

## DART Data Dictionary Subteam Meeting Minutes, 03-15-18

Attendees: Amy Lyons, Lisa Moore, Marcus Glenn, Lindsey Johnston, Susie Irwin, David Wilkins

- Column Metadata Project. The team completed the column metadata project which filled in gaps of missing metadata for often-used tables. David will send the metadata to SPCC and request that it be added to the Oracle tables used to source the ODS Metadata web app.
- Other issues? None were raised.
- Next meeting: April 5, 2018
