Acknowledgments

I understand if I am not yet affiliated with OU (via enrollment or employment), I may apply to Kraettli, but I will not be permitted to move in until after my affiliation has begun. If I am offered an apartment, I understand I must accept it within the time stated on the assignment notice or my application will be canceled. I further understand that receipt of this application and fee by OU does not guarantee an apartment will be available at the time I have requested. I take full responsibility for advising Housing & Residence Life of my current email address and will promptly send a written request to housinginfo@ou.edu if I want this application canceled.

I understand apartment availability is determined by several factors including but not limited to: when the Kraettli Office receives an application, the preferred move-in date of the applicant, status of other applicants on the wait list, the time required for Facilities Management to return vacated apartments to move-in ready condition, and anticipated vacancies.

I understand if I am offered housing at Kraettli Apartments and choose to move in, I will be required to pay a \$200 security deposit and \$50 application fee after executing a lease agreement. Upon move-in, I will be subject to the the terms and conditions of the lease agreement and the policies outlined in the Community Living Guide.
