# University of Oklahoma Department of Economics ECON 4353: Public Finance- Issues in Taxation (Spring 2023) Cate Center One 174, M&W: 1:30-2:45

**Instructor:** Professor C.L. Rogers (email via course Canvas page)

Office Location and Hours: Room 423 Cate 1, Mon & Wed from 3:00-4:00 pm & by appointment

#### **Course Format/Meeting Time and Location (essential component)**

This is an *in-person*, synchronous course.

**Course Prerequisite:** a grade of C or better in 1113 and 1123.

# **Course Description (essential component)**

Pay taxes? Use public goods? Encounter regulations? This class discusses the role of government as an economic agent. We will start with an overview of Public Finance, including theoretical and empirical tools of economic analysis. We will discuss government expenditures and revenues by category and identify trends for different levels of US governments. We will discuss market failure as a justification for government interference in markets. The second half of the semester will focus on the theory and practice of taxation, including methods of distributing tax burdens; implications of taxation on equity, tax inefficiencies, as well as taxation on labor supply, business income, and wealth.

## **Course Goals and Learning Outcomes:**

Students will gain knowledge about how Government action impacts the economy. Students will gain experience applying economic principles to questions in public finance. Students will complete an independent analysis of a government of their choice. Students will gain experience giving oral and written economic analysis of topics in public finance.

#### Texts and Materials (essential component)

- Required Text: Jonathan Gruber. *Public Finance and Public Policy, 6<sup>th</sup> edition* (2019). Worth Publishers, Macmillan Learning, New York. ISBN-13: 978-1-319-10525-9
- Other materials and assignments will be provided on Canvas course page

# **Teaching Philosophy & Inclusion Statement:**

My goal is to encourage student engagement and application of core economics topics, through assignments, readings and in-class discussions. We will strive to build an inclusive, respectful learning community. Economics is all about accounting for different preferences. Please do not hesitate to reach out if you have concerns about the class environment.

## **Learning Activities, Assignments, and Assessments:**

• Class Attendance and Engagement Activities: [20 points, 8.3%] Credit will be given for attending and engaging in class meetings. Attendance here will be taken 10 times and students will provide response to class discussion. These will be worth up to 2 points each (1 for submitting, and 1 point for thoughtful response).

- <u>Problem sets</u>: [30 points, 12.5%] 3 problem sets worth 10 points each will be assigned. Problems from each chapter that we cover from the Gruber Text will be assigned and collected as a set. Five problems will be graded for each set. See schedule and Canvas for due dates.
- <u>Project Applications 1-5</u> [40 points total, 16.67%]: Students will study a government of their choice throughout the semester. Five application assignments, worth 5 or 10 points each, will build up to the final project submission. The applications include data finding/research assignments and oral presentations. The purpose is to give you practice discussing your own analysis. See Canvas for details and due dates.
- <u>Midterm Exam</u> [March 8, 50 points, 20.83%] This will cover Chapters 1-7 with questions drawn from problem sets and class discussion/notes. The format will be short answer and problems.
- Student Project [May 3, 11:59 pm, 50 points, 20.83%] Students will study a government of their choice. Detailed project descriptions will be provided. The components will include (1) background of governmental unit, revenue and expenditure descriptive analysis (Applications 1&2); (2) a description of a tax policy, regulation or program of interest (Applications 3&4); (3) theory and findings/conclusions about the program/policy (Application 5); (4) conclusion; and (5) references. See Canvas for instructions and grading rubric.
- <u>Final Exam</u> [Thursday, May 11, 8-10 am, 50 points, 20.83%] This will cover chapters discussed after the midterm. It will follow a similar format as the midterm.

Assigning Grades: There are a total of 240 points. The Grading scale is as follows:

A: at least 90% or at least 216 points B: at least 80% or at least 192 points C: at least 70% or at least 168 points D: at least 60% or at least 144 points

Note: Rounding will be to the second decimal place. An 89.99% will be assigned a "B".

#### **Course Policies:**

#### Make-up Policy

Exams: Accommodations will be made for documented, university approved absences (activities or illness) with prior notification (or as early as possible if you are ill). Homework sets and applications: you may be given an extension if the absence is prolonged. For prolonged periods of absence, please see me for accommodations.

#### **Absences**

You are responsible for materials discussed during class whether you attended or not. For excused absences, please provide proper documentation to initiate a conversation about accommodations, which could include reweighting or the opportunity to make up the points.

#### **Late Assignments**

We will try to grade assignments within a day of the due date. If something unexpected happens and you want an extension, then your best bet is to reach out *before* the due date to discuss options.

# **University Policies and Acknowledgements**

# **Land Acknowledgement Statement Provided by OU's Tribal Liaison office:**

Long before the University of Oklahoma was established, the land on which the University now resides was the traditional home of the "Hasinais" Caddo Nation and "Kirikir?i:s" Wichita & Affiliated Tribes. We acknowledge this territory once also served as a hunting ground, trade exchange point, and migration route for the Apache, Comanche, Kiowa and Osage nations. Today, 39 tribal nations dwell in the state of Oklahoma as a result of settler and colonial policies that were designed to assimilate Native people. The University of Oklahoma recognizes the historical connection our university has with its indigenous community. We acknowledge, honor and respect the diverse Indigenous peoples connected to this land. We fully recognize, support and advocate for the sovereign rights of all of Oklahoma's 39 tribal nations. This acknowledgement is aligned with our university's core value of creating a diverse and inclusive community. It is an institutional responsibility to recognize and acknowledge the people, culture and history that make up our entire OU Community.

# **Final Exam Preparation Period**

Pre-finals week will be defined as the seven calendar days before the first day of finals. Faculty may cover new course material throughout this week. For specific provisions of the policy please refer to OU's Final Exam Preparation Period policy

# **Emergency Protocol**

During an emergency, there are official university <u>procedures</u> that will maximize your safety. **Severe Weather:** If you receive an OU Alert to seek refuge or hear a tornado siren that signals severe weather 1. LOOK for severe weather refuge location maps located inside most OU buildings near the entrances 2. SEEK refuge inside a building. Do not leave one building to seek shelter in another building that you deem safer. If outside, get into the nearest building. 3. GO to the building's severe weather refuge location. If you do not know where that is, go to the lowest level possible and seek refuge in an innermost room. Avoid outside doors and windows.

4. GET IN, GET DOWN, COVER UP. 5. WAIT for official notice to resume normal activities. <u>Link to Severe Weather Refuge Areas</u>, <u>Severe Weather Preparedness - Video</u>

#### Armed Subject/Campus Intruder: (required)

If you receive an OU Alert to shelter-in-place due to an active shooter or armed intruder situation or you hear what you perceive to be gunshots:

1. GET OUT: If you believe you can get out of the area WITHOUT encountering the armed individual, move quickly towards the nearest building exit, move away from the building, and call 911. 2. HIDE OUT: If you cannot flee, move to an area that can be locked or barricaded, turn off lights, silence devices, spread out, and formulate a plan of attack if the shooter enters the room. 3. TAKE OUT: As a last resort fight to defend yourself.

For more information, visit http://www.ou.edu/emergencypreparedness.html Shots Fired on Campus Procedure - Video

# **Fire Alarm/General Emergency**: (required)

If you receive an OU Alert that there is danger inside or near the building, or the fire alarm inside the building activates: 1. LEAVE the building. Do not use the elevators. 2. KNOW at least two building exits 3. ASSIST those that may need help 4. PROCEED to the emergency assembly area 5 ONCE safely outside, NOTIFY first responders of anyone that may still be inside building due to mobility issues. 6. WAIT for official notice before attempting to re-enter the building.
