EXTRACURRICULAR

2013 Alternative Break Resident Scholar

Georgia Southern University

(Driving 12 students to Selma, Alabama to work with a local non-profit and to discover what institutional racism looks like)

Main advisor for on-campus student groups (below):

Collegiate 100 Men: Collegiate 100 is a coalition of students committed to upholding the principles of education, social and cultural awareness, community service, and scholarship for the benefit of Georgia Southern University students, faculty, and staff as well as the surrounding residents and community through programs and events. (2014- 2019)

Community Garden: Focus on tending to creation and maintenance of gardens in low income communities. (2017-2018)

Pure Poetry: Aimed at gathering students with a passion for poetry, and providing an outlet for those passionate to share their talents. (2016-2017)

ProActive: ProActive is a student organization that will strive to bring awareness of social and racial inequalities on the campus of Georgia Southern University as well as the Bulloch

County community at large. We will set an example to be unprejudiced in our everyday endeavors and in our implementation of change throughout the community (2013-2015)
