

Automatic W Drop Deadline is THIS FRIDAY!

Friday, March 29th is the LAST day to drop a course and get an automatic W!

After March 29th students will have to petition the Dean for permission to withdraw from a course. Students are allowed 5 Ws while undergraduate students at OU and at this point will not receive a refund for any courses dropped. While Ws do go on transcripts, they are neutral in value and therefore do not affect GPAs.

Students who need to drop a course will need to come by Wagner Hall room 100 to fill out a drop-slip and meet with an advisor.
