

Kevin Edward Taubman, M.D., F.A.C.S.

Department of Surgery
University of Oklahoma College of Medicine, Tulsa
4502 East 41st Street
Tulsa, OK 74135-2512
Tel: (918) 744-3523 Fax: (918) 744-3651
E-mail: kevin-taubman@ouhsc.edu

Date of Birth: September 10, 1968
Place of Birth: Tulsa, Oklahoma, USA
Citizenship: United States of America

POST – GRADUATE RESIDENCY TRAINING AND FELLOWSHIP APPOINTMENTS

2005 – 2007 **Fellow, Vascular/Endovascular Surgery – Heart and Vascular Institute, Penn State University – Milton S. Hershey Medical Center, Hershey, PA**

2004 – 2005 **Chief Resident, General Surgery – Kern Medical Center, Bakersfield, CA; University of California at San Diego (affiliate)**

2000 – 2004 **Resident, General Surgery – Kern Medical Center, Bakersfield, CA; University of California at San Diego (affiliate)**

1999 – 2000 **Surgical Internship – Kern Medical Center, Bakersfield, CA; University of California at San Diego (affiliate)**

EDUCATION

1995 – 1999 **Doctorate of Medicine**

- American University of the Caribbean School of Medicine and Graduate Studies
 - Basic Sciences: Montserrat, British West Indies
 - Clinical Sciences:
 - Wayne State University – Northville Regional Psychiatric Hospital, Northville, Michigan
 - Kern Medical Center, Bakersfield, California
 - St. Joseph’s Hospital/Barrow Neurological Institute, Phoenix, Arizona

1995 – 1997 **Masters of Science – Biomedical Sciences**

- American University of the Caribbean School of Medicine and Graduate Studies; Montserrat, British West Indies

1990 – 1993 **Bachelor of Science – Biological Sciences**

- University of Tulsa, Tulsa, Oklahoma
- Minor: Chemistry

FACULTY AND HOSPITAL APPOINTMENTS

2009 – present **Acting Chief, Section of Vascular and Endovascular Surgery, Department of Surgery, University of Oklahoma School of Community Medicine, Tulsa; Tulsa, OK**

- 2007 – present Assistant Professor, Section of Vascular and Endovascular Surgery,
Department of Surgery, University of Oklahoma, School of Community Medicine, Tulsa;
Tulsa, OK
- 2007 – present Attending Staff, St. John Medical Center, Tulsa, OK
- 2008 – present Director, Vascular Lab, OU Physicians, Tulsa, OK

SPECIALTY CERTIFICATIONS

Diplomat, American Board of Surgery, #51095 (exp. 7/1/2016)

Diplomat, Vascular Surgery Board, American Board of Surgery, #101845 (exp. 7/1/2018)

PRIOR CLINICAL RESEARCH APPOINTMENTS

- 1991 – 1997 **Clinical Research Associate**, Northeastern Oklahoma Satellite, Alzheimer’s Disease Center (ADC) – University of Texas Southwestern Medical Center at Dallas.
- Funded by National Institutes on Aging grant no. P50 – AG08013. (Roger N. Rosenberg, M.D., Principal Investigator; Ralph W. Richter, M.D., Satellite Director)
- 1990 – 1997 **Clinical Research Study Coordinator**, Clinical Pharmaceutical Trials, Inc. and the Alzheimer’s Research Unit, St. John Medical Center, Tulsa, Oklahoma. (Ralph W. Richter, M.D., Principal Investigator)

AWARDS AND HONORS

- 2001 Jack H. Bloch - Surgical Resident of the Year, Kern Medical Center
- 2001 Resident Teacher of the Year, Kern Medical Center
- 2002 Kern Medical Center – Gold Star Service Award
- 2003 Kern Medical Center – Gold Star Service Award
- 2005 Resident Teacher of the Year, Kern Medical Center
- 2005 Kern Medical Center – Health Information Systems – Resident of the Year
- 2005 Society of Laparoendoscopic Surgeons – Outstanding Laparoendoscopic Resident Surgeon
- 2009 Crimson Apple Award for Teaching Excellence, University of Oklahoma College of Medicine
- 2009 Resident Teacher Award for Surgical Specialty, Department of Surgery, University of Oklahoma College of Medicine

PROFESSIONAL AND HONORARY SOCIETY MEMBERSHIPS

American College of Surgeons, Fellow
 American Medical Association
 Association for Surgical Education
 Jack Bloch Surgical Society
 Oklahoma State Medical Association
 Society for Vascular Surgery, Active
 Tulsa County Medical Society

LOCAL, REGIONAL, AND NATIONAL COMMITTEES AND/OR ACTIVITIES

University of Oklahoma, School of Community Medicine, Tulsa, OK, Committee Assignments

- Clinical Information Systems Committee 2007 – present
- Credentials Committee 2007 – present
 - Vice Chair 2010 – present

St. John Medical Center, Tulsa, OK, Committee Assignments

- Medical Executive Committee 2011 – present
- Surgery Section Committee 2007 – present
- Research Committee 2008 – 2009
- Medical Education Committee 2009 – present
- Patient Care Policy Committee 2009 – present
 - Chairman 2011 – present
- Endovascular Committee 2009 – present

Volunteer Community and/or University Service

- Vascular Health Screening, YMCA, 10031 S Yale Ave., Tulsa, OK, September 2007
- Vascular Health Screening, Tulsa Jewish Retirement and Health Care Center Health Fair, Tulsa, OK, September 23, 2009.
- Vascular Health Screening, Tulsa Jewish Retirement and Health Care Center Health Fair, Tulsa, OK, September 15, 2010.
- Bedlam Surgery Clinic – University of Oklahoma School of Community Medicine, Tulsa, OK, 2009 – present.

CURRENT/ONGOING IRB APPROVED CLINICAL RESEARCH PROJECTS

Principal Investigator:

1. Development of Human T Cells in Vitro (OU IRB #15249). **Taubman KE (PI)**, Teague K, Stafford P., Norris B., Taylor A., Peabody L., Buchanan K., and VanDewiele J.
2. Off-label Use of Vascular Stents (OU IRB #15410). **Taubman KE (PI)**, Sideman MJ, and Stratton R.

Sub-Investigator:

1. Establishing Vascular Access by Native AV Fistula and Evaluating Outcomes in Hemodialysis Patients (OU IRB #12537). Jennings WC (PI), **Taubman KE**, Miller R, Landis L, Lee F, and McMurray D.

COMPLETED CLINICAL RESEARCH TRIALS

Sub-Investigator:

1. The TROPIC Study: The Dose Response of Niacin ER/Lovastatin on Peak Walking Time (PWT) in Patients with Intermittent Claudication – a Matrix Design. KOS Pharmaceuticals Inc. 2005 – 2006.
2. The ICPOP Study: The Dose Response of Niacin ER/Lovastatin on Peak Walking Time (PWT) in Patients with Intermittent Claudication. KOS Pharmaceuticals Inc. 2005 – 2006.

3. Phase 3, Multicenter, Multinational, Randomized, partial Double-Blind, Placebo-Controlled Study to Evaluate the Efficacy and Safety of Alfimeprase in subjects with Acute Peripheral Arterial Occlusion (NAPA-2). Nuvelo, Inc. 2005 – 2006.
4. A Dose Ranging Trial for the Evaluation of the Safety, Tolerability and Efficacy of Odiparcil in the Prevention of Venous Thromboembolism following Total Knee Replacement Surgery – ITI101711 (Topvent). Glaxo-Smith-Kline Pharmaceuticals 2005 – 2007.
5. Multicenter, single-blind, nonrandomized, intraindividual study of the safety and efficacy of Magnevist Injection at 0.1 and 0.2 mmol/kg for the depiction of delayed enhancement in patients with documented myocardial infarction – 306947. Berlex, Inc. 2006 – 2007.
6. A phase 2B, randomized, multicenter, dose-ranging study assessing the safety and efficacy of PD 0348292 in the Prevention of Venous Thromboembolic Events (VTE) in subjects Undergoing an Elective, Unilateral Total Knee Replacement – A5571010. Pfizer 2006 – 2007.
7. International, multicenter, randomized, parallel group, double-blind study, in patients with acute symptomatic deep vein thrombosis of the lower limbs, demonstrating the bioequipotency at a steady state of equimolar doses of SSR126517E (3.0 mg) once a week and SR34006 (2.5 mg) once a week, documenting the safety and efficacy of both compounds during a 6 month treatment, and demonstrating the neutralizing effect of SSR29261 on the SSR126517E-induced anti-Xa activity. – EFC5945 (Equinox). Sanofi Aventis 2006 – 2007.
8. An international, multicenter, randomized, double-blind, double-dummy, parallel group, study of 3-month or 6-month treatment with SSR126517E (3.0 mg s.c. once weekly) versus oral INR-adjusted warfarin in the treatment of patients with symptomatic pulmonary embolism, with or without symptomatic deep venous thrombosis – EFC6034 (Cassiopea). Sanofi Aventis 2006 – 2007.
9. A multi-center, double-blind, randomized, parallel, vehicle- and standard care-controlled, dose-ranging study assessing the safety and efficacy of MRE0094 gel when applied topically for 90 days to subjects with diabetic, neuropathic, foot ulcers. – MRE0094P-201. King Pharmaceuticals 2006 – 2007.

INVITED PRESENTATIONS/MODERATOR AT NATIONAL/REGIONAL/LOCAL MEETINGS

1. **Taubman K**, Chung R, Dahlin D, et al. A novel resource – based scoring system to manage emergency department (ED) saturation and closure in a medium – size city. Presented at: American College of Surgeons – Committee on Trauma, Region IX Resident Paper Competition; San Francisco, December 2002. (Award - 2nd place)
2. **Taubman K**, Chung R, Lancaster L, et al. Volumetric diffusive respiration (VDR) ventilation versus conventional mode ventilation in trauma patients with acute hypoxemia – a retrospective review. Presented at: Annual Scientific Meeting, Southern California Chapter – American College of Surgeons; Santa Barbara, California, January 2003.
3. **Taubman K**, Chung R, Dahlin D, et al. A novel resource – based scoring system to manage emergency department (ED) saturation and closure in a medium – size city. Presented at: Annual Scientific Meeting, Southern California Chapter – American College of Surgeons; Santa Barbara, California, January 2003.
4. **Taubman K**, Chung R, Lancaster L, et al. Volumetric diffusive respiration (VDR) ventilation improves oxygenation in trauma patients with acute hypoxemia. Presented at: Raymond H. Alexander Competition – Eastern Association for the Surgery of Trauma, 17th Scientific Assembly; Amelia Island, Florida, January 2004. (Award – Runner – up)

5. Wong C, **Taubman, K**, Taylor E, et al. The quality of surgical resident interpretation of after-hour CT scans in trauma. Presented at: 2004 Kern Medical Center Research Forum, Bakersfield, California, May 13, 2004. (Award – 2nd place)
6. **Taubman, K**. EMS and the trauma patient: Life-threatening injuries. Presented at: 2004 Kern County EMS Week Conference; May 18, 2004.
7. Wong C, **Taubman, K**, Taylor E, et al. The quality of surgical resident interpretation of after-hour CT scans in trauma. Presented at: Annual Scientific Meeting, Southern California Chapter – American College of Surgeons; Santa Barbara, California, January 2005.
8. Cantwell C, **Taubman K**, Waybill P, et al. Retrievable inferior vena cava filters: Experience in 237 patients. Presented at: Radiologic Society of North America – Annual Meeting; Chicago, Illinois, November 28, 2007.
9. **Taubman KE**. Abdominal aortic aneurysms. Presented at the 2008 St. John Medical Center Nursing Education Symposium; Tulsa, Oklahoma, November 7, 2008.
10. Sideman MJ, **Taubman KE**, Broughan TA. Declining interest in vascular surgery among general surgery residents. Presented at 4th Annual Academic Surgical Congress, Fort Meyers, Florida. February 3 – 6, 2009.
11. Sideman MJ, Duvall DB, **Taubman KE**, Broughan TA. A comparison of endovascular surgery venues in relation to resident participation. Presented at 4th Annual Academic Surgical Congress, Fort Meyers, Florida. February 3 – 6, 2009.
12. Sideman MJ, Coburn MZ, **Taubman KE**, Broughan TA. Differing interest in open versus endovascular surgery in a general surgery residency program. Presented at 4th Annual Academic Surgical Congress, Fort Meyers, Florida. February 3 – 6, 2009.
13. **Taubman KE**. The diabetic foot – optimizing limb salvage. Presented at the 2009 American College of Surgeons, Oklahoma Chapter Meeting, Tulsa, Oklahoma. August 28, 2009.
14. **Taubman KE**. Treatment of peripheral vascular arterial disease for limb salvage. Presented at the 21st Annual Update in Cardiology, Oklahoma Heart Research and Education Foundation. May 7, 2010.
15. **Taubman KE**. Co-chair. 2010 St. John Medical Center Cardiovascular Symposium, November 11, 2010 .
16. **Taubman KE**. Revascularization strategies to improve limb salvage. Presented at 2011 Wound Care Symposium – St. John Medical Center, Tulsa, OK. (Scheduled for March 4, 2011)

OTHER INVITED LECTURES AND SCHOLARLY ACTIVITY

1. “Surgical Infections and Antibiotics.” University of Oklahoma College of Medicine, Tulsa, Department of Surgery Grand Rounds. July 25, 2007.
2. “Mesenteric Ischemia.” University of Oklahoma College of Medicine, Tulsa, Department of Surgery Specialty Grand Rounds. November 14, 2007.
3. 2008 Absite Review - I. University of Oklahoma College of Medicine, Tulsa, Department of Surgery. January 2, 2008.

4. 2008 Absite Review - II. University of Oklahoma College of Medicine, Tulsa, Department of Surgery. January 9, 2008.
5. 2008 Absite Review - III. University of Oklahoma College of Medicine, Tulsa, Department of Surgery. January 16, 2008.
6. "Abdominal Aortic Aneurysms." University of Oklahoma College of Medicine, Tulsa, Department of Surgery Specialty Grand Rounds. July 25, 2007.
7. "Complications in Vascular Surgery." University of Oklahoma College of Medicine, Tulsa, Department of Surgery Specialty Grand Rounds. April 30, 2008.
8. "Abdominal Aortic Aneurysms." University of Oklahoma College of Medicine, Tulsa, Department of Internal Medicine Noon Conference. August 6, 2008.
9. American Board of Surgery Mock Oral Examination. University of Oklahoma College of Medicine, Tulsa, Department of Surgery. September 9, 2008.
10. "Carotid Artery Disease." University of Oklahoma College of Medicine, Tulsa, Department of Surgery Specialty Grand Rounds. September 17, 2008.
11. "Carotid Artery Disease." University of Oklahoma College of Medicine, Tulsa, Department of Internal Medicine Noon Conference. October 30, 2008.
12. 2009 Absite Review – I. University of Oklahoma College of Medicine, Tulsa, Department of Surgery. January 14, 2009.
13. "Venous Thromboembolic Disease." University of Oklahoma College of Medicine, Tulsa, Department of Surgery Grand Rounds. January 28, 2009.
14. "Animal Models of Abdominal Aneurysm Formation and Spinal Cord Ischemia." University of Oklahoma College of Medicine, Tulsa, Department of Surgery Grand Rounds. December 16, 2009.
15. American Board of Surgery Mock Oral Examination. University of Oklahoma College of Medicine, Tulsa, Department of Surgery. May 19, 2010.
16. 2010 - 2011 Absite Review - II. University of Oklahoma School of Community Medicine, Tulsa, Department of Surgery. January 12, 2011.
