##Campus Timely Warning Bulletin

**Friday, February 02, 2024**

**Reported Crime:** Motor Vehicle Theft (Electric Scooter)

**Date & Time:** February 2, 2024, between 10:50 a.m. and 12:20 p.m.

**Location:** 600 block of Elm Avenue

**OUPD Report #:** 24-0114

**Incident Details:** The victim reported that they parked and locked their metallic gray Max G30P electric scooter to a bike rack. Upon their return they discovered their lock had been cut and their scooter and lock had been stolen.

**Suspect Information:** The suspect(s) have not been identified.

**Police Investigative Results:** The investigation is ongoing.

**Crime Prevention Tips / Safety Considerations:**
- Park small electric vehicles in areas that are well lighted, under camera surveillance or near high foot traffic areas.
- Use a high-quality lock to secure small electric vehicles to fixed objects.
- Outfit small electric vehicles with tracking devices in concealed locations.

Anyone with information concerning this crime should contact either the University of Oklahoma Police Department (OUPD) at 325-1717 or the Norman Police Department (NPD) at 321-1444. For prevention and safety tips, please visit the OUPD website at [http://www.ou.edu/oupd](http://www.ou.edu/oupd).
