

# TIMELY WARNING

What is this notice?

In compliance with federal law, these alerts are released by the University of Oklahoma Police Department when certain crimes are reported on or near University property and may present an ongoing safety concern to OU community members. These timely warnings provide information about campus safety situations, allow community members to take precautions for personal safety, and serve to dispel misinformation. They do not present, nor are they intended to present, a complete picture of crime on campus. Timely Warning notices are maintained on the OUPD website for a period of two weeks.

## Campus Timely Warning Bulletin Tuesday, April 9, 2024

**Reported Crime:** Motor Vehicle Theft (Electric Scooter)

**Date & Time:** April 9, 2024, from 2:48 p.m. to 4:22 p.m.

**Location:** 100 E. Boyd Street, Sarkeys Energy Center

**OUPD Report #:** 24-0405

**Incident Details:** The victim reported that they parked and locked their black Segway Ninebot F25 electric scooter to a bike rack on the west side of Sarkeys Energy Center. Upon their return, they discovered their lock had been cut and their e-scooter had been stolen.

**Suspect Information:** The suspect(s) have not been identified.

**Police Investigative Results:** The investigation is ongoing.

### Crime Prevention Tips / Safety Considerations:

To prevent theft, individuals should park e-scooters/bikes in areas that are well-lit, under camera surveillance or near high foot traffic areas.

Use a high-quality lock to secure e-scooters/bikes to fixed objects.

Outfit e-scooters/bikes with tracking devices in concealed locations.

Store e-scooters/bikes in your car or home overnight.
