SHARING OUR STORIES DEMONSTRATION

WHEN

**October 15, 2019
12:00pm – 2:30pm**

WHERE

OU South Oval

Norman, Oklahoma

WHAT

Share your MeToo story and/or help others share theirs.

PURPOSE

This event gives survivors a platform to share their Me Too stories and helps educate others about the pervasiveness of sexual assault and violence.

DETAILS

We will have poster board and markers for survivors to make signs to share their stories. Survivors can hold their own signs or others' signs to protect anonymity. Anyone who wants to create visibility for these stories can hold up a sign during the event. We will also have stakes to place them into the ground.
