### **“WELCOME FOR ALL GRADUATE STUDENTS AND FACULTY RESEARCH PRESENTATIONS FOR NEW GRADUATE STUDENTS”**

Welcome to CBME for our new graduate students and welcome back for our current graduate students! This seminar will be an introduction and information from Dr. Brian Grady, Director of CBME and Dr. N. Ulli Nollert, the Graduate Liaison for the CBME Graduate Program. All graduate students must attend this part of the seminar.

Following the introductions by Dr. Grady and Dr. Nollert, the new graduate students will be staying for presentations by those faculty members who have open positions for new graduate students for the Fall 2015 semester. Returning graduate student can stay for this portion of the seminar but do not have to.

This will take the place of the seminar presentation for this week. Announcements for the upcoming seminars will be sent to you by e-mail. Be sure your OU e-mail account is active so you can receive these announcements and other important notices.
