Dear Professor Venkatesan,

It gives me great pleasure to inform you of your election as a 'Foreign Fellow' of the Indian National Science Academy (INSA) at the Annual General Meeting of the Academy held on September 12, 2023. The President of the Academy has already conveyed his felicitations to you. Your Fellowship will formally take effect from January 1, 2024. Please accept our heartfelt congratulations.

We are proud to have a person of your distinction as a Foreign Fellow of INSA. We look forward to having your active interactions with our scientists thereby bringing a closer relationship of the scientific communities of both the countries.

We would be very happy to welcome you to India, organize your lecture/visit to the scientific centers in India and arrange any other program as you may desire at a mutually convenient time. The Academy will be happy to take care of your local hospitality.

A copy of the Year Book of the Academy will be sent to you separately.

With warm regards and looking forward to hearing from you,

Yours sincerely,
