Safe Passage

Virtual training for school officials who conduct bullying investigations

What to expect:

Two morning lectures will focus on trauma informed responsiveness in education, bullying prevention and intervention mandates, and conducting investigations.

The afternoon will consist of working with “actors” playing the role of students and parents to identify potential bullying situations, and subsequently taking the necessary steps to initialize a student safety plan.

Agenda:

8:30 – 10:00 – How Trauma Affects Children – Gloria Miller

10:00-10:15 – Break

10:15 – 11:45 – Trauma, Bullying, and Investigations – Steve Hahn

11:45 – 12:15 – Lunch

12:15 – 3:30 – Simulations and Debrief
