

Accessibility and Opportunity for All?

An Evaluation of Industry Specific Employment Change
in New Transit Service Areas

with Dr. Joel Mendez, University of Kansas

Monday, November 15, 1:30-3 p.m., via Zoom

Please register for this webinar at <https://bit.ly/3uF3Xhr>.

Joel Mendez is an assistant professor in the University of Kansas Urban Planning Program. His teaching and research interests lie in the intersection between transportation, economic development, and social justice. His research efforts focus on 1) How cities can best address the needs of low-income, minority communities via investment in transportation alternatives and 2) How to effectively balance the pursuit and attainment of economic and social justice objectives via transportation infrastructure investment.
