## It's time to get advised for Spring 2019!

You've made it through the first few weeks of class! It's time to start thinking about next semester. Advisors are now taking appointments for students to be advised for **Spring 2019!**

## What happens during the appointment?

You and your advisor will sit down and discuss how things are going so far! We can talk about your major, academic progress, resources that are available to you, and of course, which courses you'll need to take in the Spring. Did you know that you will not be able to enroll in classes until you've been advised? Make sure you meet with your advisor ASAP! Also, Advisors put a LOT of work into preparing for our students to come see us, so please arrive on time to these meetings!

## How do I schedule the appointment?

Advising appointments can **ONLY** be scheduled on [iAdvise.ou.edu](http://iAdvise.ou.edu). Appointments are available on a first come, first serve basis. The longer you wait, the harder it is to get an appointment with your advisor because our calendars fill up quickly! Advising appointments are held in Wagner Hall, Room 100. Please check in at the front desk when you arrive. You can also click the iAdvise icon above to schedule your appointment!

## When do I enroll in classes?

Most freshmen will be able to enroll in classes in early November, although it's best to confirm your enrollment date with your advisor. You will not be able to enroll in classes until you have been advised for Spring 2019. Don't put it off!

## I have a quick question or need some help!

You don't need to make an appointment on iAdvise if you're wanting to stop into the Advising office for something **NOT** related to advising, such as questions, declaring a minor, etc.. Our walk-in hours are Monday - Friday from 8:30 AM - 4:30 PM! You can also call the Advising office at 405-325-3521 to speak with an advisor.
