

**Progress Through Curriculum Form – Major
As of Fall, 2024**

Name:

When do you plan to graduate (semester/year)?

Use this form to track your progress through the Environmental Studies major requirements. It is organized by Core courses, and Electives; enter which requirements have been fulfilled, or when you anticipate fulfilling them. Consult the [degree checksheet](#) in order to also keep track of your progress through Gen Ed. requirements. If you are pursuing a minor or an additional major you should also consult those requirements while you are completing this form.

Please complete this form prior to your advising appointment, and bring it with you. If you choose you may review your plan with Dr. Trachtenberg (ztrachtenberg@ou.edu) before you are formally advised.

Environmental Studies Core

- *Please enter the semester and year you fulfilled, are fulfilling, or plan to fulfill each requirement.*

ENST 2813, Cornerstone (typically offered fall):

ENST 3893, Research (typically spring after Cornerstone):

ENST 4883, Seminar (typically offered fall):

ENST 4893, Capstone (typically offered spring):

ENST 3891 Learning Community (offered fall and spring):

Semester 1:

Semester 2:

Semester 3:

Environmental Studies Electives

- *For any electives you have already taken or are taking now, please enter the semester/year and the course number and name.*

- *For electives you have not yet taken, understanding that your plans might change, please enter the semester/year you anticipate fulfilling the requirement, and a course you would like to take. Keep in mind:*
 - *Your anticipated graduation date.*
 - *Unfulfilled Gen Ed requirements.*
 - *Requirements for other programs, e.g. minors or other majors.*
- *Consult the Environmental Studies website for lists of [all approved electives](#), and electives to be [offered next semester](#).*
