

Dear colleagues,

With the new guidelines of distancing and the nature of the CBBC work, it is encouraged that most of the meetings should be held through one of the following platforms:

- ZOOM
- Email ([fznajar@ou.edu](mailto:fznajar@ou.edu)).
- Phone (405)-313-2195.

There will be no training until the distancing restrictions are lifted by the University.

I will be performing most of the analysis remotely. Very few tasks might need me to be in the CBBC office.

Please contact me ([fznajar@ou.edu](mailto:fznajar@ou.edu)) if you need to schedule a meeting.
