#### Currently Enrolled Students

The *iAdvise* calendar shows appointments that are available for the next two weeks. *Appointments book quickly and can only be booked online at this time.* If you are unable to schedule an appointment due to no appointments being available, please continue checking *iAdvise*. As another option, we do offer walk-in advising Monday through Friday at 8:30 a.m. We request that you be here **by 8:15 a.m.** and due to the limited number of advisors we ***cannot guarantee*** that you will be seen. Also, you can always *come by* the Advising Suite in Wagner Hall Suite 100 during the day to see if there are any unexpected openings.

**HINT:** The system updates each *weeknight at midnight* and adds another day of open advising appointments.
