

Teaching and learning in the age of Generative AI

April 17 at 1:00–2:00 p.m

Oklahoma Memorial
Union's Meacham
Auditorium

Dr. Derek Bruff

Co-author of *The Norton Guide to AI-Aware Teaching*

- What changes do we need to make to our learning objectives, if any, in light of ChatGPT and other AI tools?
- How can we work with students to understand ethical and effective uses of AI?
- What are emerging practices for integrating AI into assignments to support student learning?

This session will feature teaching principles and examples of practice to help answer these questions as the AI landscape continues to change.
