

Student Acknowledgment of Conditional Admission

1. I understand that my conditional admission requires that I meet the following conditions to remain in the SLIS graduate program. I understand that I will be considered admitted in full standing after fulfillment of these conditions:

Enroll during both the Fall and Spring for four consecutive semesters or until 12 hours have been completed. Those first 12 hours are the conditional admission period.

Take 12 letter graded LIS hours within four consecutive semesters (which may include the summer term if I choose to enroll in the summer). **Within the first semester of enrollment, I must meet with my advisor to complete a Program Planning Form (see number 3 below).** Three of the four courses must be courses required for the degree (5033, 5023, 5043, 5053, 5063). All required LIS courses must be completed with a grade of "B" or better. LIS 5033 **must** be taken in the first semester of enrollment.

No grades of "I", "W", or "U" will be permitted for any course work attempted during the conditional admission period. The one exception to this condition is that an "I" may be received in directed reading courses.

Any undergraduate courses attempted while fulfilling the requirements of the conditional admission must be completed with a grade of "B" or better.

2. I understand that it is my responsibility to consult with my SLIS academic advisor in devising a program plan that meets the conditions of my admission in my first semester of enrollment. I understand that conditional admission students are encouraged to take no more than 2 courses per regular term (no more than 6 credit hours) while in conditional status.

3. I understand that I must have a program plan on file before completion of my first semester of enrollment and that the plan must meet the conditions of my admission and that the plan must be followed for enrollments. I understand that I must have my advisor's permission to enroll in order to be eligible to enroll in SLIS classes.

4. I understand that I must return this signed acknowledgment to the SLIS office within 10 working days of receipt of my letter of recommendation for admission from SLIS in order to be eligible for permission to enroll in SLIS courses.
