Code Enforcer/Police Officer

04/2016 – 04/2018 Hours per week: 40

Duties, Accomplishments and Related Skills

Responsible for the clerical and field duties of the office of code enforcement, which included record-keeping, secretarial duties, data entry, and in-field contact with residents of the city. Often this required presenting case details before the City Council. During my employment I proposed and defended adoption of the International Property Maintenance Code 2015 to the City Council, which passed by unanimous decision. Transferred to police department on 1-26-2018. As a police officer, my duties involved deescalating interactions with hostile or agitated members of the public, including those suffering from mental disorders.

Supervisor: Kenneth Winship (580-326-5616)

Fort Hays State University

Hays, KS

Graduate Research Assistant

08/2011 - 12/2014 Hours per week: 30

Duties, Accomplishments and Related Skills:

Answered student questions, helped grade papers, and helped direct student activities in the field, often under inclement environmental conditions. Additionally, I wrote a recovery plan for the Longnose Snake for the Kansas Department of Wildlife and Parks. I used sixty-seven scientific citations to compile an exhaustive natural history profile of the species, identify the threats facing it, and prepare a recovery plan explicitly addressing each threat with recommended essential conservation measures. At present, all actions recommended are set to be implemented.
