

## Welcome to OU, Class of 2017!

To the class of 2017, on behalf of University College and the OU family, WELCOME TO OU! We are excited about this opportunity to be a part of your college experience and will do everything we can to make it a memorable one. You and the rest of the student body are why we are here. Students are the core of this University. Without you, there would be no reason for expert faculty and staff to be here. Without you, there would be no reason for these fine facilities. Without you, there would be no OU.

You are now an integral part of the leading public research university in the state, Sooner tradition, and the OU family. Take pride in that fact and take advantage of the opportunities that it affords you. Opportunities for enrichment, engagement and

scholarship abound at OU, and we encourage you to make full use of them.

The University of Oklahoma libraries system, surpassed by none in the state in terms of both qual-

ity and quantity, is one of the top 25% largest university libraries on the continent in terms of works available (OU Libraries' Facts, n.d.). The Fred Jones Jr. Museum of Art is home to almost 16,000 permanent pieces as well as temporary exhibits

(Fred Jones Jr. Museum of Art, n.d.). In 2012, OU scholars published 1,310 works (University of Oklahoma Office of the Vice President for Research, 2013), averaging about 3.59 publications being released per day! Finally, OU's student life is a robust one with almost 500 campus groups available for students to join (Student Life, n.d.).

The faculty, staff and administrators are here to help in any way. If you have questions, just ask! If you have concerns, please let us know! Ultimately, our success depends on your success. Remember, you are the future of this university, this state and this nation; remember that you are OU!

Have a great semester and...  
**BOOMER SOONER!**
