Area: University of Oklahoma School of Community Medicine PA Program, Tulsa
Title: Security and Safety of Physician Assistant Students

The Tulsa PA Program is subject to and adheres to the OU-Tulsa Emergency Response Plan and utilizes the Emergency Communication System.

OU-Tulsa Emergency Response Plan (ERP):

[OU-Tulsa Emergency Response Plan](#)

Emergency Communication System (ECS):

[Emergency Communication System](#)

Tulsa PA Program students shall adhere to the University plan as it applies to all University facilities and entities. Students participating in a clinical rotation or assignment at an affiliated entity not subject to University policy will adhere to the safety, security, and emergency response policies of the affiliated entities as specified within the respective affiliation agreement.

In the event that a state of emergency extends beyond the University of Oklahoma-Tulsa, the College of Medicine response will be guided by the Oklahoma State Department of Health Emergency Preparedness and Response Service (EPRS).
