the Office of Management and Budget’s Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.

AGENDA ITEM 4

ISSUE: HEALTH RELATED EMPLOYMENT BENEFITS – CU

ACTION PROPOSED:

This report is for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

In March 2014, the Board of Regents approved Cameron University to secure health care, dental, and vision insurance, COBRA administration, retiree premium billing, collection and remittance contracts and other services through University of Oklahoma contracts. The University of Oklahoma has negotiated rates for calendar year 2018 and is presenting those rates for approval. Cameron University employees and retirees have been included as participants in the University of Oklahoma’s 2018 insurance plans and services.

Cameron University pays the cost of its active employees’ health insurance. For calendar year 2017 the monthly health insurance premium is $529.26 per month. In calendar year 2018, Cameron University’s cost will be $545.14, an increase of 3%. The estimated cost of this increase is approximately $72,000 for twelve months.

Cameron University incurs no cost for health insurance for an employee’s spouse or dependents or for dental and vision insurance, as these are optional plans paid by the employee. Cameron University also has no financial obligation for Medicare eligible retired employees’ health insurance.

HEALTH SCIENCES CENTER
AGENDA ITEM 1

ISSUE: SUBSTANTIVE PROGRAM CHANGES – HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents approve the proposed changes to the following academic programs at the Health Sciences Center.

BACKGROUND AND/OR RATIONALE:

The changes in the academic programs below have been approved by the appropriate faculty, academic units, deans, the Academic Programs Council, and the Senior Vice President and Provost. The changes are being submitted to the Board of Regents for approval prior to submission to the Oklahoma State Regents for Higher Education.

Program Modification Changes

COLLEGE OF MEDICINE

Master of Health Science (MHS): Physician Associate Program (Oklahoma City)

Reason for Request:

The reason for the request is two-fold:

To revise the didactic curriculum to improve instructional content and alignment of subject areas horizontally and vertically throughout the curriculum. The changes are the first stage in a plan to integrate basic sciences into the medical science courses consistent with the undergraduate medical program in the College of Medicine.

To increase the minimum GPA requirement for progression and decrease the number of failed courses allowed during a training phase to progress and graduate from the program.

Background and Rationale:

The curriculum changes requested with this program modification, first affecting the cohort to graduate in 2020, are consistent with the mission and goals of the PA program and support acquisition and application of core knowledge with sufficient breadth, depth, and repetition to prepare the PA student to enter the practice of medicine. Such curriculum alignment, content, and consistency are required for continuing program accreditation. The policy revisions are based on careful analysis of student performance data across cohorts and accurately predict persistence and passing the entrance board exam to be able to practice as a physician assistant.

Ten new courses are requested to be added and five courses dropped resulting in no change in program hours. The program feels this change will enhance student learning and retention of knowledge and skills acquisition to improve academic performance during the program and board scores for graduates.
MASTER OF SCIENCE IN NURSING (MSN): FAMILY NURSE PRACTITIONER OPTION

REASON FOR REQUEST:

The changes are based on recommendation from an external review of the program. The proposed curriculum will reduce the program hours from 47 to 46 and have an “across the lifespan” approach rather than learning about specific populations/age groups of patients each semester.

BACKGROUND AND RATIONALE:

The new curriculum will incorporate more family practice clinical preceptors into the program, thereby opening more appropriate opportunities for the Family Nurse Practitioner Program. The current curriculum requires multiple specialty experiences rather than seeking family practitioners who perform specialty procedures. The proposed change in curriculum includes six new courses with six course deletions and will include a new course on diagnostic methods and procedures in primary care.

COLLEGE OF PUBLIC HEALTH

CERTIFICATE IN HEALTHCARE ADMINISTRATION

REASON FOR REQUEST:

The Certificate in Healthcare Administration is currently offered only to students enrolled in the OU MBA program. Since approval of the certificate, multiple inquiries have been received from recent graduates of the OU MBA Program as well as MBA graduates from other institutions.

Given the number of inquiries the College of Public Health would like to consider accepting individuals who have successfully completed an MBA program of study at an accredited university in a discipline applicable to Healthcare Administration.

BACKGROUND AND RATIONALE:

The Certificate in Healthcare Administration helps prepare graduates for entry level positions in hospitals and health systems in various middle management and director capacities. It would also benefit individuals currently employed in the healthcare delivery system and help advance their career by providing them with current substantive course content related to operational, financial and patient care issues.

Applications from persons not already enrolled in the OU MBA program will be accepted only through the Schools of Public Health Application Service (SOPHAS). Applicants must also sit for an interview with the Department of Health Administration and Policy Admissions Committee to be considered for admission. The College anticipates additional enrollment of seven to 10 students per year. The additional enrollees will be added to existing class offerings; no new faculty will be required.

The Graduate Certificate in Healthcare Administration consists of four courses (one required and three elective) for a total of 12 hours. The required course is HAP 5453: U.S. Health Care System. Students select three additional courses that may include any of the following: HAP 5203: Health Economics, HAP 5733: Managed Care and Integrated Delivery Systems, HAP 5613: Financial Management of Health Services Organizations, HAP 5873: Health Information Systems, or HAP 5883: Healthcare Quality Management.

AGENDA ITEM 2

ISSUE: REVISIONS TO THE ETHICS IN RESEARCH POLICY – HSC

ACTION PROPOSED:

President Boren recommends that the Board of Regents approve the revisions to the Ethics in Research Policy, Health Sciences Center.

BACKGROUND AND/OR RATIONALE:

The last revision to the Ethics in Research Policy was in 2012. The proposed revisions are made to align with federal guidelines, and to describe the role of a Research Integrity Officer to manage implementation of the many procedural steps of the policy in conjunction with the Vice President for Research. The proposed revisions have been approved by the OUHSC Deans’ Council, the Senior Vice President and Provost, and the Faculty Senate Executive Committee. All OUHSC faculty members were given access to an electronic copy of the proposed revisions and provided with an opportunity for input.

Additions are noted by underline and deletions by strike-through.
3.25 3.23  Ethics in Research Policy

(a)  Introduction

Research and other scholarly activity at the University of Oklahoma must be above reproach. Each member of the University community has the responsibility to ensure the integrity and ethical standards in any activity with which he or she is associated directly, or any activity of which there is sufficient knowledge to determine its appropriateness. Misconduct in the conduct of research undermines the scholarly enterprise and erodes the public trust in the University community to conduct research and communicate results using the highest standards and ethical practices. The University of Oklahoma is responsible both for promoting scholarly practices that prevent misconduct and for developing policies and procedures for dealing with allegations or other evidence of scholarly or research misconduct.

This policy establishes uniform policies and procedures for investigating and reporting instances of alleged or apparent misconduct involving research, including, but not limited to, research or research training, applications for support of research or research training, or related research activities that are supported with funds made available under the Public Health Service Act. The policies and procedures outlined below apply to faculty, staff, and students. They are not intended to address all scholarly issues of an ethical nature. For example, discrimination and affirmative action issues are covered by other University policies.

(b)  Definition of Scholarly Misconduct

Scholarly misconduct involves any form of behavior that entails an act of deception whereby one’s work or the work of others is misrepresented. Other terms, such as research fraud misconduct, are here subsumed within the term "scholarly misconduct" as defined below. The term scholarly misconduct will be used to encompass scientific fraud as well as other types of scholarly misconduct. Scholarly misconduct is distinguished from honest errors and ambiguities of interpretation that are inherent in the scholarly process. Further, scholarly misconduct involves significant and intentional breaches of integrity which may take numerous forms, such as, but not limited to, those outlined below:

(b)(1) Falsification of data ranging from fabrication to deceptive selected reporting of findings and omission of conflicting data.

(b)(2) Plagiarism and other improper assignment of credit, such as excluding others or claiming the work of others as one’s own; presentation of the same material as original in more than one publication; inclusion of individuals as authors who have not made a definite contribution to the work published; and submission of multi-authored publications without the concurrence of all authors.

(b)(3) Improper use of information gained by privileged access, such as through service on peer review panels, editorial boards, or policy boards of research funding organizations.

(b)(4) Serious deviation from the scientific method accepted in proposing or carrying out research, deliberate manipulations, or improper reporting of results.

(b)(5) Material failure to comply with federal, state, or institutional rules governing research, including, but not limited to, failure to file conflict of interest reports and/or to undergo prescribed training or serious or substantial violations involving the use of funds, care of animals, protection of human subjects, use of investigational drugs, recombinant products, new devices, or radioactive, biological, and/or chemical materials.

(b)(6) Inappropriate behavior in relation to misconduct, including, but not limited to, inappropriate accusations of misconduct, failure to report known or suspected misconduct, withholding or destruction of information relevant to a claim of misconduct, and retaliation against persons involved in the allegation or investigation of misconduct.

(c)  Process for Handling Allegations of Scholarly Misconduct

(c)(1)  Initiation of an allegation of misconduct. Initial allegations or evidence may be reported by anyone to any faculty member or administrator, who must then report the allegations to the Senior Vice President and Provost and to the Vice President for Research OUHSC Research Integrity Officer (RIO). If the person to whom the report would normally be given is involved in some way in the misconduct, the next higher academic officer should be informed. The RIO will immediately notify the Vice President for Research if PHS-supported research is involved, as well as the Office of Research Integrity. The RIO, after consultation with the Vice President for Research, will notify the appropriate individuals to take appropriate interim administrative action to protect against a threat of harm to public health or safety, federal funds and equipment, integrity of the research process, and rights and interests of individuals involved in the research.
in the research misconduct proceedings. These actions will be taken regardless of the source of research support. The Senior Vice President and Provost or Vice President for Research shall take interim administrative actions, as appropriate, to protect Federal funds and ensure that the purposes of the Federal financial assistance are carried out during the Inquiry and Investigation stages.

The Senior Vice President and Provost or Vice President for Research (RIO) will counsel the individual(s) making the allegation as to the policies and procedures to be used. If the reporting individual chooses not to make a formal allegation, but the Senior Vice President and Provost or Vice President for Research believes an Inquiry is warranted, an Inquiry shall be initiated. The RIO, in consultation with the Vice President for Research, may identify another individual to bring forth the allegations, such as the accused’s department chair, or may present the allegations him/herself.

The Senior Vice President and Provost or the RIO, in consultation with the Vice President for Research, shall informally review any allegations, assess and determine whether the allegations meet the definition of scholarly misconduct as defined in 3.23(b); confer with the dean of the college in which the allegation is alleged to have occurred, as well as with Legal Counsel; and determine make a recommendation to the Senior Vice President and Provost regarding whether the allegation warrants initiation of the Inquiry process according to the policies and procedures for scholarly misconduct, or whether other University policies or procedures should take precedence.

The institution University will pursue an allegation of misconduct to its conclusion, even if the person against whom the allegation is made (hereinafter referred to as the "Respondent") leaves or has left the institution University before the case is resolved.

Interim administrative action prior to conclusion of either the Inquiry or the Investigation may be indicated as the institution is responsible for protecting the health and safety of research subjects, patients, students, staff, and Federal funds as well as the public interest. Such action may range from restriction on some activities to full suspension of the Respondent. Notification of external sponsors and the NIH Office of Research Integrity, if appropriate, should be initiated by the Senior Vice President and Provost.

(c)(2) Inquiry Sequestration and Notification

(a) The RIO shall take custody of, inventory, and sequester in a secure location the research evidence thought necessary to conduct the proceeding. This will be accomplished with the assistance of other individuals, e.g., the Chair of the respondent’s department, Vice President for Research, and Legal Counsel.

(b) At the time of sequestration of evidence, the RIO will notify the Respondent in writing of the allegation, provide him/her with a copy of the inventory of material secured, and provide him/her with copies of applicable policies and procedures. If there are no data to sequester, the RIO will continue with notice to the Respondent. This will typically occur within fifteen University business days after receipt of an allegation.

(c)(3) Admission to Allegations

If the Respondent elects to admit to the allegations against him/her at any time prior to the Committee of Investigation’s submission of its report to the RIO, the Respondent shall inform the RIO who will, after consultation with the Vice President for Research, inform the Respondent of the sanctions that will be imposed by the Senior Vice President and Provost. If the Respondent still wishes to formally admit to the charges, the Respondent must send a written statement to the RIO admitting to the allegations, acknowledging understanding of the sanctions that will be imposed by the Senior Vice President and Provost, and stating that the Respondent understands that he/she is waiving his/her rights to an Inquiry and/or Investigation process, as applicable, as well as the right to appeal the sanctions. Upon receipt of this statement, the RIO will proceed as indicated in Section (c)(7)(b) below.

(c)(4) Inquiry

(a) The first step of the review process is an Inquiry which has as its purpose fact-finding in an expeditious manner to help determine if an allegation is deserving of further formal investigation, and, if formal investigation is not warranted, to make recommendations concerning the disposition of the case.

(b) An Inquiry Committee composed of no fewer than three tenured faculty with no real or apparent conflict of interest, with no appointment in the department of either the individual(s) making the allegation or the Respondent, and with appropriate expertise for evaluating information relevant to the cases, shall be appointed by the Senior Vice President and Provost or RIO in consultation with the
The Inquiry Committee’s draft written report shall contain the following information:

- Names and positions of the Committee members and any experts
- Name and position of the Respondent
- List of the allegations
- Grant support (in particular, PHS support to include grant numbers, applications, related contracts, and publications listing support)
- List of the research evidence reviewed
- List of individuals interviewed and summaries of testimony
- The Committee’s recommendation on conducting an Investigation
- The evidence supporting the recommendation
- Other actions that should be taken if an Investigation is not recommended
- Reasons for extension of the Inquiry beyond 60 days, if applicable

The RIO and Legal Counsel should review the draft report solely to ensure that the report includes all elements required by this policy. The Committee will make modifications if necessary and appropriate. The RIO shall give a copy of the draft report to the Respondent and provide the Respondent with access to all evidence. The Respondent shall be given ten University business days to comment on writing upon the findings and recommendations of the Inquiry Committee. These comments will be made part of the final written report.

The final written report of the Inquiry Committee will be conveyed to the Senior Vice President and Provost by appointment of a Committee of Investigation and by immediately notifying, among others with a need to know, the Director of the National Institutes of Health (NIH) Office of Research Integrity, if appropriate, and the funding source, if any, that an Investigation is being undertaken. This notification is expected to occur within twenty-four hours of the determination of the need for a formal Investigation. Under certain circumstances, the University may be expected to notify the sponsoring agency or funding source at a point prior to the initiation of an Investigation. Factors used in determining the timing of such notification include the seriousness of the possible misconduct; the presence of an immediate health hazard; and consideration of the interests of the funding agency, the scientific community, the public, and the individual who is the subject of the Inquiry and his/her associates.

If, after reviewing the outcome of the Inquiry, the Vice President for Research, in consultation with and the Senior Vice President and Provost, determines that there is a need for a formal investigation, the Senior Vice President and Provost or Vice President for Research will notify the RIO, who will initiate that action within fifteen University business days. The Committee will make modifications if necessary and appropriate. The RIO shall give a copy of the written report of Inquiry to the Respondent and provide the Respondent with access to all evidence. The Respondent shall be given the opportunity (ten University business days) to comment on writing upon the findings and recommendations of the Inquiry Committee. These comments may be made part of the record.

If, after reviewing the outcome of an Inquiry, the Senior Vice President and Provost or the Vice President for Research determines that a formal Investigation is unwarranted, or if the Inquiry is terminated for any reason, the Senior Vice President and Provost or Vice President for Research shall inform the RIO, who shall:

1) **notify** all involved individuals and make diligent efforts to restore the reputations of persons alleged to have engaged in misconduct when allegations are not confirmed,

2) **undertake** diligent efforts to protect the positions and reputations of those persons who, in good faith, have made allegations of scientific misconduct

3) **If required by applicable federal regulations**, send a report to the NIH Office of Research Integrity stating the intent to terminate the procedure without an Investigation and including a description of the reason for such termination.

4) **Take all reasonable and practical steps on behalf of the University, as appropriate, to restore the Respondent’s reputation, if the Respondent so requests.**

If the Inquiry Committee finds the allegations **not to have been brought in good faith**, sanctions may be recommended against the individual(s) making the allegation.

Records of the Inquiry are confidential to the maximum extent possible and are to be passed on to the Committee of Investigation only if a formal review is initiated. The records of Inquiry shall contain sufficiently detailed documentation of the Inquiry to permit a later assessment of the reasons for
determining that an Investigation was not warranted, if necessary. If a formal Investigation is not initiated, the records shall be kept by the Senior Vice President and Provost or Vice President for Research RIO for at least three years after completion of the Inquiry and shall, upon request, be provided to authorized Department of Health and Human Services personnel.

(c)(3) Investigation

(a) Prior to initiating the formal Investigation, the RIO will immediately notify, among others with a need to know, the Director of the National Institutes of Health (NIH) Office of Research Integrity, if appropriate, and the funding source, if any, that an Investigation is being undertaken. A copy of the Inquiry Report should accompany the notification, where appropriate. This notification is expected to occur within twenty-four hours of the determination of the need for a formal Investigation. Under certain circumstances, the University may be expected to notify the sponsoring agency or funding source at a point prior to the initiation of an Investigation. Factors used in the RIO’s determining the timing of such notification include the seriousness of the possible misconduct, the presence of an immediate health hazard, and consideration of the interests of the funding agency, the scientific community, the public, and the individual who is the subject of the Inquiry and his/her associates [moved from (c)(4)(m) above].

(b) Prior to initiating the formal Investigation, the RIO will take all reasonable and practical steps to take custody of inventory and sequester in a secure location any research evidence that was not previously sequestered during the Inquiry or that becomes known or relevant after the Inquiry, including that thought to be needed to investigate any additional allegations or instances of possible misconduct that have resulted in broadening of the scope of the Investigation.

(c) At the time of sequestration of evidence, the RIO will notify the Respondent in writing of the decision to begin an Investigation and provide the allegations to be investigated, including any new allegations not addressed in the Inquiry, a copy of inventory of any additionally sequestered materials, and copies of applicable policies and procedures. If there are no data to sequester, the RIO will continue with notice to the Respondent as described above. Notification of the Respondent will typically occur within fifteen University business days after the decision to begin an Investigation.

(d) The RIO, in consultation with the Senior Vice President and Provost or Vice President for Research, shall appoint a Committee of Investigation of no fewer than three senior faculty with who have no real or apparent conflict of interest, hold no appointment in the department of either the individual(s) making the allegation or the Respondent, and have appropriate expertise for evaluating the information relevant to the case. Preferably, at least one member should not be associated with the institution University. The purpose of the Committee of Investigation is to further explore the allegation(s), determine whether scholarly misconduct has been committed, and, if so, determine the extent of the misconduct [moved from (g) below]. The Committee of Investigation should be constituted within five University business days after notification of Respondent that an Investigation is being conducted.

(e) The Senior Vice President and Provost or Vice President for Research RIO shall notify the Respondent, in writing, that there will be an Investigation, specifically listing the areas to be reviewed and describing the procedures to be used during the Investigation. The Respondent will be informed of the proposed membership of the Committee of Investigation. The Respondent should be given five University business days to notify the RIO in writing of to identify any bias or conflict of interest of any proposed member.

(f) At the first meeting of the Committee of Investigation, the RIO will present the charge. The charge will include the initial allegation(s) as well as any additional allegation(s) and issues identified during the Inquiry, and the purpose and scope of the Investigation. The original and any additional respondents will be identified. The Committee will be informed of its responsibility to conduct the Investigation as described in this policy and to prepare a written report that meets the requirements of this policy. The RIO and Legal Counsel will discuss the responsibilities of the Committee, answer procedural questions, and emphasize the need to maintain confidentiality. The RIO will be responsible for assisting the Investigation Committee in all their activities, including setting committee meetings, arranging interviews, assisting with the development of plans to conduct the Investigation within the time limit, and taking and maintaining notes for all Committee activities.

(g) The purpose of the Committee of Investigation is to further explore the allegation(s), and to determine whether scholarly misconduct has been committed, and, if so, the extent of the misconduct. [moved to (d) above] The Investigation normally will include examination of all documentation, including, but not
necessarily limited to, relevant research data and proposals, publications, correspondence, and memoranda of telephone calls. Interviews should be conducted with all individuals involved. The interviews should include the Respondent and the individual(s) making the allegation, as well as other individuals who might have information regarding key aspects of the allegations.

The Respondent shall be given the opportunity to address the allegations and evidence presented at the interviews. Complete summaries of these interviews should be prepared, provided to the interviewed party for comment or revision, and included in the investigatory file. The Committee of Investigation may request the involvement of outside experts. The Investigation must be sufficiently thorough to permit the Committee of Investigation to reach a firm conclusion about the validity of the allegations and the scope of the wrongdoing or to be sure that further investigation will be unlikely to alter an inconclusive result. In the course of an Investigation, additional information may emerge that may justify broadening the scope of the Investigation beyond the initial allegation. Should this occur, the Respondent is to be informed, by the Vice President for Research, after consultation with the Vice President for Research, in writing of any significant new directions in the Investigation. In addition to making a judgment on the veracity of the charges, the Committee of Investigation may recommend sanctions to the Senior Vice President and Provost or Vice President for Research.

All individuals involved in the Investigation are obligated to cooperate in a timely fashion by producing any additional data requested for the Investigation. Copies of all materials obtained by the Committee of Investigation shall be provided to the Respondent and, as judged appropriate by the Committee of Investigation, to other concerned individuals.

The proceedings of the Committee of Investigation are confidential and will be closed. A tape recording of proceedings may be made at the discretion of the chair of the Committee of Investigation.

Every effort should be made to complete the Investigation within 120 University business days; however, it is acknowledged that some cases may render this deadline difficult to meet. In such cases, the Committee of Investigation shall compile a progress report, identify reasons for the delay, and request an extension from the Senior Vice President and Provost or Vice President for Research. The Senior Vice President and Provost or Vice President for Research shall convey to the funding or other relevant agency such information as may be required by it, at intervals as required by the agency. The review by the Committee of Investigation should be completed and a written report filed within 120 University business days of written notification to the Respondent that an Investigation was being initiated. If the Committee of Investigation determines that this deadline cannot be met, the Committee shall request an extension from the RIO. The request must include a report of progress to date, an explanation of why an extension is needed, and the anticipated completion date. The RIO will review the report and present his/her recommendations and the written request to the Vice President for Research for determination. If the extension is granted, the RIO shall inform all individuals with a need to know.

All significant developments during the formal Investigation as well as the interim and final findings and recommendations of the Committee of Investigation will be reported by the RIO to the Senior Vice President and Provost or to the Vice President for Research, among others, the research sponsor, the NIH Office of Research Integrity, and others if appropriate; if appropriate, and others as needed.

Upon completion of the Investigation, the Committee of Investigation shall deliberate and prepare its findings and recommendations. The Committee of Investigation shall submit to the RIO a full written report which details the Committee of Investigation’s findings and recommendations and the documentation to substantiate the findings.

The Committee of Investigation’s draft written report must include the following information:

- Nature and specifics of the allegations included in the charge to the Committee
- Grant support (in particular, PHS support to include grant numbers, applications, related contracts and publications listing support), pending grant proposals that may be impacted by scholarly misconduct actions, and manuscripts and submitted manuscripts that may be impacted by scholarly misconduct
- List of research evidence secured along with identification and summary of that which was reviewed
- Statement of finding for each individual allegation that includes the type of misconduct (falsification, fabrication, plagiarism, etc.), and whether it was intentional, knowing, or done in...
reckless disregard; summarized supportive facts and analyses, including the merits or reasonable Respondent explanations; individual(s) responsible for the misconduct; PHS and non-PHS support including past, current, and pending applications, and whether correction or retraction of any publications, including submitted manuscripts, is needed

- Names and positions of the Committee members and any experts who were interviewed
- Name and position of each Respondent
- Reasons for extension of the investigation beyond 120 days, if applicable
- Recommended University actions

The RIO and Legal Counsel will review the draft report solely to ensure the report includes all elements required by this policy. The Committee will make modifications if necessary and appropriate. This draft report shall be sent by the RIO to the Respondent and Complainant, if appropriate, by the Senior Vice President and Provost or Vice President for Research, along with a copy of or supervised access to the evidence on which the report is based. The Respondent and Complainant, if appropriate, shall be given 20 University business days to comment on the allegations, evidence, findings, and recommendations of the Committee of Investigation. A copy of these comments must be attached to the final report.

(m) The RIO will transmit the final report, including the Respondent’s comments, to the Senior Vice President and Provost or the Vice President for Research. The Senior Vice President and Provost shall then make the decision regarding based on the findings and recommendations, and, if applicable, application of impose sanctions. The Senior Vice President and Provost will consider the comments by the Respondent and Complainant, if any, before making his/her decision. If the Senior Vice President and Provost’s determinations differ from those in the Investigation report, the Senior Vice President and Provost will document in writing the basis of his/her decision and will attach the documentation to the Investigation report. The Senior Vice President and Provost may also return the report to the Investigation Committee with a request for further fact-finding and analysis.

(n) The Senior Vice President and Provost shall inform the Respondent in writing of his the final determination and any sanctions, as well as the appeal process. If the sanctions involve the recommendation for termination of employment or abrogation of tenure, the Senior Vice President and Provost will comply with the University termination or abrogation procedures.

(o) When appropriate, the Senior Vice President and Provost RIO will submit the final report of the Investigation to the Director of the NIH Office of Research Integrity and the funding agency. In cases involving a recommendation for severe sanctions, the notification will state, “These sanctions are being recommended and, following University policy, appropriate procedures to appeal the case may be initiated by the Respondent.” On occasion they may request for an extension. The final report must describe the policies and procedures under which the investigation was conducted, how and from whom information was obtained relevant to the Investigation, the findings and the basis for the findings and must also include the actual text or accurate summary of the views of any individual(s) found to have engaged in misconduct, as well as a description of any sanctions taken by the University.

(i) If the formal Investigation is terminated for any reasons without completing all requirements for an Investigation, the Senior Vice President and Provost shall send a report to the NIH Office of Research Integrity including a description of the reasons for such termination.

After the investigation has been completed, the Committee of Investigation shall deliberate and prepare its findings and recommendations.

(c)(6) Termination of Inquiry or Investigation

If PHS support is involved and if the University plans to terminate an Inquiry or Investigation for any reason, other than 1) closure after the Inquiry because an investigation is not warranted or 2) a finding of no misconduct in the Investigation, the RIO must notify the Office of Research Integrity in advance for consultation and advice. Examples of reasons that could result in termination of the Inquiry or Investigation process include, but are not limited to, admission of guilt by the Respondent.

(c)(7) Resolution
(a) Findings of absence of scholarly misconduct. The RIO is responsible for the following actions. All research sponsors and others initially informed of the investigation shall be informed in writing that allegations of misconduct were not supported. If the allegations are deemed to have not been made in good faith, appropriate disciplinary action should be taken against the individuals making the allegation. If the allegations, however incorrect, are deemed to have been made in good faith, no disciplinary measures are indicated and an effort should be made to prevent retaliatory actions. In publicizing the findings of no misconduct, the institution University should be guided by whether public announcements will be harmful or beneficial in restoring any reputations that may have been lost affected. Usually, such decisions should rest with the person who was wrongfully accused. Diligent efforts, as appropriate, should be undertaken to restore the reputations of persons alleged to have engaged in misconduct when allegations are not confirmed and to protect the positions and reputations of those persons who, in good faith, made allegations.

(b) Findings of scholarly misconduct. The Senior Vice President and Provost or the Vice President for Research RIO is responsible for notification of all federal agencies, sponsors, or other entities initially informed of the investigation of the finding of scholarly misconduct. The institution University should take action appropriate for the seriousness of the misconduct, including, but not limited to, the following:

1) Notification: Consideration should be given to formal notification of the following, among other appropriate entities:

- Sponsoring agencies, funding sources
- Co-authors, co-investigators, collaborators
- Department, School, or institution University
- Editors in journals in which fraudulent research was published
- Editors of other journals or publications, other institutions, other sponsoring agencies, and funding sources with which the individual has been affiliated
- State professional licensing boards
- Professional societies

2) Institutional Disciplinary Action, including, but not limited to, the following:

- Removal from particular project
- Special monitoring of future work
- Letter of reprimand
- Probation for a specified period, with conditions specified
- Suspension of identified duties or privileges for a specified period, with or without salary
- Termination of employment/Abrogation of Tenure

(c)(8) Appeal

Individuals may appeal the finding of the Committee of Investigation and/or the sanction. A written statement of the grounds for the appeal must be submitted to the President within thirty University business days of written notification of the results of the Investigation. Grounds for appeal include new previously unconsidered evidence which that was not available earlier, sanctions not in keeping with the findings, conflict of interest not previously known among those involved in the Investigation, or other lapses in due processes. Upon receipt of a written appeal, the President will evaluate the evidence and make a determination. At the President’s discretion, the Investigation may be reopened. The President’s decision will be binding on all parties and will be conveyed to all involved in a timely fashion. In case of termination of employment or abrogation of tenure, the decision may be appealed, according to University policies.

AGENDA ITEM 3

ISSUE:  REVISIONS TO THE COLLEGE OF MEDICINE BYLAWS, MEDICAL EDUCATION COMMITTEE – HSC

ACTION PROPOSED:

President Boren recommends that the Board of Regents approve the proposed revisions to the College of Medicine Bylaws, Medicine Education Committee - Section 6.6.17.

BACKGROUND AND/OR RATIONALE:

Accreditation of medical schools in the United States is under the authority of the Liaison Committee on Medical Education (LCME). The University of Oklahoma College of Medicine will undergo its next LCME accreditation survey visit during AY 2018 - 2019. Through its planned self-study preparation activities, the college has identified a need to revise its bylaws to: i) better meet LCME standards regarding central management of the curriculum, and ii) more accurately reflect the contemporary college environment and processes.

As one of its more important accreditation standards (8.1), the LCME requires that medical schools establish a curriculum committee to centrally manage the curriculum:

A medical school has in place an institutional body (e.g., a faculty committee) that oversees the medical education program as a whole and has responsibility for the overall design, management, integration, evaluation, and enhancement of a coherent and coordinated medical curriculum. …..which requires that a medical education program’s curriculum committee have the authority to manage the curriculum as a whole.

The College of Medicine’s Medical Education Committee consists of faculty and students elected by their peers to manage the MD program on behalf of the College of Medicine faculty. The Executive Dean appoints the chair of the Medical Education Committee and its subcommittees, and the College Faculty Board members serve as voting members on the Committee. The proposed bylaws’ revisions clarify the Medical Education Committee as the final authority for central curriculum management in the MD program. However, the Medical Education Committee must obtain feedback from the Faculty Board (which includes the Executive Dean) prior to revising any major curriculum or policy change. The revisions also include the addition of four new members appointed by the College Committee on Committees to ensure that there is broader representation on the Committee.

Additions are noted by underline and deletions by strike-through.
A Medical Education Committee shall oversee the educational program leading to the M.D. degree. This committee shall be solely responsible for the overall design, management, and evaluation of a coherent and coordinated curriculum that is consistent with accreditation standards established by the Liaison Committee on Medical Education. The Medical Education Committee shall have standing subcommittees as stipulated below. Prior to any substantive change to the curriculum or educational program policy, the Medical Education Committee will solicit feedback from the Faculty Board. However, final approval will remain with the Medical Education Committee. Major changes to the curriculum or educational program policies must be approved by the Faculty Board and the Executive Dean.

The Medical Education Committee shall consist of four members elected by the Committee on Committees, sixteen members elected from the subcommittees and designated associate and assistant deans who shall serve as non-voting ex officio members. Members shall serve two-year terms that are renewable. The Executive Dean shall appoint the Chair of the Medical Education Committee from the members of the committee.

A Preclinical Curriculum Subcommittee shall be responsible for the design, implementation, and management oversight of the preclinical portion of the curriculum. The subcommittee shall issue recommendations regarding substantive curriculum or policy changes to the Medical Education Committee. Subcommittee members shall include: the faculty members who serve as course directors or co-course directors for each required course in the preclinical curriculum, one student elected by the Oklahoma City first-year class, one student elected by the Tulsa first-year class, one student elected by the Oklahoma City second-year class, one student elected by the Tulsa second-year class, and two members designated by the Faculty Board. Designated associate and assistant deans shall serve as non-voting ex officio members. Each course shall have a single vote. The Executive Dean shall appoint the Chair of the subcommittee from the members of the subcommittee. Every two years the subcommittee shall elect eight members to serve on the Medical Education Committee. The elected members shall consist of one student, one of the members designated by the Faculty Board, and six course directors.

A Clinical Curriculum Subcommittee shall be responsible for the design, implementation, and management oversight of the clinical portion of the curriculum. The subcommittee shall issue recommendations regarding substantive curriculum or policy changes to the Medical Education Committee. Subcommittee members shall include: the faculty members who serve as directors or co-directors for each required Oklahoma City and Tulsa clerkship or course in the clinical curriculum, two faculty members who serve as directors for clinical elective courses, one student elected by the third-year Oklahoma City class, one student elected by the fourth-year Oklahoma City class, one student elected by the third-year Tulsa class, one student elected by the fourth-year Tulsa class, and two members designated by the Faculty Board. Each represented course shall have a single vote. The subcommittee chair shall select the two members who represent clinical elective courses. Designated associate and assistant deans shall serve as non-voting ex officio members of the subcommittee. Every two years the subcommittee shall elect eight members to serve on the Medical Education Committee. The elected members shall consist of one student, one of the members designated by the Faculty Board, and six clerkship directors (at least three two of whom will be School of Community Medicine-Tulsa clerkship directors and at least two of whom will be Oklahoma City clerkship directors.)

The Curriculum Evaluation Subcommittee shall be responsible for the evaluation of the objectives, content, assessment, and delivery, and general learning environment of required courses and clerkships. Segments of the curriculum, and the curriculum as a whole. The subcommittee shall make recommendations as necessary to the Medical Education Committee. Subcommittee members shall include eight regular faculty members appointed by the Executive Dean. The Executive Dean shall appoint the Chair of the subcommittee from its members. Designated associate and assistant deans shall serve as non-voting ex officio members.
AGENDA ITEM 4

ISSUE: CONVERSION OF APIC TO NON-MEMBER STATUS – HSC (PLACEHOLDER)
AGENDA ITEM 5

ISSUE:  HOSPITALS AND TEACHING SITES AFFILIATED WITH THE OU HEALTH SCIENCES CENTER – HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents appoint the following University representatives or employees to serve on the Board of Directors of OU Medicine Inc. (“OUMI”):

- Clayton I. Bennett
- Leslie J. Rainbolt-Forbes, MD
- Jason R. Sanders, MD
- Ken D. Rowe
- Jesus E. Medina, MD

BACKGROUND AND/OR RATIONALE:

At its August 11, 2017 special meeting, the Board of Regents approved contracts governing the affiliation of the Health Sciences Center with OUMI, which will be the new non-profit operator of the affiliated OU Medical System in Oklahoma City, subject to final regulatory approvals. At its September 14, 2017 meeting, the Board of Regents approved a Board policy (Section 2.11.4) for the administrative processes to internally select University representatives or employees to serve on the Board of Directors of OUMI. The OUMI Board of Directors will be constituted according to the First Amendment and Restated Bylaws of OUMI.
AGENDA ITEM 6

ISSUE:  REFUNDING ODFA REAL PROPERTY MASTER LEASE, SERIES 2007C – HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents authorize the officers of the University of Oklahoma Health Sciences Center to submit an application for inclusion under the Oklahoma State Regents for Higher Education Master Equipment Lease/Purchase Program in an amount sufficient to refund the Oklahoma Development Finance Authority (ODFA) Real Property Master Lease, Series 2007C.

BACKGROUND AND/OR RATIONALE:

In December 2007 the University entered into a 15 year lease agreement with the Oklahoma Development Finance Authority (ODFA) and the Oklahoma State Regents for Higher Education (OSRHE) as a beneficiary of a portion of the proceeds from the ODFA Equipment Master Lease Revenue Bonds, Series 2007C for the replacement of cooling towers on the Tulsa Campus. The University’s portion of the proceeds was approximately $1.3 million. The University funds the debt service from institutional funds. The OSRHE is requesting the University administration seek approval to refund the bonds for economic savings. The size of the bonds and actual savings are subject to market conditions at the time of refunding. At this time, the bonds are expected to be issued in an approximate amount of $522,000 and gross and present value savings are estimated to be $20,449 and $17,607 (3.46%), respectively.

The OSRHE implemented the Master Lease-Purchase program to facilitate, for Oklahoma colleges and universities, acquisitions of long-lived assets using the lease-purchase method. The OSRHE submits funding requirements periodically through the State of Oklahoma Council of Bond Oversight and the Oklahoma Development Finance Authority, the conduit-financing agency, and assists in developing and executing an appropriate plan of financing. Certain dollar limits and useful life requirements must be met for an acquisition to qualify for the program. The consolidation of multiple institutions requesting funds into a single debt issuance by the OSRHE greatly reduces the time and effort that would otherwise be required for an institution to finance the acquisition of a major capital asset.
AGENDA ITEM 7

ISSUE: MEDICAL AND PHARMACY BENEFIT RATES AND CONTRIBUTION STRUCTURE, AND EMPLOYEE ASSISTANCE PROGRAM – HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents:

I. Authorize the President or his designee to implement employee contribution schedule as described in the attachment;

II. Authorize the President or his designee to implement the attached plan design and for the indemnity health care plan as described in the attachment; and

III. Authorize the President or his designee to implement the attached plan design the Employee Assistance Program.

BACKGROUND AND/OR RATIONALE:

I. Employee Medical Premium Contribution: The University sponsors health benefit programs for the benefit of its employees and retirees. In 2009 a 6-tier medical contribution model was adopted that stratifies medical premium contributions according to the employee’s wages. The attached document proposes a 3-tier premium contribution model in 2018 for the Health Sciences Center. The restructuring of the premium contribution schedule will assist the University in two significant ways. The first is the price reduction for family level coverage is reduced in general. Second, the increased affordability of family coverage assists with the recruitment and retention issues that have developed since the start of the 6-tier medical contribution.

The 3-tier contribution model delineates by employee salary at Tier 1: $50,000 and below, Tier 2: $50,001 to $99,999, and Tier 3: $100,000 and above. Plan Year 2018 monthly single coverage is priced at Tier 1 - $38.89, Tier 2 - $77.77, and Tier 3-$111.10. The 2017 range for single coverage is $21.18 to $127.02. Likewise, the monthly family coverage is priced at Tier 1-$393.29, Tier 2- $540.77, and Tier 3-$721.03. The 2017 range for family coverage is $421.42 to $780.60. Family coverage in general will experience a premium contribution reduction.

The University will absorb approximately $600,210 in employee costs in order to facilitate the collapse of the employee contribution schedule from 6- to 3-tiers.

II. The University issued a request-for-Proposal in June 2018. The Board of Regents approved at its September 2017 meeting the contracting with Blue Cross and Blue Shield of Oklahoma as the plan administrator for the major medical and prescription benefits.
October 24, 2017

The plan year 2018 premium rate increases are 4.9% for the Preferred Provider Organization [PPO] plan and 9.1% for the High-Deduction Plan, a combined 4.9%. With the absorption of a portion of the premium adjusted to facilitate the collapse of the premium tiers, the net effective medical plan renewal is 3.9%. OUHSC has a surplus of $3.1 million from last plan year to offset the cost.

In effort to control costs to the University and members, there are moderate plan design changes/enhancements in 2018 which will incentivize employees to use facilities and physicians in a narrower “Blue Preferred” network. There is an overlap of approximately 97% with regard to facilities and providers in the “Blue Preferred” network compared to the larger “Blue Choice” network. OUHSC providers and facilities are part of the “Blue Preferred” network. Use of the deeper discounted Blue Preferred network will drive the largest savings for both the University and the member. An overview of material plan design changes is outlined in the chart below.

III. The RFP Committee selected Magellan Health as the EAP provider for OUHSC. A six-visit model will be utilized. Included with the six-visit model is unlimited critical incident support to OUHSC, and a variety of training resources for faculty and staff. This is an enhancement from the 2017 three-visit model through Lincoln Financial.

IV. There are no premium rate or plan design changes to Dental, Vision, Life, LTD or AD&D in 2018.

AGENDA ITEM 8

ISSUE: INVESTMENT AGREEMENT – ALL

ACTION PROPOSED:

President Boren recommends the Board of Regents approve an amendment to the Investment Services Agreement with the University of Oklahoma Foundation, Inc. to include additional mission driven strategic investments options for the Health Sciences Center and authorize the Vice President for Administration and Finance at the Health Sciences Center to do all things reasonably necessary and convenient to consummate the action contemplated herein. An executive session may be proposed in regards to property pursuant to Section 307B.3.

BACKGROUND AND/OR RATIONALE:

Through the University of Oklahoma Foundation, Inc. (Foundation), the University of Oklahoma Health Sciences Center is seeking approval to participate in strategic investment opportunities that will support the mission of the Health Sciences Center to educate students, residents and other trainees, advance research and deliver exceptional patient care across the full breadth of adult, women’s, and children’s specialties. Funds contemplated for this investment are excess, expendable funds currently invested in an intermediate term fund managed by the Foundation, as authorized under current investment policies.
AGENDA ITEM 9

ISSUE: FISCAL YEAR 2017 INDEPENDENT AUDITS – HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents accept:

I. The fiscal year 2017 independent auditors’ reports and audited financial statements for the Health Sciences Center Campus; and

II. The fiscal year 2017 independent auditors’ reports on compliance and schedules of expenditures of federally funded awards for the Health Sciences Center Campus.

BACKGROUND AND/OR RATIONALE:

At the October 2017 meeting of the Board of Regents’ Finance and Audit Committee, Eide Bailly presented for the fiscal year ended June 30, 2017 the “Independent Auditors’ Report”, the Audited Financial Statements, and the “Independent Auditors’ Report on Internal Control Over Financial Reporting and on Compliance and Other Matters.” The audits were conducted in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Governmental Auditing Standards, issued by the Comptroller General of the United States.

At the same meeting, Eide Bailly presented for the fiscal year ended June 30, 2017 the “Independent Auditors Report on Compliance for Each Major Federal Program; Report on Internal Controls over Compliance; and Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance based on the audit of the Health Sciences Center Campus. This audit was conducted in accordance auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Governmental Auditing Standards, issued by the Comptroller General of the United States; and Office of Management and Budget.
AGENDA ITEM 10

ISSUE: ACQUISITION AND DISPOSITION OF PROPERTY, 901 N. STONEWALL AVE. – HSC

ACTION PROPOSED:

President Boren recommends the Board of Regents:

I. Approve the acquisition by the University of the property located at 901 N. Stonewall Ave., Oklahoma City, Oklahoma County not to exceed a cost of $1,000,000; and

II. Authorize the President or his designee to complete and/or negotiate and execute as necessary those contracts required to effect the property transfer and all necessary purchase related contracts.

BACKGROUND AND/OR RATIONALE:

The University administration recommends that it be authorized to acquire the property located at 901 N. Stonewall Ave., Oklahoma City, which is located adjacent to the campus. The critical location of the property makes this a strategic and desirable acquisition for the University. The Oklahoma Health Center Master Plan designates this area for University use. The University has a contract for the purchase of the property subject to the approval of the Board of Regents.

Acquisition of this property is being facilitated through use of an on-call consultant in accordance with the Regents item approved on March 28-29, 2012.

A Phase I Environmental survey has been done and the property recently reviewed by an independent environmental consultant. The acquisition of this property meets Regents’ policy, and funding has been identified.

Section 4.15.1 of Board Policy permits the University to acquire real property when needed for the expansion of University operations or when the property is located in potential expansion zones adjacent to the campus. The prominent location of this property to the campus makes this a strategic and desirable acquisition for the University. A boundary survey and legal description will be obtained from an independent on-call surveyor. The purchase price is supported by independent appraisals. The valuation and a property description will be placed on file in the Board of Regents’ Office. Funding will be provided through University funds.
AGENDA ITEM 11

ISSUE: CREATION OF TULSA CAMPUS COMMITTEE

ACTION PROPOSED:

Chairman Bennett recommends that the Board of Regents adopt the below amendment and modification to Board of Regents Bylaw Article 4, Section 3 to add a Tulsa Committee as a Standing Committee of the Board:

ARTICLE 4. COMMITTEES

Section 3. Standing Committees

There shall be seven (7) standing committees of the Board as follows: a. Finance and Audit Committee; b. Norman Campus Committee; c. Health Sciences Center Committee; d. Athletics Committee; e. Cameron University Committee; and f. Rogers State University Committee; and g. Tulsa Campus Committee. Provided however, the Board may add or dissolve standing committees of the Board, as it deems reasonably necessary or desirable, by an affirmative vote of a quorum of members of the Board.

BACKGROUND/RATIONALE:

Current Board of Regents Bylaws lists six (6) Standing Committees of the Board. The duty of each Standing Committee is to facilitate consideration of the business and management of the University by remaining informed regarding items of special interest to the Committee’s area of emphasis. Formal authority to act on all matters is reserved to the full Board, unless such authority is specifically delegated.

The Bylaws currently include a campus Standing Committee for the Norman and Health Sciences Center campuses. Historically, each of these Standing Committees has considered and addressed matters relevant to affiliated Tulsa campus programs. As matters of independent relevance to the Tulsa campus have increased, addition of a distinct Tulsa Campus Committee is necessary for efficient and effective Board administration.

In accordance with Article 7, Section 1, each member of the Board was provided with notice of the proposed amendment to the Bylaws at least fifteen days prior to the October 24, 2017 regular meeting of the Board. The Board may add a Standing Committee by an affirmative vote of a majority of members of the Board (Article 3, Section 6). The Bylaws may be amended to reflect the addition of a Tulsa Campus Standing Committee by affirmative vote of a majority of all Board members (Article 7, Section 1).
Agenda Items for INFORMATION ONLY OU
Agenda items number 12 through 18 have been identified, by the administration, as “For Information Only.” Although no action is required, does anyone have any questions or comments about these items or would anyone like to discuss or consider these items? If not, we will move on to Agenda Item 19.
AGENDA ITEM 12

ISSUE: ACADEMIC CALENDAR 2018-2019 – HSC, NC, & LAW

ACTION PROPOSED:

This item is reported for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education authorize the President to approve the institution’s academic calendar each year. The calendar is then submitted to the State Regents by December 1 prior to the summer semester to which the proposed calendar applies. The attached academic calendar is for information only and will be submitted to the State Regents.

AGENDA ITEM 13

ISSUE: NATURAL GAS SUPPLIER – ALL

ACTION PROPOSED:

This report is presented for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

Board of Regents’ policy required that acquisition contracts that merely establish unit pricing, availability and other terms and conditions but which are indefinite as to quantity and delivery must be reported to the Board of Regents if the cumulative orders against them are expected to exceed $1,000,000 annually.

This item reports the anticipated activity for the supply of natural gas for fiscal year 2018 is estimated to be between $6 million and $8 million based on a price-range expectation of $2.75 to $3.66 per mmbtu. Gas purchases are managed by an analyst engaged by the Norman campus. The analyst has been assisted via contract with a company that has provided advice, transaction execution, and reporting. The contract covered gas purchased by Norman campus, Health Sciences Center, Schusterman campus, and Cameron University. The main quantity of gas acquired is through forward-pricing contracts. Other strategies include “basis” contract (which recognize price differences between delivery gates) and spot market buys. Transactions take place through the New York Mercantile Exchange (NYMEX). This method of purchasing natural gas has been in place since 1989.

The contract awarded to Centerpoint Energy, Inc. of Houston, Texas will be the fifth year renewal of the anticipated ten-year overall agreement.

Funding has been identified, is available and budgeted within the various campus utility accounts.
AGENDA ITEM 14

ISSUE: PREFERRED COMPUTER RELATED TECHNOLOGY PURCHASE AGREEMENT – ALL

ACTION PROPOSED:

This report is presented for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

Board of Regents’ policies and procedures require that acquisition contracts that merely establish unit pricing, availability and other terms and conditions but which are indefinite as to quantity and delivery must be reported to the Board of Regents if the cumulative orders against them are expected to exceed $1,000,000 annually.

This item reports the anticipated activity for preferred computer related technology purchases for fiscal year 2018 estimated to be $6 million, for all university campus locations.

The previous annual expenditures for fiscal year 2017 for all campuses are as follows:

<table>

The contract awarded to Dell Inc., of Round Rock, Texas is based on a previous competitive solicitation and will be the first renewal of a five-year contract.

Funding will be identified from respective departmental budgets on a per purchase basis.
AGENDA ITEM 15

ISSUE: NONSUBSTANTIVE PROGRAM CHANGES – NC

ACTION PROPOSED:

This is reported for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

Administrative/Internal Program Change
Approved by Academic Programs Council, September 1, 2017
Change in Minor Requirements

COLLEGE OF ATMOSPHERIC AND GEOGRAPHIC SCIENCES

Geography, Minor (MC N466)

Course requirement change. Add GEOG 1123 Introduction to Geohumanities as an option for students to take in the fundamentals portion of the minor sheet. Total credit hours will not change.

Reason for request:

GEOG 1123 is a new course that needs to be added to the minor options.

UNIVERSITY COLLEGE

Naval Science, Minor (MC N737)

Course requirement change. For Marine-Options, the course NS 4333 Amphibious Warfare has been removed from the OU course inventory and the course NS 4443 Fundamentals of Maneuver Warfare has been added in its place. This change would take effect at the beginning of the spring 2018 semester. Total credit hours will not change.

Reason for request:

Nationwide Naval Reserve Officers Training Corps (NROTC) curriculum change for Marine-Options.

Change in Accelerated Degree Requirements

COLLEGE OF ATMOSPHERIC AND GEOGRAPHIC SCIENCES

Environmental Sustainability/Regional & City Planning, Bachelor of Arts in Environmental Sustainability/ Master of Regional & City Planning (RPC 381/199, MC A408-P516/F817Q228)

Course and degree program requirement changes. A&GS is requesting two changes to the College's BA requirements: 1) Reducing the currently required six hours of intermediate (2000+)
foreign language to three hours and 2) Increasing the currently required three hours of social science or humanities to Gen Ed to six hours, to include both a course from both social science and humanities. Total credit hours for the degree will not change.

Reason for request:

It is hoped that this change will make the College of Atmospheric & Geographic Sciences more competitive with degree programs offered through the College of Arts & Sciences, which requires only one, 3-hour intermediate (2000+) foreign language course. A number of OU students start out as majors in the College of Arts & Sciences, and complete the A&S foreign language requirement early in their academic careers. Many students then discover bachelor of arts degree programs in the College of Atmospheric & Geographic Sciences, but are discouraged from changing to A&GS, due to the (currently required) second intermediate foreign language course, since most have completed the first intermediate course anywhere from 1-2 years earlier.

Geographic Information Science/Regional & City Planning, Bachelor of Arts in Geographic Information Science/ Master of Regional & City Planning (RPC 367/199, MC A450/F817Q272)

Course and degree program requirement changes. A&GS is requesting two changes to the College's BA requirements: 1) Reducing the currently required six hours of intermediate (2000+) foreign language to three hours and 2) Increasing the currently required three hours of social science or humanities to Gen Ed to six hours, to include both a course from both social science and humanities. Course and degree program requirement changes. A&GS is requesting two changes to the College's BA requirements: 1) Reducing the currently required six hours of intermediate (2000+) foreign language to three hours and 2) Increasing the currently required three hours of social science or humanities to Gen Ed to six hours, to include both a course from both social science and humanities. Change in Minor Requirements

UNIVERSITY COLLEGE

Military Science, Minor (MC N700)

Course requirement change. Course numbers and credit hours for MS 1000-4000 level courses as
well as names have changed. Approved history courses have also changed.

Reason for request:

All MS level courses are now 3 credit hour courses and the names of the courses also
changed. New guidance on approved Military History courses was also given.

ISSUE: CURRICULUM CHANGES – NC

ACTION PROPOSED:

This is reported for information only. No action is required

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education confer upon each institution the authority to delete, modify and add courses. The course deletions, modifications, and additions itemized in the attached list have been approved by the appropriate faculty, academic units and deans, the Academic Programs Council, and the Senior Vice President and Provost. They are being forwarded to the Board of Regents for information only.

AGENDA ITEM 17

ISSUE: REPORT OF CERTAIN ACQUISITION CONTRACTS: NEXTTHOUGHT, LLC – NC

ACTION PROPOSED:

This report is presented for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

Board of Regents’ policy requires that acquisition contracts that merely establish unit pricing, availability and other terms and conditions but which are indefinite as to quantity and delivery must be reported to the Board of Regents if the cumulative orders against them are expected to exceed $1,000,000 annually.

This item reports the anticipated activity for product and service delivery by NextThought, LLC of Norman (NT), on a negotiated basis, for the development and maintenance of technology platforms to transform numerous elements of the University’s higher education experience. The overall objective is to create and enhance those factors that encourage and facilitate student success while addressing and neutralizing those influences that work against retention and graduation. NT has proven to be cost-efficient in the delivery of programs and services and successfully meets tight project deadlines. Below are highlights of the technology developed in the last year.

NT developed a completely new Housing application with a highly engaging user interface. The legacy housing application was seventeen pages in length. The new state-of-the-art application developed with NT is much easier to complete, better presents the attractiveness of living on campus, manages data more effectively, and further contributes to retention efforts by improving how roommates are matched. Over 3,900 incoming freshmen have completed it as of the writing of this item. Compared with previous semesters, students this fall have reported a higher average level of satisfaction with their respective roommates (6.3 out of 7).

NT created the Scholarship Genius, which more successfully connects students with available scholarship opportunities. Since its creation 42,431 students and prospective students have used it. It has become an essential part of the many efforts to facilitate the distribution of available earnings from scholarship accounts. Scholarship Genius is very easy for students to use as they explore available opportunities; it has resulted in an increase of more than $5 million in scholarship earnings distributions.

NT formulated a financial planning tool for students, which is an integral component of the University’s student financial counseling program, in partnership with MidFirst Bank. Over 3,400 students completed the planning tool this summer. Unlike other major financial commitments in one’s life (e.g., the purchase of a home), students and families can enroll in college with little or no financial planning. Further, for students who do not complete the FAFSA, universities have little visibility into their financial circumstances. This financial planning tool is the first step in the MidFirst Money Coach program, helping
students and families complete a plan that extends through graduation. As well, it provides the University basic financial information critical to student support and increased retention.

NT is assisting in building the backbone of the University’s data architecture to offer greater and more complete personalization of the OU experience. The University’s efforts to achieve ever greater retention and graduation rates is rooted in the savvy use of data analytics to serve students with ever greater personalization.

The focuses for the current fiscal year are listed below:

- Further enhanced housing contract and roommate matching technology.
- Further improving and augmenting the financial success planning tool.
- Continue building the data infrastructure and artificial intelligence tools that power the student personalization effort.
- Enhancement and further development of the University’s Salesforce retention tool. It allows for coordinated internal communication and clear ownership for each unenrolled student. Enhancements will integrate best-next-action data and build a state-of-the-art personalized student communication platform.
- New initiatives that may arise.

Cost for the first, second, third, and fourth fiscal years were $709,400, $2,770,000, $3,508,800, and $3,770,000, respectively.

The estimated cost for the current fiscal year is $3.8 million.

Funding has been identified, is available and budgeted within discretionary university funds.
AGENDA ITEM 18

ISSUE: FIRE ALARM AND SPRINKLER INSPECTION SERVICES – NC

ACTION PROPOSED:
This report is presented for information only. No action is required.

BACKGROUND AND/OR RATIONALE:

Board of Regents’ policy required that acquisition contracts that merely establish unit pricing, availability and other terms and conditions but which are indefinite as to quantity and delivery must be reported to the Board of Regents if the cumulative orders against them are expected to exceed $1,000,000 annually.

This item reports the anticipated activity for fire alarm and sprinkler inspection services for fiscal year 2018, with estimated annual expenditures of $2,000,000. The fire alarm and sprinkler inspection services are used for both housing and non-housing campus buildings and are required to maintain and upgrade existing equipment or when new locations are added. Previous annual expenditures for fiscal year 2017 for Norman campus were $1,162,228.

The contract to Simplex Grinnell, of Oklahoma City, is available through the State of Oklahoma from a competitive bid according to state purchasing rules and complies with Board of Regents Policies and Procedures regarding competition relative to the acquisition of products and services.

Funding has been identified, is available and budgeted within the Department of Facilities Management, Sam Noble Oklahoma Museum of Natural History, and Housing and Food Service operating accounts.
Agenda Items for

NORMAN CAMPUS
AGENDA ITEM 19

ISSUE: AWARDS, CONTRACTS, AND GRANTS

ACTION PROPOSED:

President Boren recommends that the Board of Regents ratify the awards and/or modifications for July and August 2017 submitted with this Agenda Item.

BACKGROUND AND/OR RATIONALE:

In accord with Regents' policy, a list of awards and/or modifications in excess of $1,000,000 or that establish or make policy for the University, or that otherwise involve a substantial or significant service to be performed by the University are shown on the following pages. Comparative data for fiscal years 2014 through 2018 and current month and year-to-date, are shown on the graphs and tables. Throughout the reports, the data stated for both campuses include the OU-Tulsa Schusterman Campus as well.

The Provisions of Goods and Services policy provides that new contracts and grants in excess of $1,000,000 must be referred to the Board of Regents for ratification. In addition, in the event a contract, grant, document, or arrangement involved would establish or make policy for the University, or would otherwise involve substantial or significant service to be performed by the University, that contract, arrangement, or document shall be referred to the Board of Regents for approval.

AGENDA ITEM 20

ISSUE: SUBSTANTIVE PROGRAM CHANGES – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents approve the proposed changes in the Norman Campus academic program:

BACKGROUND AND/OR RATIONALE:

The Oklahoma State Regents for Higher Education require that all substantive changes in degree programs be presented to the institution’s governing board for approval before being forwarded to the State Regents for consideration. The changes in academic programs itemized in the attached list have been approved by the appropriate faculty, academic units and deans, the Academic Programs Council, and the Senior Vice President and Provost. They are being submitted to the Board of Regents for approval prior to submission to the State Regents.

Substantive Program Changes
Approved by Academic Programs Council, September 1, 2017

Program Requirement Changes

COLLEGE OF ARCHITECTURE

Urban Studies, Master of Science in Architectural Urban Studies (RPC 338, MC M864, M410, M521)

Change Level II degree designation to Master of Urban Design, change Level III program name to Urban Design, change Level IV option name Urban Studies to Urban Design; delete Level IV options Environmental Technology and Human Resources; course requirement change ARCH 6680 title to Urban Design Studio and change the list of approved core curriculum major option courses to reflect deletion of the Environmental Technology and Human Resources options and add new courses for the Urban Design (formerly General Urban Studies) option. Total credit hours for the degree will not change.

Reason for request:

Urban Studies is a multidisciplinary pursuit and degree programs in the field originate in a variety academic departments. Our program originated in the College of Architecture and as such emphasizes the built environment, urban design, placemaking, and community based participatory planning. We wish to change the name of the program to Master of Urban Design to reflect this emphasis. It will allow prospective students with undergraduate backgrounds in Architecture, Landscape Architecture, Civil Engineering, Real Estate, and City Planning to clearly identify the type of program we have and the subjects and skills we focus on. A survey of similar programs at peer institutions finds that Master of Urban Design is the most common designation for similar courses of study. We hope the name change will help to recruit students to the program. Furthermore, we hope the name change will also be clearer for employers looking to hire our graduates. The options being deleted have only attracted a handful of students since their inception. The option in Environmental Technology is difficult to pursue since the courses are not available at OU-Tulsa and require students to commute to Norman, transfer courses from OSU-Tulsa, or complete independent study and petition for approval. We would
like to change the Urban Studies option name to Urban Design to reflect the name change of the degree to Master of Urban Design as described in Item 3. With the revised Urban Design option, we will simplify the program and focus on our strengths in design, placemaking, and community based participatory planning. The new name for ARCH 6680, Urban Design Studio, better reflects the course content and program name change. The change to the approved courses for the core curriculum major options reflect the deletion of the Environmental Technology and Human Relations options. There are also several additional courses added from the college offerings that are well suited for students in the Urban Design option that were not offered when the original list was compiled.

COLLEGE OF ARTS AND SCIENCES

English, Bachelor of Arts (RPC 068, MC B375-P421, B375-P696)

Degree program requirement change. The English Department proposes to reduce its requirement for majors to complete two semesters of intermediate level courses in a language other than English. We request that our new requirement be the completion of one intermediate level course in a language other than English. Total credit hours for the degree will not change.

Reason for request:

Reducing the foreign language requirement to one semester at the intermediate level will make our department's requirements for a BA identical to the number of foreign language courses required for an undergraduate degree from OU's College of Arts and Sciences. This modification to our requirements aligns our department with other disciplines in CAS that cultivate students' communication and critical thinking abilities. The change also removes a barrier to timely graduation.

COLLEGE OF ATMOSPHERIC AND GEOGRAPHIC SCIENCES

Environmental Sustainability, Bachelor of Arts in Environmental Sustainability (RPC 381, MC B408-P161, B408-P516, B408-591)

Course and degree program requirement changes. A&GS is requesting two changes to the College's BA requirements: 1) Reducing the currently required six hours of intermediate (2000+) foreign language to three hours and 2) Increasing the currently required three hours of social science or humanities to Gen Ed to six hours, to include both a course from both social science and humanities. Total credit hours for the degree will not change.

Reason for request:

It is hoped that this change will make the College of Atmospheric & Geographic Sciences more competitive with degree programs offered through the College of Arts & Sciences, which requires only one, 3-hour intermediate (2000+) foreign language course. A number of OU students start out as majors in the College of Arts & Sciences, and complete the A&S foreign language requirement early in their academic careers. Many students then discover bachelor of arts degree programs in the College of Atmospheric & Geographic Sciences, but are discouraged from changing to A&GS, due to the (currently required) second intermediate foreign language course, since most have completed the first intermediate course anywhere from 1-2 years earlier.
Geographic Information Science, Bachelor of Arts in Geographic Information Science (RPC 367, MC B450)

Course and degree program requirement changes. A&GS is requesting two changes to the College's BA requirements: 1) Reducing the currently required six hours of intermediate (2000+) foreign language to three hours and 2) Increasing the currently required three hours of social science or humanities to Gen Ed to six hours, to include both a course from both social science and humanities. Total credit hours for the degree will not change.

Reason for request:

It is hoped that this change will make the College of Atmospheric & Geographic Sciences more competitive with degree programs offered through the College of Arts & Sciences, which requires only one, 3-hour intermediate (2000+) foreign language course. A number of OU students start out as majors in the College of Arts & Sciences, and complete the A&S foreign language requirement early in their academic careers. Many students then discover bachelor of arts degree programs in the College of Atmospheric & Geographic Sciences, but are discouraged from changing to A&GS, due to the (currently required) second intermediate foreign language course, since most have completed the first intermediate course anywhere from 1-2 years earlier.

Geography, Bachelor of Arts in Geography (RPC 328, MC B460-P268, B460-P506)

Course and degree program requirement changes. A&GS is requesting two changes to the College's BA requirements: 1) Reducing the currently required six hours of intermediate (2000+) foreign language to three hours and 2) Increasing the currently required three hours of social science or humanities to Gen Ed to six hours, to include both a course from both social science and humanities. Total credit hours for the degree will not change.

Reason for request:

It is hoped that this change will make the College of Atmospheric & Geographic Sciences more competitive with degree programs offered through the College of Arts & Sciences, which requires only one, 3-hour intermediate (2000+) foreign language course. A number of OU students start out as majors in the College of Arts & Sciences, and complete the A&S foreign language requirement early in their academic careers. JEANNINE RAINBOLT COLLEGE OF EDUCATION

Instructional Leadership and Academic Curriculum, Master of Education (RPC 063, MC TBD)

Program option addition: Reading Specialist. Provide a professional track for certified teachers to satisfy requirements for advanced certification as a reading specialist, one requirement of which is a Master's degree. A total of 32 hours is required for this degree consisting of 10 hours of core courses and 22 hours of concentration courses.

Reason for request:

This degree will be a professional degree for teachers who are initially certified in any initial certification area who wish to become certified as a Reading Specialist. The Reading Specialist Certification program is a nationally recognized accredited advanced teacher preparation program in the Jeannine Rainbolt College of Education at the University of
Oklahoma. Our Specialized Professional Association, The International Literacy Association, provides standards for any accredited reading specialist program, which include a minimum of 30 hours of reading/literacy content courses of which a minimum of 6 hours must contain a supervised practicum or clinic component. This degree will have 32 hours of content courses and will include an enhanced clinic component, which will enable our students to better learn how to meet the needs of all children, including those with special needs such as dyslexia. In addition, because the degree is 10 courses, students will be able to complete the degree in 5 semesters making it more affordable on a teacher's salary.

COLLEGE OF LAW

Law and Energy and Natural Resources Law-LLM and Indigenous Peoples Law-LLM, Master of Laws and embedded Graduate Certificates (RPC 384, 155, 156 MC M360, G038, G068)

Existing program online delivery request for Master of Laws and both embedded graduate certificates. The delivery method will be the same as the Masters of Legal Studies programs being offered by the College of Law. The courses will be offered in the Canvas LMS and will utilize, recorded lectures, online discussion forums, quizzes, tests, and written assignments.

Reason for request:

The College of Law has found it more difficult in recent years for students from foreign countries to enroll in the traditional LLM program. As a result of several energy producing states such as Kazakhstan and Kurdistan reducing government support, the added cost of travel and living expenses in the United States makes it much more financially burdensome for students to move to Norman to complete the degree in a traditional format. Increasing uncertainty and complexity surrounding a US visa has also been a contributing factor to deter foreign student enrollment. As a result, the number of students from outside the US matriculating has been declining. Yet, we still observe strong interest in the LLM program and the embedded certificates from overseas applicants. By way of example in the month of April we had contact with 137 potential applicants. Yet the vast majority of potential applicants are unable to stay in the process through obtaining a US visa and securing enough funding to cover tuition and travel. We also continue to receive inquiries from universities in countries such as India who have students interested in our LLM degree in Oil and Gas and Energy Law but who cannot relocate to the United States for a year.

Substantive Program Changes
Approved by Academic Programs Council, October 6, 2017

Program Requirement Change

COLLEGE OF PROFESSIONAL AND CONTINUING STUDIES

Administrative Leadership, Graduate Certificate (RPC 366, MC G016)

Course requirement change. Reduce total hours for the certificate from 15 to 12. Reduce required hours from 12 to 6. Remove LSAL 5153 and 5173 from required course list. Increase elective hours from 3 to 6. Remove LSAL 5203 and 5243 from elective course list. Add LSAL 5173, 5193, 5293, 5463, 5903 and 5913 to elective course list. Allow students to choose from two elective course groupings because LSAL 5903 and 5913 require special enrollment and are designed to be taken together and sequentially.
Reason for request:

The Graduate Certificate in Administrative Leadership is being modified for two purposes. First, the Master of Arts in Administrative Leadership was recently updated with new courses and tracks. While the AL graduate certificate is not embedded within the MAAL degree, it does share a curriculum. This modification request will better align the AL certificate with the updated MAAL program and provide students increased flexibility to experience some of the newly developed courses. Certificate students who are considering the MAAL degree may also choose elective courses that align with their future track areas. The second purpose for modifying the Graduate Certificate in Administrative Leadership is to align the credit hour requirements with other existing and planned certificates within the College of Professional and Continuing Studies. The AL certificate currently requires 15 credit hours, but other certificates offered by the College require 12 hours. These include certificates in Restorative Justice Administration and Corrections Management. The 12-hour requirement allows students to complete a certificate in two part-time semesters and avoids a potential psychological barrier to enrollment sometimes experienced in a longer certificate program.
AGENDA ITEM 21

ISSUE: SAM VIERNSE GYMNASICS CENTER, THE HEADINGTON FAMILY TENNIS CENTER, AND THE GREGG WADLEY INDOOR TENNIS PAVILION PROJECT – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents:

I. Rank in the order presented below architectural firms under consideration to provide professional services for the Sam Viernsen Gymnastics Center, the Headington Family Tennis Center, and the Gregg Wadley Indoor Tennis Pavilion project;

II. Authorize the University administration to negotiate the terms of an agreement and a fee, starting with the highest-ranked firm; and

III. Authorize the President or his designee to execute the consultant contract.

BACKGROUND AND/OR RATIONALE:

At the May 2017 meeting, the Board of Regents approved the Sam Viernsen Gymnastics Center Expansion and Improvements and the Gregg Wadley Indoor Tennis Pavilion and Headington Family Tennis Center Expansion and Improvements as a part of the comprehensive Campus Master Plan of Capital Improvements Project for the Norman Campus. The proposed projects will improve and update team and training facilities, spectator seating, and other site and venue improvements.

At this time, an architectural consultant is needed to assist the University in programming and further definition of the project scope, and to provide full professional services for the project.

A request for qualifications was sent to the architectural firms that are currently registered with the State of Oklahoma’s Office of Management and Enterprise Services, Division of Capital Assets Management, Department of Real Estate Services, and a committee was formed to evaluate the responses received from fourteen firms. The committee was composed of the following:

Jeff Schmitt, Chair, Assistant Director, Architectural and Engineering Services
Larry Naifeh, Executive Associate Athletic Director
Brian Ellis, Director, Facilities Management
Alan Moring, Project Manager, Architectural and Engineering Services

Based on these proposals and client references, four firms were selected for further evaluation. The firms were ranked and rated as shown below.

1. Bockus Payne Associates Architects
2. ADG, PC.
3. Frankfurt-Short-Bruza Associates, P.C.
4. LWPB Architecture

AGENDA ITEM 22

ISSUE: MEDICAL, PHARMACY, AND EAP BENEFIT PLANS – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents authorize the President or his designee to approve the following 2018 health care changes and premium rate strategy and implement employee contribution rates as described in the attached charts.

BACKGROUND AND/OR RATIONALE:

A. Premiums for the PPO and HSA plans reflect a 3% increase compared with plan year 2017.

B. Medical insurance contribution rates for 2018 have been adjusted to provide a more equitable cost-sharing arrangement for those selecting dependent coverage.

C. Changes to the current PPO plan design includes the addition of bariatric surgery for morbidly obese employees, as well as changing the copay for urgent care visits to $60 (this removes the combination of $100 copay + deductible + 20% coinsurance). The deductibles will increase to $600 individual/$1,200 family, the out-of-pocket maximums will increase to $3,500 individual/$7,000 family, and the out-of-pocket maximum for pharmacy will be removed.

D. Changes to the current HSA plan design include the addition of bariatric surgery for morbidly obese employees. The deductibles will increase to $1,750 individual/ $3,500 family and the out-of-pocket maximums will increase to $3,500 individual/ $7,000 family.

E. Premiums for the Medicare eligible retiree plan reflect a 9.65% increase compared with plan year 2017.

F. Lincoln Financial will provide a rate reduction for short-term disability in 2018. AFLAC previously has been the short-term disability provider.

G. No changes are proposed to any other fringe benefit plans.
# 2018 Medical Insurance Rates: Active, Full-time, Monthly-Paid Employees

AGENDA ITEM 23

ISSUE:  FISCAL YEAR 2017 INDEPENDENT AUDITS – NC

ACTION PROPOSED:

President Boren recommends the Board of Regents accept:

I. The fiscal year 2017 independent auditors’ reports and audited financial statements for the Norman Campus; and

II. The fiscal year 2017 independent auditors’ reports on compliance and schedules of expenditures of federally funded awards for the Norman Campus.

BACKGROUND AND/OR RATIONALE:

At the October 2017 meeting of the Board of Regents’ Finance and Audit Committee, Eide Bailly presented for the fiscal year ended June 30, 2017 the “Independent Auditors’ Report,” the Audited Financial Statements, and the “Independent Auditors’ Report on Internal Control Over Financial Reporting and on Compliance and Other Matters.” The audit was conducted in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

At the same meeting, Eide Bailly presented for the fiscal year ended June 30, 2017, the “Independent Auditors’ Report on Compliance for Each Major Federal Program; Report on Internal Control over Compliance; and Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance” based on audits of the Norman Campus. The audit was conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and Office of Management and Budget Uniform Guidance.

ISSUE: APPROVAL OF ESTOPPEL CERTIFICATE AND CONSENT TO MORTGAGE, SUBLEASED PROPERTY – NC

ACTION PROPOSED:

President recommends that the Board of Regents execute the Estoppel Certificate and Consent to Mortgage, subject to and contingent upon the approval of the Oklahoma Zoological Society Trust. An executive session may be proposed in regards to property pursuant to Section 307B.31 of the Open Meetings Act.

BACKGROUND AND/OR RATIONALE:

In 1986, the Board of Regents entered into a Lease Agreement with the Oklahoma Zoological Society, Inc. (“OZS”) to lease certain Board of Regents property near the Oklahoma City Zoo to allow the Oklahoma Zoological Society Trust (“Trust”) to sublet and lease certain OZS property to the Oklahoma Racing Associates, Inc. (“ORA”).

The agreement specifically permitted the Trust to sublease the Board of Regents’ property to ORA, and further consented to allow the ORA to mortgage the property, if approved by the Trust. The successor assignee of the ORA now wishes to mortgage the property and seeks our Letter of Estoppel and Consent to Mortgage. The facts contained in the Estoppel Certificate are accurate, and the Consent to Mortgage is subject to and contingent upon approval by the Trust.
Estoppel Certificate and Consent to Mortgage

______________, 2017

Reference is made to that certain Lease Agreement dated as of June 12, 1986 by and between the Board of Regents of The University of Oklahoma, a body corporate (“Lessor”), and The Oklahoma City Zoological Society, Inc., an Oklahoma charitable corporation (the “Lease”), as assigned to the Oklahoma City Zoological Trust, a public trust (as assigned, “Lessee”), pursuant to that certain Assignment and Assumption of Lease dated June 13, 1986 (the “Lease Assignment”), filed February 17, 1987 and recorded in Book 5589, Page 211 with respect to certain real property located in the County of Oklahoma, State of Oklahoma, as more particularly described in the Lease (the “Property”).

Reference is further made to the fact that Lessor has consented to the assignment of the Lease by The Oklahoma City Zoological Society, Inc., to Lessee and, in turn, Lessee subletting to the Oklahoma Racing Associates, an Ohio general partnership (“ORA”), of its entire interest in the Lease and consenting to the mortgaging of the subject property upon approval of Lessee. Lessee and Sublessee herein represent and warrant to Lessor that ORA assigned all of its interest in the Lease Assignment to Remington Park, Inc., who subsequently assigned all of its interest in the Sublease to Global Gaming RP, LLC, an Oklahoma limited liability company (“Sublessee”).

Sublessee now intends to mortgage its sub-leasehold interest in the Property pursuant to that certain Leasehold Mortgage, Assignment of Leases and Rents, Security Agreement and Fixture Filing (the “Mortgage”) made by Sublessee for the benefit of Wells Fargo Bank, N.A., as administrative agent (together with its successors and assigns, “Mortgagee”). In connection therewith, Mortgagee has required that Sublessee obtain the confirmation and agreement of Lessor and Lessee as to certain matters related to the Lease and the Sublease. Based on the foregoing, and recognizing that Mortgagee will rely thereon, Lessor hereby confirms and agrees to the best of its knowledge as of the date hereof as follows:

1. The copy of the Lease, attached hereto as Exhibit A, and the Lease Assignment, attached hereto as Exhibit B, collectively constitute a true and complete copy of the Lease and any and all amendments, supplements or other similar modifications thereto.

2. The Lease is in full force and effect and has not been modified or amended in any way except as shown on the instruments attached hereto as Exhibit A or Exhibit B, and constitutes the entire agreement between the Lessee and the Lessor with respect to the subject matter set forth therein relating to the Property and, except as represented and warranted above, neither Lessor nor, to Lessor’s knowledge, Lessee has transferred or assigned any interest in Lease.

3. No defaults exist under the Lease nor has either party breached the Lease in any material respect and no facts or circumstances exist which, with the passage of time or the giving of notice or both, would constitute a default or material breach by either party to the Lease.

4. Neither Lessor nor Lessee has any right or option to terminate the Lease prior to its natural expiration on June 11, 2064.

5. All representations made by the Lessor and, to Lessor’s knowledge, Lessee in the Lease are true and correct in all material respects and all warranties under the Lease are in effect.
6. There are no actions pending against the Lessor nor, to Lessor’s knowledge, the Lessee under the bankruptcy or any similar laws of the United States or any state.

7. There is no event, act, circumstance or condition constituting an event of force majeure under the Lease.

8. There are no proceedings pending or, to the Lessor’s knowledge, threatened against or affecting the Lessor in any court or by or before any court governmental authority or arbitration board or tribunal which could reasonably be expected to have a material adverse effect on the ability of Lessor or Lessee to perform its obligations under the Lease.

9. All payments due under the Lease as of the date hereof have been paid in full.

10. There are no disputes or proceedings between the Lessee and Lessor with respect to the Property.

11. The undersigned understands and acknowledges that Mortgagee and its successors and assigns be relying on this certificate in connection with the transactions contemplated by the Mortgage, and accordingly, that this certificate binds Lessor, Lessee and their successors and assigns.

Subject to and contingent upon Lessee’s approval of the Mortgage, Lessor hereby consents to Sublessee’s encumbrance of its sub-leasehold interest in the Property pursuant to the Mortgage in favor of Mortgagee.

LEASE AGREEMENT

THIS LEASE AGREEMENT, effective as of June 12, 1986, by and between the Board of Regents of the University of Oklahoma, a body corporate under the Constitution and Laws of the State of Oklahoma, its successors and assigns (collectively "Lessor") and the Oklahoma Zoological Society, Inc., an Oklahoma Charitable corporation, its successors and assigns (collectively "Lessee")

WITNESSETH

WHEREAS, Lessor is the owner of certain property, as hereinafter defined located in the City of Oklahoma City, hereinafter "Property", and

WHEREAS, on August 27, 1985, the parties entered into a letter agreement setting forth the terms by which Lessor would lease to Lessee the Property, which agreement was modified on October 11, 1985 and

WHEREAS, on February 12, 1986, the parties formalized the terms of the letter agreement by entering into the AGREEMENT BETWEEN THE BOARD OF REGENTS OF THE UNIVERSITY OF OKLAHOMA AND THE OKLAHOMA ZOOLOGICAL SOCIETY, INC. by which the parties further defined the terms by which Lessor would lease the property to Lessee and Lessee would construct certain improvements and undertake certain obligations for the benefit and use of Lessor, which Agreement was amended on June 12, 1986 for the purposes of redefining the property to be leased to Lessor by the State of Oklahoma Department of Human Services upon which certain buildings are to be constructed by Lessee for Lessor's use and

WHEREAS, the intent of all the above referenced agreements is for the parties to enter into a lease agreement granting Lessee a leasehold interest in the Property so Lessee may sublease or assign said property to the OKLAHOMA CITY ZOOLOGICAL TRUST which will sublease or assign the property to OKLAHOMA RACING ASSOCIATES, an Ohio general partnership, for use in the development of a horse racing facility to be named REMINGTON PARK to be constructed on the Property and property contiguous to it and

WHEREAS, Lessee has satisfied, or is in the process of satisfying those obligations imposed by Lessor in the above referenced agreements

NOW THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows

1. PROPERTY For and in consideration of the covenants and agreements hereinafter contained to be kept and performed by Lessee, Lessor does hereby lease and demise to Lessee the
following described real property located in Oklahoma County, State of Oklahoma, which is further shown on Exhibit "A" attached hereto.

A part of the Northwest Quarter of Section 12, Township 12 North, Range 3 West of the Indian Meridian, Oklahoma County, Oklahoma, being more particularly described as follows:

and

A part of the Northwest Quarter of Section 12, Township 12 North, Range 3 West of the Indian Meridian, Oklahoma County, Oklahoma, being more particularly described as follows:

Commencing at the Southwest corner of said Northwest Quarter thence North 00° 06' 33" West a distance of 885 00 feet thence North 89° 53' 27" East a distance of 75 00 feet to the point of beginning, thence North
00° 06' 33" West a distance of 175 00 feet thence 
North 89° 53' 27" East a distance of 98 00 feet thence 
South 00° 06' 33" East a distance of 175 00 feet thence 
South 89° 53' 27" West a distance of 98 00 feet to the point of beginning.

Together with all rights, easements and appurtenances thereto, hereinafter called the "Property", and all upon the terms, provisions and conditions hereinafter set forth.

2 TERM This Lease shall be for a term commencing as of June 12, 1986, continuing for seventy-eight (78) years and ending June 11, 2064.

Notwithstanding any provision to the contrary contained in this Paragraph 2, this Lease shall terminate upon the expiration, or sooner termination, of the lease agreement between THE TRUSTEES OF THE OKLAHOMA CITY ZOOLOGICAL TRUST AND ORA ("Racetrack Lease")

3 RENT Lessee shall pay Lessor as rent for the Property the sum of One Dollar ($1.00) per annum payable in advance on the first day of each calendar year commencing January 1, 1987, and continuing thereafter for the entire term of this Lease. Lessor acknowledges receipt of One Dollar ($1.00) as consideration for the partial year from the effective date of this Lease through January 1, 1987. All expenses including but not limited to ad valorem taxes, insurance, upkeep and maintenance shall be the sole and singular responsibility of Lessee as it is the express intent of the parties that this be a "net" lease to Lessor.

4 ADDITIONAL CONSIDERATION In addition to the annual rent of One Dollar ($1.00) provided in Paragraph 3, Lessee shall construct, at its sole cost and expense, on real property described in Exhibit "A" attached hereto, an animal holding facility equivalent in size, quality of construction, and functionality to the present animal holding facility leased to Lessor. Lessee shall be responsible for all architectural, engineering and contracting expenses related to the construction of the new facility. Lessee shall be obligated to pay for a facility of the same size, quality and specifications as the original facility, and has agreed that added costs due to modifications of the facility as described in the Amendment to Agreement dated June 12, 1986, shall be the responsibility of Lessee.

5 ASSUMPTION AND CANCELLATION OF EXISTING LEASE As further consideration, Lessee shall pay the Bank of Oklahoma of Oklahoma City, Oklahoma in the approximate amount of Six Hundred Sixty Five Thousand Dollars ($665,000) and shall indemnify Lessor against any and all liability Lessor might otherwise have as a result of the loan obligation, including reasonable attorney's fees and costs. Lessor acknowledges that Lessee has satisfied the obligation on August 18, 1986.
The parties agree that upon completion of the new animal holding facility, the parties' obligations under any existing leases for the existing facility will terminate and said lease(s) shall be cancelled and extinguished. As ORA may be obtaining financing for the construction of its racetrack prior to the termination of the lease of the existing facility, the parties agree to provide ORA and/or its mortgagee with written assurances that the existing lease(s) will be terminated upon completion of the new facility and will not remain as title exceptions encumbering the property on which the facilities are located.

6 INDENIFICATION Lessee covenants and agrees to indemnify, defend and save Lessor harmless from any and all suits, actions, damages, claims, demands and judgments of any person or persons by reason of the use of the Property by Lessee or its assignee or sublessee under this Lease and for any condition existing on the Property under the control of Lessee or its assignee or sublessee. In any suit or action for damages against Lessee or its assignee or sublessee in which action Lessor is included or made a defendant, Lessee agrees to assume all of the burden, costs, and expense of the defense or settlement of such action or suit and will pay, or cause to be paid, any judgment which may be obtained against Lessor.

7 LIENS AND ENCUMBRANCES Lessee shall keep the Property and all parts thereof free from judgments, mechanic's and materialman's liens and free from all other liens, claims, demands and encumbrances of whatsoever nature or character.

8 SURRENDER OF POSSESSION At the expiration of this Lease, or sooner termination thereof, Lessee shall give peaceable possession of the Property to Lessor and any buildings, improvements and other fixtures remaining thereon due to the termination of the Racetrack Lease or any other sublease shall be and become the property of Lessor.

9 ASSIGNMENT AND SUBLEASE As it is the intent of the parties that the Property be leased to ORA as part of the racetrack site, Lessor hereby consents to the assignment of Lessor's leasehold interest in the Property to the Trustees of the Oklahoma City Zoological Trust ("Trustees"), Lessor under the Racetrack Lease, and to the sublease of the Property by Trustees to ORA.

10 MORTGAGES As it is contemplated that the development of the Property by ORA will require ORA to mortgage its leasehold interest therein, Lessor hereby consents to the mortgaging of the Property by ORA to any mortgagee which has been approved by the Trustees.
11 LESSEE'S DEFAULT In the event of default in the performance of any covenant to be performed by Lessee, Lessor may enforce performance of this Lease in any manner provided by law, and the Lease may be terminated as to Lessee, at Lessor's discretion, if such default continues for a period of ten (10) days in respect of the covenant to pay rent, or for a period of thirty (30) days in respect to any other covenant, after Lessor notifies Lessee in writing of such default and the intention to declare the Lease terminated, and thereupon (unless Lessee shall have completely cured said default) this Lease shall cease and come to an end as to Lessee as if that were the day originally fixed herein for the expiration of the term hereof.

Notwithstanding the above, Lessor agrees to provide written notice of Lessee's default to ORA and any approved assignees, sublessees or mortgagees of ORA prior to termination ORA and its approved assignees, sublessees and mortgagees will be permitted to cure any defaults of Lessee and will be provided the same cure periods as Lessee, said cure periods commencing upon receipt of the written notice of default.

Lessor agrees that it shall not terminate this Lease due to any default of Lessee, rather, it shall permit ORA or any approved assignees, sublessees or mortgagees of ORA to cure any defaults and agrees to either recognize ORA or any approved assignees, sublessees or mortgagees either as Lessee under this Lease or to enter into a new lease agreement with the party in possession of the Property. However, Lessor may terminate this Lease, in its discretion, if ORA, or any approved assignee, sublessee or mortgagee fail to cure Lessee's default within the times set out in this paragraph.

12 NO WAIVER Any assent or waiver, express or implied, by Lessor to any breach by Lessee or any condition or covenant herein contained shall operate as assent or waiver only in the specific instance and shall not be construed as an assent or waiver of any such covenant or condition generally or of any subsequent breach of the covenants and conditions hereof.

13 REMEDIES CUMULATIVE The various rights, powers, elections and remedies of Lessor contained in the Lease are cumulative and no one of them is exclusive of the other or exclusive of any rights or priorities allowed by law, and no rights, powers, elections, and/or remedies shall be exhausted by being exercised on one or more occasions.

14 QUIET ENJOYMENT As long as Lessee is not in default in the payment of any rents and other charges payable under this Lease and has observed and kept all covenants, warranties, agreements and conditions to be kept on its part, Lessee shall quietly have and enjoy possession of the Property without hindrance, rejection or molestation by Lessor or anyone claiming through Lessor.
15 INVALIDITY OF PROVISIONS Should any clause or provision of this Lease be invalid, void or voidable for any reason, such invalid, void or voidable clause or provision shall not affect the whole of this instrument, but the balance of the provisions hereof shall remain in full force and effect.

16 COVENANTS Lessor and Lessee each represent, warrant, and covenant as follows:

(a) Authority Lessor and Lessee each have the authority to enter into and perform this Lease.

(b) Broker's Commission There are no broker's commissions owing or to be paid.

(c) Pending Actions Neither party knows of any action, claim, suit or proceeding presently pending or threatened against the Property.

17 BINDING EFFECT The provisions of this Lease shall inure to the benefit of and be binding upon the legal representatives, successors and assigns of the parties hereto.

18 SURVIVAL OF REPRESENTATIONS The covenants, representations, and warranties of Lessor and Lessee herein contained shall be effective on the closing date and shall survive the closing.

19 CLOSING EXPENSES Each party shall pay and be responsible for any legal fees incurred by such party for legal services in the preparation and closing of this Lease. Each party further agrees to pay for documentary stamps, if any, required and to pay for the recording of its ground lease should it desire to cause said ground lease to be recorded with the County Clerk of Oklahoma County, State of Oklahoma.

20 NOTICES All notices required hereunder should be in writing and served by Registered or Certified Mail, return receipt requested, postage pre-paid, at the addresses shown below until notification in writing changes such address.

WITNESSETH

WHEREAS, Assignor, as Lessee, entered into a Lease Agreement with THE BOARD OF REGENTS OF THE UNIVERSITY OF OKLAHOMA, a body corporate under the Constitution and laws of the State of Oklahoma, as Lessee, effective as of June 13, 1986 (hereinafter called "Lease"), by which Lessee leased to Lessee certain property located in Oklahoma City, Oklahoma, as described in Exhibit "A" attached hereto and made a part hereof (hereinafter called "Property"), and

WHEREAS, the intent of Lessee and Lessee in entering into the Lease was that Lessee would convey its interest in the Property to Assignee hereunder so that Assignee could sublease the Property to OKLAHOMA RACING ASSOCIATES, an Ohio general partnership (hereinafter called "ORA"), for the purposes of constructing a horse racing facility on the Property and property contiguous to it, and

WHEREAS, on June 13, 1986, Assignee and ORA entered into a Lease Agreement by which Assignee leased to ORA certain property in Oklahoma City, Oklahoma, for the construction of a horse racing facility, which property included the Property, as described herein, and

WHEREAS, Assignor desires to grant, bargain, sell, assign and transfer all its right and interest in the Lease to Assignee

NOW, THEREFORE, in consideration of the mutual covenants contained herein, Assignor hereby grants, bargains, sells, assigns and transfers all of its right, title and interest to the Lease to Assignee, who agrees to assume all the rights, duties and obligations of the Assignor thereunder

IN WITNESS WHEREOF, the OKLAHOMA ZOOLOGICAL SOCIETY, INC., and THE TRUSTEES OF THE OKLAHOMA CITY ZOOLOGICAL TRUST have caused these presents to be signed on their behalf the 20th day of September, 1986
