2021 Payday Calendar for PPP Earnings

In 2021, the payday for PPP earnings will be aligned with the biweekly payday and your PPP earnings will be on one biweekly paycheck each month.

IMPORTANT – Plan Ahead!

- 1) The date of the payday varies from month-to-month because the biweekly payday is on Fridays.
- 2) Twice in 2021, May and October, there are two paydays between the paychecks that include PPP earnings.
