

## NorthCare

**NorthCare has many exciting career opportunities throughout Oklahoma! We offer competitive pay and exceptional benefits for full-time and part-time employees.**

NorthCare is a dynamic outpatient behavioral health center providing sensitive and diverse services to children, families, adults and communities. We have been serving Oklahoma since 1981. Our mission is to promote recovery and new levels of independence for Oklahomans by providing quality services to achieve the best possible outcomes for individuals, families and communities. We are a United Way Community Partner and certified by the Oklahoma Department of Human Services as a Community Mental Health Center and Substance Abuse Service Provider. Our agency is also licensed by the Oklahoma Department of Human Services as a Child Placement Agency.
