

DART Data Dictionary Subteam Minutes, 11-17-16

- Approve Minutes from prior meeting. **Approved.**
- ODS Data Overview: **More revisions/enhancements to the ODS data overview document for the most-often used Student objects, incorporating some of the changes noted in the meeting minutes of 9/15/16.**
 - **Enhanced screen shots added.**
 - **Enhanced indexes/drill-downs added**
 - **More searchable text added for some object content so users could enter a search term and find the object(s) in which the data resides**
 - **The ERD slide needs revision for accuracy. Susie will change it.**
 - **Cognos Data Crosswalk to INB and The Book locations added.**
 - **Cognos resources & support page added**
 - **Quasi-final review**
- The team discussed goals/first projects for 2017. Adding the completed Financial Aid metadata to the web app (David/Kathi), working on table metadata for all tables lacking metadata at that level, and working on more data overviews were the priorities identified by the group.
- Next Meeting: Scheduled for December 1, 2016. To accommodate the holidays and changing meeting schedules, the December 1 meeting will be the final meeting for Fall 2016.
