Accelerated (BS/MS) Degree Program

Application Form

Undergraduate OU students majoring in Biomedical Engineering (A108 Biomedical Engineering Standard) can apply to the Biomedical Engineering Accelerated Degree Program (A108/F109 MS Biomedical Engineering) if they have completed at least 8 hours of biomedical engineering courses. The minimum GPA (retention and combined retention) required to apply is 3.25 although a minimum GPA of 3.5 is recommended. Students must maintain a 3.25 GPA or better throughout the program. Acceptance into the Accelerated Degree Program is not a guarantee of support during the MS portion of the program. Financial support is not automatic and is on a case-by-case basis. Please visit your Biomedical Engineering faculty advisor as soon as possible to discuss the program.

Instructions:

1. Please forward the following documents along with the completed application form to Nicole at npalmeter@ou.edu.
   a. OU Transcript (unofficial)
   b. Resume/CV
   c. Supervising Professor Preference Form (only required for thesis option)
2. Forward the attached Letter of Reference Form to two faculty members. Have them forward the completed form to Nicole, npalmeter@ou.edu. At least one reference should be a SBME graduate faculty member.

Deadlines: Spring of Junior Year by March 1st
Summer or Fall of Senior Year by September 15th

OU ID# _____ Starting Semester: _____ OU Major Code: _____
