

## DART Data Dictionary Subteam Minutes, 10-20-16

- Approve Minutes from prior meeting. **Approved.**
- ODS Data Overview: **The team continued working on an ODS data overview document, incorporating some of the changes noted in the meeting minutes of 9/15/16.**
  - Document flow and order was changed
  - Indexing/drill-downs changed
  - Searchable text added for some object content so users could enter a search term and find the object(s) in which the data resides
  - Placeholder for Data Dictionary slides added
- Next Meeting: Scheduled for November 3, 2016
