Mechanical Engineering Update

Gallogly College of Engineering
2017 Transfer Conference
17 Feb 2017

David Baldwin
Chair, Mechanical Engineering Undergraduate Committee
School of Aerospace and Mechanical Engineering
**AME Enrollment Management Plan (prior to Fall 2015)**

- To enter the AME Professional Program and take Junior-level courses, the student must have:
  - Obtained a 2.8 GPA
  - Completed all of the pre-requisite courses (i.e., first two years)

- The student must submit an application to the AME Professional Program via our standard form
The new AME Enrollment Management Plan began in Fall 2015.

To be transferred to CoE as either an Aerospace or Mechanical Engineering major from the University College or another institution:
1. Student must complete at least 24 credit hours and obtain a 3.00 combined retention GPA.
2. Student must complete four required courses:
   • MATH 1914; MATH 2924; CHEM 1315; PHYS 2514 (17 hours).
3. Obtain a 3.00 GPA for these four courses with C or better in each course.
Transfer Student Advising

- Student makes appointments with a WSSC Advisor and the ME Faculty Advisor
- Student first meets with WSSC Advisor and submits all required material
- Student meets with ME Faculty Advisor and gets advised
Prerequisite Change

- **Previous:** AME 3103: Interactive Engineering Design Graphics; Pre-req: MATH 1823 or 1914

- **New:** AME 3103: Interactive Engineering Design Simulation Pre-reqs: AME 3143 and AME 3153/3253
