## Doctoral Program Timeline

\*\*\* University deadlines supersede any deadlines noted in these timelines. Become familiar with all relevant University deadlines.

\* Students must be enrolled in at least 2 graduate credit hours a semester. After two consecutive semesters without meeting the minimum enrollment, the student will be dropped from the rolls. They must seek re-admission to the program to continue their studies.

\*\* After receiving the appropriate signatures, all approved forms throughout the process, must be filed in the Graduate College.
