

YOUR SOONER TO-DO LIST

 **SET UP YOUR OUNet ACCOUNT:** Your OUNet Account is your key to accessing OU technology resources such as email, enrollment, grades, course materials, computer labs and OU Libraries resources. Many OU offices will only communicate with you via your official OU email account. Please check it regularly.

Set yours up today:

1. Go to account.ou.edu.
2. Click "I'm New to OU" and enter your OUNet ID and date of birth to set up your account. Your OUNet ID is your OU username and it often consists of the first four letters of your last name and the last four digits of your OU ID number.
3. Enter an account recovery (non-OU) email address where OU IT can send password reset information in case you lose or forget your password.
4. Enter your cell phone number in the "Receive Text Messages" box to be notified of campus emergencies.
5. Change your email alias. OU IT will automatically set up your email address as First.MI.Last-1@ou.edu, but you can change this by visiting the Email Alias menu on the Account page.

If you need help, please visit askit.ou.edu or call (405) 325-HELP.

 **ACCESS YOUR OZONE PORTAL:** oZONE is OU's student portal. It is designed to give current OU students personalized access to campus resources like enrollment, Financial Aid and more. oZONE allows you to customize what you see and do in the portal based on your personal preferences and interests. To access the oZONE portal, go to ozone.ou.edu. You will be asked for your OUNet ID and password. If you need help, please visit askit.ou.edu or call (405) 325-HELP.

 **SUBMIT YOUR HOUSING CONTRACT (optional):** If you are interested in living on campus, visit ou.edu/housingandfood to complete your housing contract. This will be available beginning in early October. Email housinginfo@ou.edu if you have questions.

 **APPLY TO THE HONORS COLLEGE (optional):** Through OU's Honors College, students enroll in courses taught by nationally acclaimed faculty. Classes are limited to fewer than 22 students. Honors students participate in undergraduate research opportunities and study abroad programs, and they excel in this supportive community. To apply to the Honors College as a transfer student, you must have at least 15 hours of college credit with a cumulative GPA of 3.40 or higher. For more information, visit ou.edu/honors.

 **APPLY FOR FINANCIAL AID:** Numerous opportunities for financial aid are available at OU. In fact, last year the total amount of aid for recipients totaled over \$240 million. The aid was comprised of scholarships, grants, loans, work-study and tuition waivers. To ensure that you keep all of your options open for covering your cost to attend OU, complete the Free Application for Federal Student Aid (FAFSA) as soon as possible after January 1 and before March 1. For more detailed information, visit financialaid.ou.edu.

 **COMPLETE MANDATORY TRAINING:** Prior to enrollment, all University students are required to successfully complete the mandatory online training located at onpoint.ou.edu. Learn more at ou.edu/eoo. If you need technical assistance, please contact the IT Help Desk at (405) 325-HELP.

 **ENROLL IN YOUR CLASSES:** We recommend you attend Transfer Days, which is an early enrollment opportunity for admitted transfer students for the summer and/or fall semesters. This event is held in March. If you do not attend Transfer Days or you are a transfer student admitted for the spring semester, contact your academic adviser to set up an appointment to be advised. To locate contact information for your adviser, please visit your academic college website (to find your college website, visit ou.edu) or review the contact information listed in the enclosed letter from your college of interest. **You must be advised before you can enroll.**

 **REVIEW IMMUNIZATION REQUIREMENTS:** As you prepare to attend OU, we want to make you aware of the State of Oklahoma immunization requirements: two immunizations for measles, mumps and rubella (MMR) and three immunizations for Hepatitis B. For details about completing the Certification of Compliance, visit immunization.ou.edu.

 **ATTEND ORIENTATION:** Transfer Student Orientation is a part of Sooner Orientation Weekend, when incoming transfer students get a chance to learn about the resources available to you at OU. Admitted and enrolled transfer students for the fall semester will receive an email with more information about Transfer Student Orientation in late July or early August. For spring transfer students, we offer a Transfer Student Orientation and a transfer social event as part of Winter Welcome Week during the first week of classes in the spring semester.

 **REGISTER FOR CAMP CRIMSON (optional):** Camp Crimson is a three-day, two-night orientation camp on what it means to be a Sooner! We offer a camp specifically for transfer students, too, and it is available for students admitted for the fall semester. More information is available at ou.edu/campcrimson. Registration goes live on March 1.
