What is this notice?
In compliance with federal law, these alerts are released by the University of Oklahoma Police Department when certain crimes are reported on or near University property and may present an ongoing safety concern to OU community members. These timely warnings provide information about campus safety situations, allow community members to take precautions for personal safety, and serve to dispel misinformation. They do not present, nor are they intended to present, a complete picture of crime on campus. Timely Warning notices are maintained on the OUPD website for a period of two weeks.

Reported Crime:  Motor Vehicle Theft (Electric Scooter)

Date & Time:  Between August 24, 2023, at 4:30 p.m. and August 25, 2023, at 12:33 p.m.

Location:  1400 block of Asp Ave., Norman, OK (Walker Center)

OUPD Report #:  23-1030

Incident Details:  The victim reported they parked and secured their electric scooter to a bike rack with a cable lock. Upon their return, the cable lock had been cut, the scooter’s tracking tile had been removed, and the scooter was no longer there.

Suspect Information:  Suspect(s) have not been identified.

Police Investigative Results:  The investigation is ongoing.

Crime Prevention Tips / Safety Considerations:
• Park small electric vehicles in areas that are well-lit, under camera surveillance or near high foot traffic areas.

• Use a high-quality lock to secure small electric vehicles to fixed objects.

• Outfit electric scooters with tracking devices in hidden locations.

• Store electric scooters in your car or home overnight.
