INSTRUCTIONS

University policy prohibits dropping courses after the tenth week of the spring or fall semester. Exceptions are granted *only* in extenuating circumstances such as serious or prolonged illness, and you must provide documentation to substantiate your request.

Commonly cited reasons to withdraw late that are NOT acceptable include:

- you thought you dropped the course online (you must provide copy of e-mail confirming drop)
- you wish to reduce your academic load
- you are not performing as you would like in the course
- your work schedule has changed
- you changed your major and no longer need the course to fulfill requirements
- you forgot to withdraw before the published deadline
- you did not know there was a deadline

If you believe your case is exceptional, please follow these instructions:

- Complete an Add/Drop form for each course. Have the instructor(s) of the course(s) you request to drop sign and date the forms, assigning either a W or F. If the instructor assigns a W, you may continue the petitioning process. Note: Assignment of a W by the instructor is only one part of the process and does not guarantee approval by your College.
- Complete a late drop petition, and on a separate sheet of paper (explanatory page) explain and justify your request. Specifically, why do you think the request should be granted? What prevented you from accomplishing this before the deadline? What were the circumstances that led to this request? Be specific, concise, and clear.
- Attach the applicable documentation supporting your request (e.g., medical records) to your petition.
- Return the cover sheet, instruction sheet, explanatory page, supporting documentation, and the signed add/drop slip(s) to your College Advising office. You will be notified by email or telephone regarding the outcome of your petition.
- If your request is approved, the drop process will not be complete until the Enrollment Services office
 processes the request.

The drop policy limits students to five (5) drops with the grade of W during the student's undergraduate career at the University of Oklahoma.

- Propping a class with a W prior to fall 2011 does not count against the student's five-drop limit.
- Any Ws on a transcript from other institutions do not count against the limit.
- > Complete withdrawals do not count against the limit.
- > When a student has reached the five-drop limit, s/he will not be allowed to drop any courses after the two-week "free drop" period.
- After the five-drop limit has been reached, a student may petition for an exception to policy based on *documented* extreme and extenuating circumstances. Appeals must be submitted to the Associate Provost for Academic Advising, 104 Evans Hall.

YOU MUST CONTINUE TO ATTEND THE CLASS IN THE EVENT YOUR PETITION IS NOT APPROVED.

I HAVE READ AND UNDERSTAND THE INSTRUCTIONS REGARDING THIS REQUEST.
