

Each year, a special lecture is given in memory of Harry G. Fair, an outstanding OU alumnus. Harry G. Fair was born in Okmulgee, Oklahoma, on June 3, 1916. He received the B.S. in Chemical Engineering in 1939. He joined Phillips Petroleum Company in 1939 and worked his way up to Vice President for Supply and Transportation, with responsibility for world-wide exchange of crude oil and all transportation facilities. In 1966 he joined the M. W. Kellogg Company as Executive Vice President, in charge of all engineering activities and became Executive Vice President of Pullman, Inc., in 1968. He was President of Coastal States Gas Corporation from 1971 until the time of his death on July 27, 1974. Harry G. Fair was active in service to society and to his alma mater. He was a member of a number of professional societies and was a licensed professional engineer.

This lecture is made possible by the Harry G. Fair Memorial Fund contributed by his widow, Jane Swift Fair. Arrangements are made by the School of Chemical Engineering and Materials Science.

THE UNIVERSITY OF OKLAHOMA COLLEGE OF ENGINEERING

THIRD ANNUAL HARRY G. FAIR MEMORIAL LECTURE

LAURANCE S. REID

THE MOTHER LODGE

APRIL 27, 1977

3:00 P.M.

The Lecture will be held in room 200

DALE HALL

Coffee and Refreshments
will be served

Laurance S. Reid, Chairman of the Board of Ball-Reid Engineers, Inc., is a long-time petroleum industry consultant and professor of chemical and petroleum engineering at the University of Oklahoma. He received his B.S., Ch.E., from Iowa State University in 1931 and M.S.E., Pet.E., from OU in 1937. He was on the OU faculty from 1940 to 1969. He has been associated with a number of companies, including Laurance Reid Associates, in refining, secondary recovery, gas processing and treating, and gas transmission, measurement and distribution. In 1970 he was recipient of the NGPA Hanlon Award, highest honor in the gas processing industry recognizing his outstanding contributions to the petroleum industry which have become industry standards.

He organized the OU Gas Conditioning Conference in 1951 and serves as its chairman and publications editor. He chairs the Executive Committee of the International School of Hydrocarbon Measurement.
