## Network Services Contract

This Contract is executed this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ by and between the University of Oklahoma, \_\_\_\_\_ (the “University of Oklahoma Merchant”) and \_\_\_\_\_ (the “Vendor”).

The purpose of this agreement is to outline the understanding between \_\_\_\_\_ (the “University of Oklahoma Merchant) and \_\_\_\_\_ (the “Vendor”) regarding OU network services.

\_\_\_\_\_ (the “Vendor”) has contracted with OU to provide access to the internet only as any other Internet Service Provider (such as Cox Internet or Time Warner) and is in no way a payment service provider in any manner connected with PCI compliance. We understand that the OU network is to be considered an unregulated, non-compliant open network space and should not be perceived in any other fashion. Any network security monitoring, filtering and any other security measures by OU are done on a gratis basis and are not contractual and do not assist in PCI compliance. OU will not provide artifacts or advisement toward PCI compliance or any SAQ assessment.

\_\_\_\_\_ (the “Vendor”) fully accepts any and all risk associated with utilizing OU networking services, and we understand that OU is not providing a PCI compliant infrastructure or PCI related services. ”
