Students who wish to take the MCAT in their junior year are encouraged to take the required biology elective and the organic chemistry during their junior year. Some may also wish to take an additional biology elective (not required in the curriculum). Denote the semester you are advised to take (or have taken) each course & the number of electives and humanities and record the grades earned after each semester. Denote transfer courses by a "†".

† To be chosen from the university-wide General Education Approved Course List. Three of these 12 hours must be upper division (3000-4000). See list in the class schedule.

# To be chosen from: BIOL 3113, 3333, 4843.

For students entering the Oklahoma State Systems for Higher Education Summer 2015-Spring 2016
