TIPS FOR ENROLLMENT

HOW DO I PREPARE FOR ENROLLMENT?

Did you know that once you'd been advised, you can make a "Semester Plan" ahead of time before your enrollment window even opens? Log onto one.ou.edu, click on "Prepare for Spring 2019 courses", and then click "Make a Trial Schedule".

WHEN DO I GET TO ENROLL?

You can check when your enrollment window opens on the bottom of your advising form that was sent to you via email after your advising appointment. Additionally, you can access that information on one.ou.edu. If you've dropped a class this semester, your enrollment window **WILL CHANGE**, so please check one.ou.edu to see what your **NEW TIME** is.

WHERE DO I ENROLL?

Online! You don't need to go anywhere specific on campus. Log onto one.ou.edu on a computer (it doesn't work very well on a phone at all, just FYI), wait for the "Enroll in Spring 2019 courses" box to pop down, and then click "Enroll Now".

HOW DO I ENROLL?

You can get step-by-step instructions via page 18 of the Sooner Guide, which can be found here: <http://www.ou.edu/graduatesooner/sooner-guide>
